

# **POWER SURGE II**

## **Preparation and Information**

### **How Marrianna Learned About Clearing The Akashic Records**

The Akashic Record Reading and Clearing came to Me in Three Different Phases.

The **First Phase came During 1995** through Much Studying with Venessa Ralston, a Beautiful Teacher who had Read and Cleared My Akashic Records. I was so Impressed with Her Wealth of Knowledge and asked if She would Teach Me How to Read Akashic Records. She said, No, She No Longer Taught People how to Read the Akashic Records. After a Bit of Silence She Said Wait. Spirit was Telling Her She Should Teach Me. I was Thrilled. She Taught Me How She Read the **Akashic Records as Far Back as the Time of the Lucifer Rebellion.** This Opened Many Doors of Wisdom for Me. I AM Extremely Thankful for what Venessa Taught Me and How it has Changed My Life.

This First Phase has Proven To Be Extremely Beneficial and Empowering to Mankind. What She Taught Me has become what I call Sacred Session I Basic Clearing. I used Her Format for About One Year.

During the **First Part of 1996**, I was Asked by Spirit to Meditate on 33 Consecutive Days. These Meditations Took Me into the “In-Between-Worlds.” There I was Given the Means to Decipher the Akashic Records Prior to the Lucifer Rebellion! **This has Now Become the Second Phase and it Enabled Me to Identify and Clear the Akashic Records at an Even Deeper “Core Level.”** During the 33 Meditations, My Spirit Guide, Zar, of the Solar Council Escorted and Assisted Me. Zar was One of Lord Jesus Sananda’s Teachers while He was in Egypt.

On Each of the 33 Days I sat in Meditation and Experienced the Void of Eternal Knowledge, Wisdom and Love. **During These 33 Journeys I was Gifted, through Light Language, the Ability to Read and Clear the Akashic Records Back to that Time When Our Core Issues Originated. I was Told that this Would Accelerate Mankind’s Path to Total Enlightenment, When Coupled With the Use of the Multi-Dimensional Harmonic Toning I Received from Moses. This Provides Memory Release At the Core Cellular Level, Allowing One to Erase Their Old Trauma Patterning.**

The 33 Step Journey and the Information that Was Given to Me on this Journey, Provided a Deeper Understanding of How Humanity has Arrived at the State it Now Finds Itself In, a State of Separation, Confusion, Trauma, War, Terrorism and Burdens of All Kinds. I came to Understand those Original Traumas and was Given Ways of Recognizing Them Through Trigger Words. I was Guided to Read Books That Taught Me How to Release and Heal the Individual Core Traumas and Burdens Carried by Humanity.

**I Realized I Had Been Given the Keys to the Ancient Mystery Schools. With this Great Gift Came the Responsibility of Sharing This Information with Humanity and of**

**Holding It In Purity From Human Additions, Subtractions or Contamination. I also was Instructed to Share This Information Based On the Individual's Intent and Effort. Human Intent and Effort is Reflected Very Accurately by the Soul Vibrational Rate. And by the Amount of Clearing of Karma That Has Occurred. These are the Indicators That Show When a Person is Ready to Receive Another Blessing. In this Total Process There Are Three Blessings that can be Received in Becoming an Instrument of Light.**

**In the Latter Part of 1996, I was Gifted with the Third Phase of Reading and Clearing the Akashic Records. It was Revealed that My, "Soul Destiny Contract," was Directly Connected With the Star Sirius via a Positive, Original Sirian Crystal Located in My Second Chakra. This Crystal is Also Linked To The Mysteries That Are Hidden Within The Sphinx in Egypt.**

There are Many People Who Volunteered to Come to Earth that Also Have Original Sirian Crystals from the Star Sirius. Part of My, "Soul Destiny Contract," was to Locate 56 of Them Including Myself and to Assist Them With Clearing Their Akashic Records. Since Many of the People Who Agreed to Assist Humanity at that Time Had Not Awakened To Their, "Soul Destiny Contract." I told Spirit I Would Willingly Clear More To Help Out. Spirit Then Sent Me Approximately 1,000 more People To Assist With This Clearing Process. This is One of the Reasons Why So Many of Those Who Came To Me for Akashic Record Reading and Clearing Came from the Star Sirius. I Now Know These People Are From My, "Clan," or, "Soul Group," and Are Here At This Time To Assist Humanity.

