

14. Sirian Crystal Mysteries

The Rest of The Story

When Zim asked the Masters what Connection there was, if any, Between Marrianna's Original Sirian Crystal and Various Places Such As: **Planet Maldek, Lemuria, Atlantis, Egypt and the Sphinx**, the following Information Was Received.

The Planet Maldek

The Masters Through Zim

Your Spouse was one of the Foremost Leaders That Volunteered to go to Maldek, to Carry Special Powers and Wisdoms that Could be Used by the Maldekians for Good or Bad, as Their Free Will decided. On Maldek, She Stroved to Show How the Wisdoms and Powers of the Crystal She Carried Could be of the Greatest Blessing to the People and the Planet.

Maldek was a Rather Barren Planet when First Inhabited. Part of the Power and Wisdom of the Crystals that Many of the First Settlers, so to Speak, Carried Was the Ability to Create New Plants, Animals, Organisms, Insects and Beings of All Kinds That Would Make Maldek a More Habitable and Pleasant Place to Live in.

The Crystals also Contained the Essences and Energies Necessary to Provide a Very Easy, Peaceful and Pleasant Life For the Inhabitants, if They Wished it That Way. They were Able To Create Fuels of Many Kinds to Provide Light, Heat, Energy, Health, Wisdom, Education, Skills of All Kinds. Unfortunately a Few and then More and More on Maldek, Found that the Crystals Could Also be Used to Gain Control, Power and Influence Over Other Settlers and Volunteers from Sirius and from Other Systems and Galaxies. As Those Few Gained Further Control on the Planet They Found They Could Duplicate the Original Crystals in Most Respects. The Duplicated Crystals Were

Somewhat Akin to What You Now Call Fake Diamonds. They Look, Feel and React Very Much like Original Diamonds but Yet Are Not and When Closely Compared, They Cannot Do The Same Things the Original Ones Can Do. So it was with the Crystals of Sirius among the Maldekians. They were Very Similar in Many Respects but Lacked the Same Integrity, the Same Wholesomeness, the Same Ideals of Light that the Original Ones Carried.

The Net Result was that the Original Leaders of the Volunteer Settlers on Maldek, including Your Spouse, Were Encouraged To Leave the Planet and to Allow Those Who Sought the Power and Influence They Had, to Gain Complete Control. In the End They So Misused the Powers and Wisdoms that Were Originally Brought to Maldek that the Planet Could No longer Stand Up Under Their Onslaught and Collapsed as when an Explosion Destroys the Core of a Building Upon Earth. By that Time the Original, Faithful Leaders with the Real Crystals Were Long Gone and Safe in Other Assignments and Positions.

Thank You Dear Masters.
