## **Sirian Crystal Mysteries**

### **The Rest of The Story**

When Zim asked the Masters what Connection there was, if any, Between Marrianna's Original Sirian Crystal and Various Places Such As: **Planet Maldek, Lemuria, Atlantis, Egypt and the Sphinx, the following Information Was Received.**

### **The Planet Maldek**

#### **The Masters Through Zim**

*Your Spouse was one of the Foremost Leaders That Volunteered to go to Maldek, to Carry Special Powers and Wisdoms that Could be Used by the Maldekians for Good or Bad, as Their Free Will decided. On Maldek, She Stroved to Show How the Wisdoms and Powers of the Crystal She Carried Could be of the Greatest Blessing to the People and the Planet.*

*Maldek was a Rather Barren Planet when First Inhabited. Part of the Power and Wisdom of the Crystals that Many of the First Settlers, so to Speak, Carried Was the Ability to Create New Plants, Animals, Organisms, Insects and Beings of All Kinds That Would Make Maldek a More Habitable and Pleasant Place to Live in.*

*The Crystals also Contained the Essences and Energies Necessary to Provide a Very Easy, Peaceful and Pleasant Life For the Inhabitants, if They Wished it That Way. They were Able To Create Fuels of Many Kinds to Provide Light, Heat, Energy, Health, Wisdom, Education, Skills of All Kinds. Unfortunately a Few and then More and More on Maldek, Found that the Crystals Could Also be Used to Gain Control, Power and Influence Over Other Settlers and Volunteers from Sirius and from Other Systems and Galaxies. As Those Few Gained Further Control on the Planet They Found They Could Duplicate the Original Crystals in Most Respects. The Duplicated Crystals Were Somewhat Akin to What You Now Call Fake Diamonds. They Look, Feel and React Very Much like Original Diamonds but Yet Are Not and When Closely Compared, They Cannot Do The Same Things the Original Ones Can Do. So it was with the Crystals of Sirius among the Maldekians. They were Very Similar in Many Respects but Lacked the Same Integrity, the Same Wholesomeness, the Same Ideals of Light that the Original Ones Carried.*

*The Net Result was that the Original Leaders of the Volunteer Settlers on Maldek, including Your Spouse, Were Encouraged To Leave the Planet and to Allow Those Who Sought the Power and Influence They Had, to Gain Complete Control. In the End They So Misused the Powers and Wisdoms that Were Originally Brought to Maldek that the Planet Could No longer Stand Up Under Their Onslaught and Collapsed as when an Explosion Destroys the Core of a Building Upon Earth. By that Time the Original, Faithful Leaders with the Real Crystals Were Long Gone and Safe in Other Assignments and Positions.*

Thank You Dear Masters.

## **Lemuria – Atlantis – Egypt**

### **The Masters Through Zim**

*Lemuria was Similar to the Planet Maldek Except It Was a Colonization by Volunteers on a Part of the Earth Many Eons Ago. The Same is True of Atlantis and to Some Extent of Egypt as well. The Difference with Egypt was the Volunteer Settlers, Including Your Spouse, Were Joined by Humans For The First Time. That is, Beings That First Originated on Earth in the First Incarnation In Any Society. It Was The Beginning of The Greatest Experiment That Earth Has Been Involved With, The Joining of Beings of Light, Such As Your Spouse And Many Others, With Beings of Humanity And of Lower Dimensionalities. The Experiment was Simply To See if Human Beings Could Rise in Evolutionary Paths to Become Beings of Light. At this Point in Time, it Appears the Experiment Will Be a Success, For a Goodly Number of those Humans Have Indeed Opened Into the Light and Risen Above The Humanness and Limitness of Earthly Incarnation.* Thank You Dear Masters.