**The Process of Reading and Clearing the Akashic Records Serves, Over Time, to Purify and Re-Harmonize the Original Sirian Crystals Back to Creator Truth. When Enough People Have Been Cleared to a Point Where They Have Earned Their Third Blessing (which means Seventeen of Their Chakras have been 100% Cleared and Opened) It Will Provide a Means for Humanity To Raise Its Consciousness Level More Easily Into the 5<sup>th</sup> Dimension. If you are Drawn to or Have an Unusual Interest in Egypt, the Hathors, the Order of Melchizedek, the Star Sirius, the Arcturians, the Pleiadians or the Venusians and are Spiritually Motivated, You May Be From My, "Clan," or, "Soul Group,". If so, You May Be Here For The Same Purpose I AM, that is to Assist Humanity. In that Case I Might Be The One To Assist You in Carrying Out Your, "Soul Destiny Contract." Lord Jesus, Master Sananda, Has Stated That My Role Is To, *Hold the People's Hands and Walk Them Through Their Shadow Side*. This is Precisely What Is Done Through This Book, SELF EMPOWERMENT Through Your Inner Awareness. I Know of No Better Way to Prepare For The Awesome Task of Assisting Humanity.**

## **Questions And Answers Regarding The Akashic Record Clearing Process By Barbara "Marianna" Zimmermann**

Question: What Exactly are the Akashic Records?  
Answer: The Akashic Records Contain the History of All the Positive and Negative Experiences in One's Life. This Book Focuses Mainly on the Negativity that Needs to be Cleared.

Question: Can You Elaborate on the Positive Aspects of the Akashic Record Clearing?  
Answer: **One of the Most Important and Beneficial Aspects is Receiving Six or More Shields of Protection Which You Will Receive in Your Sacred Clearing Session One.** Most People Have Lost Their Shields in One Way or Another, Therefore, a Great Amount of Negative Influence is Able to Enter and Affect Their Lives. In Sacred Clearing Sessions 1 through 8 You Will Be Requesting as Many Shields of Protection as Spirit Deems Appropriate. You Will Be Gifted with Six or More Shields of Protection Depending on Your Needs. Just for Your Information, the Shields of Protection can Number from 6 to 114. Also, You have to Earn Your Shields By Positive Service to The Light. The More You Do, the More You Earn. Each Shield Builds Itself to 13 Inches Thick and It Takes Lifetimes. Most People Build Only About One Inch Per Lifetime.

Question: What are Some of the Negative Forces Found in the Akashic Records?  
Answer: Negative Spirit Guides (Usually are Archdemons), Tears and Scars in the Golden Web (Your Aura), Mental Life Occupied by Others, Spells, Pacts, Bindings or Curses, Dark Entities Attached or Stalking, Portalways Open to the Dark Forces, Negative Vows to God, Addictions and Obsessive Behaviors, Implant Mechanisms in the Golden Web, Enchantments and Compassionate Connections to Mention a Few.

Question: Could You Elaborate a little bit more on the Negative Forces Found in the Akashic Records?

Answer: **Well, I have Found Only One Who Has Not Had At Least One Negative Guide.** This Includes Those who are Light Workers, Channelers and Those Who Have Been Metaphysical Masters for Many Years. A Negative Guide can be Received When You Feel Down and Out and Say, "Help Me. Somebody Help Me!" But You Have Not Really Clarified That You Want Positive Help. **If You Do Not have Shields of Protection, It Is an Open Invitation to the Dark Forces. It is Important to Know That a Negative Guide is Usually an Archdemon.** Some Categories of Dark Forces are: Lesser Demons, Full Demons and Archdemons, to Name a Few. None of Them Are For Your Highest Good. **They Have Trickery Down to a Science!** Obviously They Should Be Avoided At All Times and if They Already Have a Foothold, They Should Be Removed As Soon As Possible.

**Also I have Found that Most People Have Dropped Their Shields of Protection for One Reason or Another and Have No Shields of Protection At All.** They Usually Have Tears and Scars in the Energy Fields Around Them. The Lack of Shields and the Presence of Tears Usually Result in Negative Implants. Often the Negative Implants Take the Form of Curses. Most of the Curses that Humanity is Suffering From At This Time, are in the Areas of Relationships,

Financial Matters, Feelings of Unworthiness, Physical Health and Spiritual Blockages.

Question: What are Implants and Imprint Mechanisms?

Answer: **Implants** are Controlling Devices. They are Usually used to Enforce Limitation and to Provide a Means for the Dark Forces to Manipulate Mankind. They are Usually Monitoring or Tracking Devices Set Up to Transmit or Receive Information. When Used by the Dark Forces it is, of Course, Information That is Not For One's Highest Good. It Should Be Noted, however, That Not All Implants Are Negative.

**Imprint Mechanisms** are like Stamps or Encodings that Ensure You Play Out Different Roles in Life. They are Usually of a Negative Nature and Can Affect Both Health and Behavior. **For example, most Females have been Stamped to Play the Subservient Role and Men the Dominant Role.** There are Many Types of Imprint Mechanisms. The Dark Forces use Them to Try to Control You. Again it should be Noted That Not All Imprints are Negative.

Question: Can the Negative Forces Ever Come Back After a Clearing?

Answer: I have Not Found Any That Have Ever Come Back. **Keep in Mind It Is Spirit that Is Doing the Clearing.** However, Everyone Does Have Free Choice. An Individual Can Call Them Back or Allow Them To Come Back. **If a Person is Fascinated With the Dark Forces or Keeps Focusing On Them, it is Like Issuing an Invitation to Them To Return.**

Question: By Clearing Someone's Akashic Records, Do You Interfere With The Karma of that Person?

