

27. Unknown Types Of Deception

I Didn't Know What To Call Them When I First Started Reading and Clearing Akashic Records. So I asked Spirit if There Were Any Unknown Types of Deception Because I Wanted To Be Sure the Records were Cleared Before Anybody Was Given Shields of Protection, That Way Nothing Negative Would Be Sealed In. **However, Spirit Showed Me Such an Attitude Was Ego Driven. Spirit Reminded Me That I Was Not Doing Anything Through My Own Power. It Is Always Spirit Doing All The Healing and Clearing. Spirit Does This Based On Each Individual's Intent And On What Is The Best Thing For Each Person At That Particular Point In Life. I Do Not Make That Decision But That's How I Began Asking If There Were Any Unknown Types of Deception Present.**
