

# 74. Healing Prayer Request Application for My Akashic Records Sacred Clearing Sessions 1-8

Barbara "Marrianna" Zimmermann

**This Request Asks Spirit to Provide a Clearing and Healing for You, Your Family, Pets, Deceased Ones, Home and Contents, Property, Work Place and Schools.**

With My Heart Felt Intent, I AM Requesting a Healing for Myself and I AM Requesting Permission from The Spirit of Each One I AM Listing on This Healing Prayer Request. I Ask that Each One Receive an Akashic Record Clearing and the Healing Process as Presented in This Teaching Process Manual. It is My Understanding that This One Request Will Cover All the Healing Sacred Sessions, 1 Through 8, which Will Remove and Heal the Negativity Found Within My Akashic Records that are Identified In This Process Manual.

My Intent is That My Request Energize the Person and Their Spirit to Make the Appropriate Decision for Each Person. My Understanding Is That, If Approved, Their Akashic Records Will Be Cleared and Their Lives Should Be Much Easier, Filled with More Love for Self and Others. If Not Approved, It Means That Their Spirits Must Come Through Their Own Karmic Realities Step by Step, As Is Necessary, Whether It Is of "The Light" or "The Shadow" and They Must Face Their Karma and Bring It Into Balance on Their Own.

It is My Understanding Regarding All the Deceased People I List that, if Approved, They Will Receive a Clean Slate to Start Out Their Next Life and Have No Negative Karma to Deal With and Bring Into Balance.

I THANK YOU!

I THANK YOU! I THANK YOU!

You Are Well Protected and Not in Any Harm But it is Important That You Allow Enough Uninterrupted Time to Complete Each Sacred Session at One Time. The Reason for this is that The Dark Forces will be Crowding Around until Spirit Has Bound Them and Sent Them to the Light at the End of Each Session.

These Sessions were Created to be Spoken Out Loud. You Need to Read Each Line as Written to Be Effective! Combining and Trying to Get Through More Quickly Will Not Work!