Answer: No, Because I only Provide a Means For The Individual To Connect With Moses and With Spirit. What Happens Is Between That Person and Spirit. **I Simply Show Them What and How They Can Release Their Karma. I Don't Do It For Them. I Don't Make Any Decisions. I Just Provide the Connection. I Don't Heal People. Spirit Does The Healing Through My Connection With Moses.**

Question: How Long Does it Take To See Results From the Clearing?

Answer: Some Individuals Notice Changes Immediately Following the Reading and Clearing Process, However, Most Notice Gradual Changes Over A Three Week or so Period.

Question: How Important is it to Adopt the Same Spiritual Hierarchy and Terms that Many People are Familiar with, such as the Father, Son and Holy Spirit, Angels, Christ Consciousness, etc?

Answer: **It Does Not Matter At All! There Is Only One "God All There IS" No Matter What You Call Him/Her. For Years I have Used the Terms "My Mighty I AM Presence" and "Heavenly Host." One day During Meditation I Was Confused Over What To Call God because I felt He was In Everything. God Said, "To Call Him IS because He is the Creator Of All That IS, The ISness." So that's what I Now Do. When I call on My I AM Presence, I AM**

**Calling in the Essence of the Supreme Being to Be With Me and In Me and to Assist Me in Every Possible Way. It Makes No Difference What Religion, Church or Spiritual Path An Individual Has Chosen, The "God All There IS" is Available To Everyone. God Resides Within You, Not Outside of You.**

Question: What are the Benefits in Removing One's Karma?

Answer: Karma is Like an Invisible Weight On One's Shoulders. It is Always There Until It Is Balanced and Removed. We Have Left the Karmic System. In addition, The Need To Experience Limitation in our Life on Earth Is Being Phased Out. Most People Have Mastered Limitation so Now it's Time To Release the Traumas and Effects of Those Experiences and to Remove the Karma One Has Incurred. **The Akashic Reading Will Provide a Means to Release Your Karma with Ease and Grace, But You Have To Do It.** No One Else Can Do It For You. It is Solely Up To You! With Good Intent and This Book, You, and Anyone Else, Can Do It!

Question: I have been Following the 12 Step Program for Years. Does this Offset the Need for an Akashic Record Clearing?

Answer: **No, Not In Any Way! In Most Cases it Could Mean You Need it More Than Others. Excess Use of Drugs and Alcohol Are Used By the Dark Forces to Get Individuals to Drop Their Shields of Protection. It is a Long and Difficult Process to Reestablish One's Shields Through One's Own Efforts. I Do Not Know of Anyone Who Has Been Able To Do It Without The Help of Spirit. It is a Constant, Daily Battle. Through the Akashic Record Clearing, Six or More Shields of Protection Are Put In Place Immediately Upon Request During Sacred Session 1 as Gifts from Spirit. Clearing the Akashic Records Eliminates the Daily Struggle. In the Place of Struggle, Spirit Provides New Pictures of Reality for That Person's Highest Good.**

Question: What Good does it Do To Clear Someone Who is Deceased?

Answer: **Spirit has Indicated That Clearing the Akashic Record for Deceased Loved Ones Provides a Clean Slate for Them in the Next Incarnation, if Their Soul Gives Permission.** With a Clean Slate to Start off With, Most Individuals Will Be Able To Ascend During Their Next Incarnation. All Deceased Relatives and Friends Can Receive the Akashic Record Clearing, if Their Spirit Gives Permission. Just Put Their Names Where it is Indicated on the Prayer Request Form.

Question: What is Meant by Your Soul's Dimensional Level?

Answer: It is the **Vibrational Frequency of Your Soul. It Reflects what Dimension You are Functioning on, Based on Your Belief System.** That is, are You Functioning on and are Your Beliefs Limited to and Encompassed by the Third Dimension, Fourth Dimension, Fifth Dimension, Sixth Dimension, etc.? The Level Your Soul is Functioning on Also Determines When You Can Request Another Blessing from Spirit and Where You Are on the Path to Total Enlightenment.

Question: Who would Benefit from Having their Akashic Records Cleared?

Answer: **Everyone Would Benefit! However, the Ones who Need it the Most NOW, are Light Workers, Leaders, Authority Figures, Counselors, Any One That's Been in a Combat Zone, Prison, Gang, Any Teen or Adult Who is Troubled in Any Way, Care Giving Professionals and Those with Issues of Depression, Relationships, Finances, Health, Unworthiness and/or Spiritual Blocks. The Clearing will Provide a Means to Come From Your Wholeness Instead of Woundedness!**

Question: Does the Akashic Record Clearing Eliminate the Need for Modern Medicine and Medicinal Care?