## **The Sphinx**

### **The Masters Through Zim**

*The Sphinx Does Carry Some of the Great Wisdoms, Powers, Energies and Gifts that were Carried by the Original Sirian Crystals. They Will Not Be Found, however, On Tablets, Writings or Encodements In or Around The Statue Called the Sphinx. They are Carried Within the Sphinx Itself. They can be Obtained through Diligent Meditation in the Presence of the Sphinx, Merging with the Sphinx in Spirit and on Mental and Emotional Levels. In other words, the Sphinx Carries those Wisdoms and Gifts and Shares Them with Those Who Have Been Deemed by Spirit to Have That Kind of Intent, Ability and Determination to Properly Use and Share Them For The Benefit of Mankind.*

*It is Not Without Purpose that the Great Statue in Egypt Has Been Named the Sphinx, For It Is Indeed a Conundrum (Mystery) That Few Will Ever Solve. It Stands in Silence to Almost All That Would Solve Her Mysteries. Only a Few, Very, Very Few, Will Ever Be Granted The Wisdom, Perseverance and Strength of Mind and Heart to Delve Into Her Mysteries. When Earth is Ready, Those Very Few Will Be There To Lead The Way By Sharing What The Sphinx Knows and Conceals and Holds For the Future Blessing of All Inhabitants On Earth.*

Thank You Dear Masters.

## **The Original Sirian Crystal's**

### **Connection To The Sphinx**

#### **The Masters Through Zim**

*Some of Those who were the Original Settler Volunteers on Maldek, Those who Carried the Sacred Crystals from Sirius, were Directed To Earth to the Area of Egypt. They were Instructed to Conceal the Existence of the Crystals, and What They Could Do, From the People of Earth, From Both Light Beings and Human Beings. Nevertheless, so that the*

*Blessings and Gifts of Those Crystals Would Not Be Eternally Lost, the Wisdoms, Energies and Powers of the Crystals were Merged with the Consciousness of the Sphinx Statue When It Was Created. Not All the Wisdoms and Energies of the Crystals Could Be Given Into The Sphinx's Psychic Beingness, for No Physical Being Could Contain It All. Nevertheless, the Major Part, All That Could Be Contained By The Sphinx, was Shared. It is, as I have Mentioned, There For Those Few Who Will One Day Be Given the Intent, Determination and Ability to Obtain it From the Sphinx Through Meditation and Telepathy.*

Thank You Dear Masters.

## **Are The Original Sirian Crystals Connected To Anything Else? The Masters Through Zim**

*The Wisdoms, Powers, Energies and Gifts of the Original Sirian Crystals are Partially Contained in All That Exists Upon Earth, with the Exception of the Powers and Forces of Darkness and Negativity. In Every Physical Aspect of Earth, Every Level of Consciousness, Every Dimension the Earth is Capable of Bearing, Everything That Contains Even the Smallest Element of Godness, of Light, of Divinity, there is some of the Crystals' Power, Wisdom and Energy. It is Not Lost But Remains in the Smallest Respect in Everything.*

*A Major Part of Their Powers Remain with the Sphinx. Some Has Been Returned to Sirius to be Held In Trust for that Time When Mankind, both Beings of Light and Beings of Humanity, Will Be Able To Use and Benefit From It. Needless to say, That Is Far In The Future, for after Mankind Learns To See and Accept the Benefit from the Parts that are Contained in the Things of Earth and far after Those Major Parts Have Been Received From the Sphinx, Only Then, When All Beings on Earth and Earth Herself Are Very, Very Near to, Complete Lighthood, will the Final Parts of the Crystals' Powers, Wisdom and Gifts Be Shared with Earth and its Beings. Thank You Dear Masters.*

## **Is It To Our Highest Good To Reconnect With The Crystals? The Masters Through Zim**

*It is, Indeed, to the Highest Good of Everyone of Light, Every Being, Every Thing and of Earth Herself, to Reconnect with the Crystals. Know, However, that this Reconnection is to a Complete Regaining of All The Power, Gifts and Energy of the Crystals. As Explained Earlier, That Is not Possible At This Time. The Reconnection, is Simply the Redirection of Beings' Minds and Spirits to, What You Call, The Light. This is the First and Longest Step in The Process.*

*There are Many Ways of Reconnecting with the Crystals. Ceremony is Almost Always Necessary for the Earthly Part of Beings. Spirit Doesn't Dictate Nor Have Preferences Regarding Such Ceremony. Whatever is Pleasing, Appealing and Impressive to Earth Beings Will Serve. To Many, Including Your Spouse, Have Been Given Great Ability To Devise*

*Ceremony of Great Interest and Impressiveness to the Psyche and Consciousnesses of Beings Upon Earth. Let Them Use this Ability as They Bring it Forth and There Will Be Blessing and Reconnection.*

*It Is To Be Noted Most Carefully, However, that Such Reconnection is Only the Very First Step in Full Reconnection With ALL the Powers and Gifts of the Crystals. Full Reconnection Is Not Possible At This Time As Explained Before. Nevertheless the Partial Reconnection That Is Available Will Bring Much Blessing to Earth Beings For It Means Additional Opening to The Light, Additional Progress on the Pathway Back to The Heart of The God of All.*

Thank You Dear Masters.

