

5. Everyone Benefits From Clearing Their Negative Vows and Agreements

Spirit Explained that Earth is a Planet and Yes, There is a Polarity to Everything on Earth. The Key is to Bring Everything Into Balance and to Live in the Center, Balanced, Free of Pain, Disappointment and Filled With Love, Peace and Harmony. When you Clear the Negativity, Your Belief System Changes. You Will No Longer Attract Negativity to You. Because What You Send Out to Others You Will Receive Back to You. If You Send Love You Will Receive Love Back. If You Send Out Anger, You Will Receive Anger Back.

All Humanity Has Been Exposed to Many Different Levels of Traumas and Dramas in Their Life Experiences. When I Created This Teaching Process Manual I Included All the Negativity I was Told About. Since I Am No Longer Clearing People on a One on One Basis, I Thought it Would Be Better for Someone to Request to Release and Heal Something They Did Not Rather Have Than Miss Something Important that They Really Needed to Release and Heal. So it is Really Important to Simply Ask to Clear All That Spirit has Provided.

This Teaching Process Manual Will Assist All who have Experienced Detention Facilities and War Zones Because They Have a High Level of Dark Forces Within Them so They are Extremely Low in Vibrational Energy, Which the Dark Forces Feeds Off Of! All Law Enforcement Personal and Military Personal are Susceptible to Attack From the Dark Forces That are Sometimes Very Obvious but at Other Times are Difficult to Detect. The Souls of Individuals Who are Killed in War in Any Negative Manner May Get Lost Between Dimensions. You Will

Find that You can Request Healing for Anyone You Know who has Died in a War or Had a Tragic Death Such as a Car or a Plane Accident, or Drive By Shooting. It is Important to Ask for Everyone who Passes, To Be Placed Into the Light!

I Might Add that When Law Enforcement Officers/Personal Return Home from Detention Facilities and Military Officers/Personals Return Home from War Zones, They Often Unknowingly Bring with Them Dark Forces of One Kind or Another. The Dark Forces are Then in Position to Influence Their Behavior, Thoughts and Feelings, That is One of the Reasons Some Return Home from War Never Recover Fully Into the Men and Women They Once Were. Usually Such Negativities are Correctable by Clearing All Their Negative Vows and Agreements They have Made in the Past Willingly or Unwillingly.

I Hope Those in Authority in Law Enforcement, the Military, Substance Abuse Centers, All Centers that are Helping Others will Be Open to Assisting and Helping People with this Teaching Process Manual and All the Sacred Healing Gifts on My Web Site.