Answer: **No, Not In Any Way! Modern Medicine and Medical Care are Gifts from Spirit. They Are Not Perfect Because They Are Administered By Humans. Nevertheless, They Are There For Our Benefit. If You Are ill, See Your Doctor. If You Are In Need Of Medicine, Take It. The Akashic Record Clearing Process Will Bring About Positive Changes In Your Life. How Much Change and in What Areas Depends Mostly Upon Your Intent and Personal Effort. In the Meantime, Don't Ignore The Gift Of Modern Medicine.**

## **Three Major Blessings From Spirit Lord Jesus, Master Sananda, Through Zim**

“IS,” The Creator of All That IS, Grants and Showers Humanity With All Manner of Blessings. Lord Jesus, Master Sananda, provided the following Information on the Blessings:

*The First Blessing is Received through the Order of Melchizedek Priesthood and Is Usually Given Prior to Incarnating on Earth. It is the Memory of our Higher Divine Self Before the Fall into Density. This Memory is Encoded Within the Cellular Memory and it is to This Memory That Mankind Is Now Awakening.*

*The Second Blessing is Granted by Spirit When You Have Raised Your Soul Vibrational Level to Approximately 5.40 and Know That You and the Father are One. With this Blessing, Spirit Opens the Front Side of All the Chakras, Allowing the Healing Light of the “Creator” to Come Through and Heal All That You Come Into Contact With. This Blessing You Can Ask For Yourself. I Suggest Everyone Ask For This Blessing NOW During Their Meditations. Simply Ask that Spirit Grant You The Second Blessing When You Have Earned It.*

*The Third Blessing Will Be Granted When You Have Balanced Your Four Lower Bodies, i.e. Spiritual, Mental, Emotional and Physical. (This has nothing to do with weight.) Assistance is Needed when Receiving the Third Blessing to Bridge the Amount of “Higher Energy” that is Received. This Will Be Granted When Judgment and Opinion of Self and Others Have Been Released. When this is Granted, You Will Be At The Stage of Refining Your Unconditional Love and Compassion For All Mankind Without Exception. That, of Course, Has to Begin With Love and Compassion For Yourself First. With the Third Blessing, Spirit Opens The Back Side of All the Chakras. When You Receive the Third Blessing, You Will Be At The Threshold of Total Enlightenment.*

*Each Blessing Marks the Beginning of a Gradual Process of Opening the Chakras. The Speed of this Opening is Based on the Individual's Ability to Drop Judgments and Opinions about Self and Others. A Blessing Indicates the Beginning of the Next Step on the Path to Total Enlightenment and Does Not Mean You Have Fully Achieved It. Total Enlightenment Comes When You Have Dropped All Judgment and Have Total, Unconditional Love and Compassion for Yourself and For All Other People, Beings, Places and Things. You Will Live Your Life As An Example, Knowing That All Things Are Sacred and You Will Gladly Share Your Gifts With Humanity. By That Time You Will Have 17 Chakras 100% Open! There Is No Reason Why This Cannot Happen To You In This Lifetime!*

**THE TIME TO AWAKEN AND MOVE FORWARD IS NOW!**

Thank You Dear Jesus.

## **The Difference Between Resurrection and Ascension** **Malachi Through Katherine Torres, Ph.D.**

All right, Beautiful One, **Resurrection is the Aspect of Realizing Your Soul is Ever Present. Ascension Brings the Soul Essence of Your Whole Being into the Spiritual Essence of Who You are.** In the same Chance You Walk into Your Awareness, Awareness of Your Truth, the Vitality of Your Living Here. Here We Use the Words Ascension. In Your Ascensionness, You're Not Separated from Your Soul Any Longer. You're Not Unaware of Your Own Spiritual Nature. You Stand in Ascension, In the Truth, In what is Called Confidence, In what is Called Knowing. You See what is Called the Beauty of Everyone Interlaced Together and Yet at the Same Time, Not Dependent On Each Other to Make Life Worthwhile. You See Life in its Worthwhileness in what is Called the Union of Many. And yet We Say Again But I'm Not Attached To Your Making Me Good or Me Making You Good. **Ascension is the Beautiful Vibration of Union of Your Whole Self!**

### **Can You Ascend and Be Here?**

*Indeed! It is a Beautiful Gift of What is Called the Integration of Your Wholeness and the Ability to See Your Earth, a Sacred Gift of the Divine, Your Earth, Beautiful One, the Beautiful Birthing Room of the Great Creator/Creatress.*

### **How is Life Different After Ascension?**

*You Live In Peace! Your Eyes See Light Differently. Your Life is a Life of What You Call Experiences. It is Not One That You Crash with Every Experience. You Revel in the Transformation of Your Daughters and Sisters of Humanity. You will Revel in what are Called Their Pains as Well as Their Joys and You Will Not Feel the Attachment To It All.*

# **Masters of Responsibility**

## **Taking Responsibility for Others**

### **Malachi Through Katherine Torres, Ph.D.**

*When You Get into the Energy Fields of Others, Whom You Are Trying To Help, You Can Easily **Feel Obligated** to Make Sure They Are Helped or Healed. When You do that You Become Alert to Their Energy Fields, Alert to Who They Are. Most People have the Tendency then to Live Their Life **WITH** the People They Are Trying to Help, Instead of Living Their Own Lives Like They Want To.*