## **Aspects of The Original Sirian Crystals The Masters Through Zim**

*In the Beginning, All the Original Sirian Crystals were Used as Positive Communication Devices. Some were Used to Communicate Directly with the Mother Sirian Command Ship. This Allowed Access to the Great Master Computer that Housed Advanced Technology and Knowledge and Connected the Individuals with Those Particular Crystals to Access the GREATER HALLS OF RECORDS. There was No Other Way to Access these Records on the Earth Plane.*

*The Original Crystals Carried Certain Powers, Strengths, Energies and Gifts that are Connected to the Energies and Powers of the Chakras. Not All Original Crystals Carried the Exact Same Powers and Gifts. There was a Variety of Them With Many Different Powers and Gifts, Simply Because the Volunteers to Maldek Needed a Variety of Such Powers and Gifts. It was the Hope and Intent of the Sirians that by Blending of Those Powers and Gifts, a Truly Great and Truly Light Society Could Be Established and Maintained Upon Maldek. Thus They gave Crystals with All Manner of Positive Powers and Gifts to Individuals With the Intent They All Should Share With Everyone and So Everything Necessary and Needed Would Be Available to the Inhabitants of Maldek.*

*What Those Who Sought Replicas Thought was that the Original Crystals Made The Carriers of Them More Important, More Powerful and a Higher Station in Life Than Others. Such a Concept is of Human Origin and is Based on Limitation and Duality Concepts and Precepts. That Was Not The Situation At All. Those Who Were Chosen to Carry the Original Crystals Were Merely Those Who Were Considered the Most Reliable in Caring for Them. Some Were of Very High Station on Sirius and Maldek and at First on Earth while Others were Not of High Station in the Human but had Shown and Were Known for Their Ability to Carry Through on Duties and Assignments Given Them, They Were the Ones Who Had Shown Themselves To Be Most Reliable in Following the Lead of Spirit.*

Thank You Masters.

# **Formal Planetary Request Ceremony**

## **The Masters Through Zim**

During November 1996, Zim and I Conducted a Formal, “Planetary Request Ceremony.” In it a Request to Spirit was Made Asking For the Re-Patterning of All the Original Sirian Crystals that Came From the Star Sirius to Assist Humanity. This Request Included, But Was Not Limited To, the Sirians who Volunteered to Go to Planet Maldek in 278,000 BC and the Sirian Volunteers who Came to Earth in 65,000 BC. Among the Thousands who Volunteered for These Two Projects, the Warrior Priestess, Eagle Priestess Clans and Many Other Clans as well Were Represented.

**We Then Asked the Masters the Following Question: Besides the Planetary Re-Patterning, which We Did on the Original Sirian Crystals, What Else Could We Do To Begin to Use the Crystals As Intended? We Received the Following in Reply.**

*The Re-Patterning Was Not a Physical Changing of the Crystals, Nor of Their Properties, Their Wisdom, Powers, Energies and the Like. It was in the Way of a Notice to All Concerned, All Gods, Spirits, Angels, Beings, Masters, Human, Every Being and Thing, That the Original Intent and Blessings of the Crystals was Being Returned To Them. Thus the Re-Patterning Was the First Step in This Process, For it Is Indeed a Process and Not a ONE TIME Activity that Immediately and Completely Changes Them Back to Their Original Pristine Purity. Like the Beings on Earth and Like the Planets Themselves, Return to Pristine Purity Occurs in Steps and Stages and Generally Requires Long Periods of Time, as Calculated by Earth Beings.*

*Know that, Step by Step, the Crystals will be Restored With All Their Original Power and Gifts but It Will Not Be for Much Time in Earth Years. When Earth Herself and the Beings on it Become a Light Planet and Light Beings, All of Them, It Will Be Completed and Not Before Then.*