***That Can Not Serve Them, Nor Can It Serve You!!**  
**You will End Up Asking Yourself, “What About Me?”***

***Come to the Truth of Yourself, Take Responsibility for Yourself, Not for Others Nor For What They Think, Say or Do! See them As Masters, Not as Someone who Needs Your Help.***

*Then Ask, “What Do I Need Today?” Not, “What do I Need Next Year?” Ask that All Your S.E.M.P.E.S. (Spiritual, Emotional, Mental, Physical, Ego, Soul) to Be Balanced, Whole and Healthy. If You Do Not Get an Answer...Know that You are Caught in the Essence of Feeling Obligated. Still Feeling the Rejections From Other People, this Includes Family, Friends, Co-Workers, etc. It's What You Call Right and Wrong. If I Do Such and Such, I'm Wronging Another Person. **Yet You Will Be Wronging Yourself, if You Do It, Because You Are Spirit and, Therefore, You Are Denying Your Spirit and Putting Others Before Your Own Needs.***

*What Will Be Your Answer When You Leave this Body and You're Faced with Your Highest Essence, the Great Creator/Creatress? **When You're Asked “What did You Do To Gain Knowledge of Yourself,” What Will You Say?***

**I Gave It Away to Other People. I Forgot About Myself!**

***Also, What Aren't You Taking Responsibility For?***

***Hear That Truth Within Yourself! For in That Truth is Where You're Going To Reside, To Create the Healing and the Balance of Your True Self.***

Thank You Dear Malachi.

# **See Yourself as Divine**

## **Learn to Balance The Human and The Divine**

### **Lord El Morya Through Zim**

*I AM El Morya My Chela and Partner, I come to Speak with You about Climbing the Pathway. In the Eyes and Concept of Man the Way Back To the Heart of God of All is Very Rugged, Uphill All The Way, Difficult and Must Pass Through Many Perils, Dangers and Difficulties. It is Not a Pleasant Path to Travel by Any Means. Few are Able to Struggle Through It All. Only the Chosen Few Have the Strength, Power and Integrity to Withstand the Rigors of this Pathway and to Come Out Victorious in the End. This is Man's Concept, Idea and Perspective of the Pathway. This is the Way He Thinks, Believes and Lives His Lives in Accordance With These Beliefs.*

*It is Sad, My Chela, for Nothing Can Be Further From the Truth. What Man has Conceived of, Believes about the Pathway, is What His Guilt-Ridden Humanity Puts Into His Mind and Heart. It is just as We have Spoken Before About Man's Feeling He Deserves Punishment and So He Creates a Devil, a Hell and All Manner of Punishments Like Sicknesses, Accidents and the Like. Man Knows Deep Down Within Himself That He Is Far More Than Just A Man, Just a Human, Struggling on the Earth. It is the Spark of God, the Flame of Divine Love that Speaks to Him and Tells Him These Things. Know this and then Seeing How He Acts, Thinks, Feels and Takes Care of Self and His Earth Home, Causes Man to Feel He Deserves Punishment for Misusing, Abusing and Going into Paths that have Nothing To Do With Being Divine and Filled With The Love of the God of All.*

*The Pathway back to the Heart of God is Not Anymore Rugged, Difficult, Dangerous and Perilous Than Man Makes It! Know that All the Difficulties are Brought Upon the Pathway By Man and Not By The God of All. He would have Man Come Back to Him into Purity and Perfection, the Same He Had When First Designed and Created, Without Struggle, Without Difficulty and Without the Negative and Dark and Unseemly Things That Keep Happening to Man on Earth. The God of All would have Man Return to Him with Light Hearts, Open Arms and with Joy and Happiness Unmeasured.*

*Now it is so that The God of All Does Use the Things Brought Upon Himself By Man. He Uses the Dangers, Perils and Negativities Which Man Conjures Up For Himself. He Uses Them To Awaken Man, to Direct Man, to Strengthen Him and too Encourage Him to Return Along the Pathway of Light. Never, Ever, are They in the Slightest Way Used as Punishments, for The God of All Does Not Punish. He Doesn't Need To, For Man Punishes Himself Far More Than Any Unbiased Judge Would Mete Out. Man Punishes Himself When He Sees Only His Humanity, when He Blocks Out His Inner Knowing, When He Conceives of Himself as Less Than Divine and Therefore Unworthy of Anything Really Good, Really Blessed or Really Divine.*

*So it is Man that Makes the Roadway Difficult and Not God, Not the Imaginary Devil, Not The Dark Forces or Negative Energies. They are All Created By Man Through His Own Powers and Because of the Guilt that Flows Though Him Each Time He Sees Himself as Less Than Divine. The Cure Is Then Obvious to All Who Would See and Learn. SEE YOURSELF AS DIVINE!*