*Your Role in Restoration of the Crystals Is Clear. Continue Carrying Out Your Contracts, One By One, for as Long as You are Incarnate. Each Time You Clear One’s Akashic Records, Remove Implants, Assist in Merging Parallel Lives and All the Other Things You Do, You Are Helping to Restore and Re-Pattern Completely the Crystals of Sirius. You Are Not Alone In This, for Every Light Being on Earth, with the Assistance of All The Light Beings on Other Dimensions that Serve, Assist, Support and Walk Their Pathway Back to The God of All, Are Doing The Same Thing. The Sum Total of All That All These Beings Do Will Result in Complete and Total Reconstruction, Re-Patterning and Restoring of the Original Powers, Abilities, Energies and Gifts of the Crystals.*

*What You are Doing Is Restoring and Reconnecting Them to their Carriers. Through Each Carrier the Crystals will Exert Their Power, Influence and Gifts Upon the Beings of Earth Until Finally There Will Be Perfection in the Crystals, in the Service They Provide and in the Beings that Carry Them and That Are Assisted Through Them.*

Thank You Masters.

## **Different Kinds of Volunteers From Sirius The Masters Through Zim**

### **Volunteers with an Original Sirian Crystal.**

#### **Volunteers on Special Assignment.**

These were given Special Expertise, Knowledge and Powers to Support Those who Carried the Original Crystals.

### **Volunteers with Contaminated Original Crystals and One Replica Crystal.**

These Were Forced to Allow their Original Crystals To Be Used to Make Replicas.

### **Volunteers with Contaminated Original Crystals and Two Replica Crystals.**

These Willingly Asked To Have Their Original Crystals Used in Making Replicas.

Thank You Dear Masters.

## **Volunteers With Original Sirian Crystals The Masters Through Zim**

**What should be Told to Those with Original Sirian Crystals that would be for Their Highest Good?**

*Again, the Best Course is to Simply Share What You Know. Do so with Joy and Clarity and Honesty. It is Not For You To Decide What To Share and What Not to Share with Them It Is For Them To Decide How and When and in What Manner They Will Use the Information You Give Them. You Will Find that Most, if Not All, Those Who Have Original Crystals are Light Beings and Well Along Their Pathway of Light Back to The Heart of The God of All. Urge Them to Continue On Their Pathway and Above All, To Share What They Have With All Around Them. This is the Basic Course For All Light Beings. Proceed Along the Pathway and Share What One Learns and Knows.*

*The Knowledge That They Have, or In Some Cases Had, Original Crystals Will Give Great Encouragement and Strength and Determination To Those Ones. It is, of course, Up To Their Own Free Choice and Will, Whether They Will Use It To Motivate Themselves or To Become Puffed Up with the Knowledge and So Regress on the Pathway. That is Not Up To You, It Is Up to Them.*

Thank You Dear Masters.

# Volunteers On Special Assignment

## The Masters Through Zim

**What can Marrianna Tell Others who Came with Her from Sirius, that Do Not Have Original Crystals or Replicas?**

*In most Cases and Situations there is No Need to Tell Them Anything. It is Only For Those Who Feel Left Out or Slighted because they Carried No Crystals, that a Comment May Be Helpful. There are Many Reasons why All from Sirius Did Not Carry Crystals with Them. One Reason is That There Was No Need for Crystals for Everyone. Sufficient Power and Energy and Wisdom Were Contained in Sufficient Crystals that were Carried by Some of Those from Sirius. There was No Need for Any More. Another Reason is that Some Colonists Were Not Sufficiently Advanced, Spiritually, to be Entrusted with a Crystal. That Is Not to Say They Were No Good or Evil or Some Such Foolishness. It Simply was the Same with Them As it is Now on Earth and Upon All the Other Planets that are Inhabited. Not Everyone Has The Same Gifts, Talents and Abilities. Each Individual Proceeds Along the Pathway Back to Wisdom, Understanding, Balancing and All the Other Parts and Pieces of Evolution and Progress Back to God. No Place or Speed or Success is Good or Bad in Itself. It's Just The Way It Is and That Way Is Always Perfect.*