***One who is DIVINE Has Nothing to Feel Guilty About. He May Make a Mistake, take a Different Pathway, Choose Differently but That Doesn't Make Him Guilty of Anything. It Makes Him Human to Be Sure but Being Human Does Not Destroy His Divinity. He is Still Divine with a Human Shell, Human Body, Mind, Feelings and Spirit. Learn Then to Separate the Human From the Divine. Learn to See The Divine Constantly In All That Is Said, Felt, Done or Thought. Use The Humanity Part of Yourself to Learn, to Grow in Understanding and to See more Clearly Your Divine Part.***

*When One Does These Things With True Intent and with Diligent Practice, the Pathway Begins to Smooth Out, to Become Easier and Easier. The Difficulties and Dangers and Perils that Seemed So Real and So Overwhelming, Fade Away and the Pilgrim of Life Returns to True Awakening and Proceeds More and More Easily and Swiftly Along That Road Which Leads Back to God.*

*I AM El Morya.*

Thank You Dear Lord El Morya

## **Vows and Agreements with The Dark Forces**

### **Lord Jesus, Master Sananda Through Zim**

*My Beloved Son, there is Only One Thing that I Would Speak to You About This Evening. It is the Matter of Dark Forces and Agreements and Vows that Connect Man to Them. It is Important For You and All Children of Light To Be Aware, First That Dark Forces Do Exist. They Are The Forces That Have Found Their Pleasure and Space In the Things of Earth, the Things of the Body, the Things of Limitation That Abound on the Earth. They Cannot Overcome Spirit Nor Any Light Being Nor Any Light Person Nor Any Human Person But They Can and Do Everything They Can to Control and Sway and Guide and Lead Any and Every Being That Exists.*

*It is in This Control and Leading That They Find Great Joy and Pleasure for it Makes Them Think They Are More Powerful and Important Than They Really Are. Because They Find Great Joy and Pleasure in These Activities, They Will Cling to Those Who Have Allowed Them a Foothold, for Dear Life, As You Say. It Appears to The Dark Forces that Their Whole Existence Depends Upon Their Keeping Control of Those Beings That Have Allowed Them Access and Space In Their Minds, Hearts, Emotions and Bodies. For this Reason it is Not Easy For Humanity To Overcome or to Throw Out the Dark Forces and Their Controls. Indeed, it is Impossible For Humanity To Do So Without The Assistance of Spirit and the Beings of Light.*

*One of the Chief Purposes and Activities of The Light Beings of the Upper Dimensions is to Assist Man to Throw Off the Controls and Bondage of The Dark Forces. Many have Called Them Vows and Agreements with the Dark Side. What Occurs In Your I AM Classes is the Throwing off of Vows and Agreements that Have Been Burdening The People For Many Years, In Some Cases for Lifetimes. It is Spirit Through Moses That Makes The Tones And Sounds Efficacious and Effective in Breaking the Hold of Vows and Agreements that Have Been Made with the Dark Forces or the Dark Side, as Some Call It. It is Vitally Important*

*That This Be Done, For Without It, It Is Extremely Difficult For a Human Being to Awaken and See The Light of His Own Divinity and to Shed the Shackles and Controls of the Darkness.*

*Usually what Happens is that an Individual Wrestles for a Lifetime with the Dark Forces and Only When He or She Finds It is Impossible to Overcome Them Will That Person Finally Lay The Matter in The Hands of Spirit. Then Spirit Can Enter into the Fray, so to Speak, and Give Whatever Assistance is Necessary so that Freedom from those Burdens of Darkness Can Be Found and Maintained.*

*The Question Has Risen Regarding The Effectiveness of Breaking, or Removing the Hold of the Dark Forces on Humanity. As Long as Spirit or Beings of Light are Involved and Assisting, the Hold of the Darkness is Indeed Broken. Once Broken They Cannot Return in That Same Form or Space of Control. There Are, However, Frequently Other Vows and Agreements That Are Very Similar That Can Still Be In Control and That Need To Be Broken and Released. There are also, as You say, Layers of Control, Layers of Burdens. Each One Requires Releasing and Breaking and Healing. As You Can See This Is Not a Simple Task Nor an Easy One Nor One That Is Over With Very Quickly. It is Something That Requires Attention Regularly and Faithfully Throughout Life On Earth.*

*If there is Doubt on This, One Need Only Read of the Trials and Temptations of the Saints and Holy People of All Times. Those Trials and Temptations Are Nothing Less Than The Hold and Grip of The Dark Forces on Those Holy People. The Holy Ones Found There Was NO TIME in Their Lives When They Didn't Have To Be On Guard and Watchful and Aware, for the Vows and Agreements with the Dark Side That Had Been Made Through Many Lifetimes Were Constantly Showing Themselves In One Way or Another. Thus the Breaking and Releasing of These Controlling Forces Is An Ongoing Activity of Those of the Light as Long As They Dwell On The Earth Plane.*

*Knowing these Things About The Dark Forces and How They Operate and What They Appear Like In Everyday Life, It is Obvious that Anyone, Saint or Sinner, as You might say. Can and Will Be Influenced by The Dark Forces at Some Time or Other Throughout Life on Earth. There Never Is a Time When Humanity Can Sit Back and Feel and Say, "I've Done It. It's Over With and I Don't Have to Concern Myself With It Any Longer." No, Indeed, There Is Never Such a Time. It is, therefore, of the Highest Importance That All Those of The Light Be Aware and Make Continuous Use of the Gifts of Spirit For Loosing the Control of the Vows and Agreements with The Dark Side. If it is Only A Now and Then Kind of Thing, The Dark Forces will Gradually Gain More and More Control Again. Nor Does it Make Any Difference Who Or What The Individual Is. As We said Above, The Holiest Saints Were Still Afflicted by the Attempted Controlling of The Dark Forces.*

*It is Clear Then That Those Who Would Be Free of The Dark Forces Need to Exercise Constant Vigilance. This is Especially True of Those Who Are in Positions of Wisdom, Trust and Leadership. The Dark Side Forces are Fully Aware of How Important It Is To Gain Control of The Leaders and Teachers of Light. It is Doubly Harmful For Those Who Are Struggling to Walk the Pathway of Light to See Their Trusted, Human Teachers and Leaders Falling Under the Control of The Dark Side.*

*Let Those then Who have Been Given the Gifts of Leadership, of Teaching, of Sharing the Wisdom of Spirit, be Most Aware and Especially Diligent to Watch For Evidence of The Dark Forces and What They Say and Do and Think and Teach. When such Evidence Appears, it is Incumbent On That Person To Break It and Release It and Heal It As Swiftly and Readily As Possible.*

*Let None Believe They Have No Ties With The Dark Forces of The Dark Side. All Humanity Has Had and Still Has and Always Will Have Connections With The Dark Side. They May Be Hidden For A Time But Will Always Reappear Sooner or Later Throughout the Earthly Sojourn. With Good Intent and With the Assistance of Fellow Light Persons and, Above All, With the Help of Spirit, Those Connections Will Not Gain Control But Be Broken and Healed Just As Quickly As They Appear.*

*This is Important For Those Who Dwell On the Earth Plane. It is Important Not Only for Each Individual But Important, As Well for Those Around Each Person of Light and Most Important For Those In Positions of Leadership, Teaching and Sharing of the Things of Light With Humanity.*

*I AM Lord Jesus, Master Sananda.*

*Thank You Dear Sananda.*

## **Spiritual Discernment**

### **Lord El Morya, Chohan of The First Ray, Through Zim**

*My Beloved Chela and Partner, I would Speak a little this Morning about the Desire of so Many on Earth at this time to Become Channelers. It is Not Difficult to be a Channeler. The Beings of Upper Realms are Eager to Speak and Communicate with Those on Earth. They are Ever Ready to Share what Has Been Given Them to Share with Mankind. All it requires is a Desire and a Willingness to be Open and Listen.*

*It is Important To Remember, however, the Desire to Channel and the Willingness to Sit and Listen Does Not Mean the Channeling will bring Anything Good or All Truth or Even a Little Truth. What Man on Earth Forgets is that All The Dark and Grey Beings of Earth and other Realms Also are Eager to Speak and Communicate with Man on Earth. Indeed, there are those in the Astral Realms that Depend Upon Individuals on Earth to Give Them a Vehicle for Expression and Existence on the Earth Plane. Such Beings are Those who have passed through Earthly, Physical Death But Desire to Remain on Earth.*

*This Desire can come from Many Causes and Reasons. It may be that Soul Committed Heinous Crimes and wishes to Undo Them. It may be He or She Did Not Complete Tasks and Lessons They were Given and Now Wish to Do So. It may be They were Unable To Disconnect from Loved Ones or Hated Ones and therefore wish to Continue Those Relationships. It may be that They have Given Themselves Into The Control of The Dark or Grey Forces and therefore Are Used by Those Dark Forces to Remain Connected with Mankind on Earth. It could be Any of These or any of Many, Many Other Reasons that so Many Souls Wander Around in the Astral Plane, looking for a Means to Remain on or near the Earth Plane.*

*These Souls will Present Themselves in Many Different Guises and Disguises. Some will Openly Present Themselves as the People or Beings They were while on Earth. Others will take on the Appearance and even the Name or Others who have Passed Over. The most Negative and Powerful Ones of The Dark Side will even Assume the Names and Characteristics of True Beings of Light, in their Attempts to Continue to Control and Sway Mankind.*

*While Most of Those who Float Around in the Astral Planes cause Little Harm to Man, Those who Assume the Name and Role of True Beings of Light Often Cause a Great Deal of Harm. It is so because Man is Duped into Thinking He or She is Receiving Truth from a True Being of Light when, in fact, They Are Receiving only those Truths and Half-Truths and Outright Falsehoods which The Dark and Negative Imposter is Giving Them.*

*How then is it Possible for Man to Protect Himself from such Delusions and Illusions? How can Man Distinguish Between Those Beings who are of The Light and Those who are of Lesser Dimensions? How can a Person who is Channeling Know if the Being that is Communicating through Him or Her is Really What He Claims to Be? How can a Person Receiving Information from a Channeler Know if what He is Receiving is Truth or Not? There are many, many ways of Doing This. Permit Me to Give You a Few of Them.*

*The Messages and Communications will Always Give a Clue. If They are in Accord with the Eternal Truth of Spirit and if They are Applicable to All People and if They Uplift and if They are Presented in Language Easily Understandable to Mankind and if They “Ring True,” as You say, in the Individual’s Heart, Then One Can Safely Assume They Are of Truth.*

*On the Other Side, however, if They Do Not Agree with Eternal Truths and Do Not Apply to All People and Do Not Always Uplift and are Not Presented in Language Understandable to the Average Human and, if They, even a Little Part of Them, Do Not Ring True in the Heart of Hearts of the Individual, Then One Can Safely Assume they Are Not Coming From a True Being of Light. Also if They Ever Generate Feelings of Doubt or Fear or Depression or Unworthiness or Hopelessness, They can be Assumed to be Less Than Truth. Also, if They Speak Only of Personal Matters or Intrude upon Individual Responsibility for making Decisions or give Directives or Advice that Impinge Upon the Free Will of Each Person, then Again it can be Safely Assumed They Are Not of Truth. At Best They may be Forlorn Souls, simply Looking for a Means of Expression on Earth after Passing Through Death. At Worse They May Be Entities or Beings of Darkness, Masquerading as True Light Beings.*

*There are a Number of things those who wish to be True Channels for The Light Can Do to Protect Themselves from Receiving Communication from those who Are Not True Beings of Light. They Must Never Assume that because Their Hearts and Minds Desire to Receive from Beings of Light that What They are Receiving is Really From Them. Most Humans become so Excited and Overwhelmed when They Receive Messages and Communications that They Don’t Bother to Check Any Further into Them. It is of Utmost Importance that Every Channel Constantly Check What is Coming Through Them to See if it Does Agree with Eternal Truths and Does Uplift and Not Depress and is Understandable and*

***isn't Taking from the Free Will of Others and All the rest of the ways of Determining whether it is Truth or Not.***

***It is also of Utmost Importance that Those Who Listen To and Receive From a Channeler Do The Same Things, lest They be Blindly Led in Directions Not of Spirit. Most Important is to Cling to the Precious Gift of Free Will and to the Gift of Individual Responsibility and to Note What One's Heart of Hearts is Feeling and Saying about what is Received.***

***In addition to Examining the Messages and Communications that come through a Channel, it is Equally Important to Examine the Channel Himself or Herself. Does that Person Live the Life of One Who Follows Spirit? Does He or She Exhibit the Ability to Say No to Temptation and to the Invitations of The Dark Side? Does He or She seek Knowledge, Understanding, Wisdom and Spiritual Growth for Himself for Herself? Is that Person Growing Spiritually or Stagnating or Regressing? Does that Person Devote as much or more time to Reading, Study and Receiving the Truths of Spirit for Himself or Herself as He or She does for Channeling for Others? Does that Person Exhibit Signs of Channeling Because of Ego, Desire for Praise and Honor, or Evidence that His or Her Channeling is Only for Financial Gain or Evidence that it is Done to Fulfill the Desires and Needs of the Self? Does that Person Go to Others who Channel Truth for Their Spiritual Food and Insight or Does He or She Rely Only on what is Received by Himself or Herself?***

***These and many, many other questions need to be raised Both by the Channeler and by Those who Receive from a Channeler. Nor should it be Considered Sufficient that These Questions Be Raised and Answered Just Once, for Sad to Say, there are Many Who Begin in Truth but Slowly Allow Ego, Negative Influences and Dark Entities to Gain More and More Control, until the Truth that Once Came Through so Beautifully is Badly Damaged, if Not Totally Destroyed.***

***In these Transition Days Into the New Age of Light on Earth, the Negative Souls, the Negative Beings, the Dark Entities, The Dark Forces are Marshaling All Their Cunning, All Their Wisdom, All Their Powers and are Attempting to Infiltrate and Control Mankind in Every Way Possible with the Same Eagerness and Determination that Those of Light are Looking Forward to the New Age and Seeking Upliftment and Growth in Wisdom and in Spirit. Each One Must Also Be On Guard Against Those Beings and Forces That Are of The Dark, for They Know the New Age Will Bring An End to Their Power, Control and Existence. In This Age it is Not Enough to have Good Intent and Desire. IT IS NECESSARY TO HAVE SHARP AND KEEN DISCERNMENT AND TO USE IT EVERY DAY! It is Necessary to go Forward in Spirit, Seeking Truth and Wisdom and Growth but Also Be On Guard Against Those who Would Steal the Prize of Truth Before It Is Fully Attained.***

***I Bless You, My Chela, and All those who Shall Receive and Abide by These Words.  
I AM El Morya.***

Thank You Dear Lord El Morya.