*Still Another Reason Why Some Did Not Carry Crystals with Them Is That They Were Needed For Other Purposes and Tasks. It is a Tremendous Undertaking for a Great Host of People to be Transplanted to a New Planet or Universe. It is No Different Than Trying to Move a Great Number of People from One Land to Another on Earth. Not Everyone Can Carry All the Wisdom, All the Knowledge, All the Things of Substance, and All the Food and Drink that is Needed. Each One Has a Task, an Assignment, so to Speak. So it was for Those Sirius Settlers to Maldek and Later to Earth. Each One was Entrusted with Certain Responsibilities and Duties. Some Were given the Crystals to Carry and Use. Others Received Assignments Regarding the Shift Necessary in Mental Abilities and Capabilities, Others Regarding Physical Needs and Desires, Others Regarding Emotional and Spiritual Needs and Desires and Wants. All Were Needed in One Way or Another.*

*The Ones on Special Assignment were in Supportive Roles Desirous of Providing Whatever Service They Were Called Upon To Give. They Provided a Host of Services of All Kinds and for Various Periods of Time. The Way it was Decided What They Should Do was By Determining What Their Own Greatest Needs Were. The Service Then was Designed, Not Only to Provide Assistance and Support to the Caretakers of the Original Sirian Crystals and to the Others Upon the Planet but Also to Assist Each Individual to Meet His or Her Own Needs, Learn Their Lessons and Grow Along Whatever Pathway was for Their Highest Good.*

*It was Among These Support Volunteers that Some Came To Resent the Caretakers of the Original Crystals. They Wanted the Same Influence, Power, Wisdom and Gifts that the Crystals Carried.*

*Incidentally, Each of the Groups of Volunteers had a little Different Assignment. For Example, One Might Be Responsible for Instructing Children, and Others for Assisting New Volunteers from Sirius and from Other Places. Still Another Group to Provide Structure in*

*Society on Maldek and others to Provide the Wisdoms Necessary to Exist on that Planet, such as Provision of Food, Protection from Elements, Transportation and the Like. Thank You Masters.*

## **Do the Volunteers on Special Assignment Have Any Type of Protection from The Dark Forces? The Masters Through Zim**

*Every Being of Every Nature, Universe, Planet and System of All Ages Has Protection from Dark and Lightless Energies and Forces. Such Protection Comes in All Manner of Forms and Shapes and Colors. For Some it is the Protection of what You call Angels. For Others it is the Protection of Child-Like Innocence. For Others it is the Protection of what You call Common Sense. For Others it is a Mind that Delves Deeply Into Things of Spirit and Figures out What is to the Highest Benefit and What Is Not. To still Others it is the Special Protections that come from Requests to Spirit for Shields, Coverings, Guards and the Like. Protection from Dark and Negative Energies is Available To Every Being on Every Dimension. If an Individual Seeks It, He or She Will Find It and Be Protected. If the Individual Does Not Seek it or Want it, There Will Be No Protection. It is a Part of the Free Will that Was Granted to All Beings by The Father Source of All.*

*This is Not To Say that Those of Wisdom and Enlightenment Cannot and Should Not Encourage and Assist Others in Seeking and Gaining Protection. Individual Discernment Can and Does Protect and Yet Special Protection For Those Who Are Progressing on the Pathway and Especially for Those Who Are Lighting the Way on the Pathway, is Always In Order and is Available, Such As When Your Spouse Requests Shields and Coverings of Protection For Those Who Request And Seek Them.*

*I seem to Hear The Belief That the Crystals Offered Some Form of Protection to Those Who Carried Them. This Was Not Directly The Case At All. The Crystals Themselves Did Not Protect but the Wisdom, Energies and Powers They Contained Enabled Those Who Carried Them and Who Knew How to Appropriately Use Them, to Gain Protection When, and If, They felt it Necessary. Incidentally, the Power, Wisdom and Energy of the Crystals was Available Not Just to Those Who Carried Them but to All The People. They Merely Had to Ask of Spirit and Those Benefits and Blessings were Theirs.*

Thank You Dear Masters.

## **Volunteers With Contaminated Original Sirian Crystals and Replicas The Masters Through Zim**

*Those Beings, who Sought Additional Power and Influence and Energies and Gifts by Corrupting Their Original Sirian Crystals by Adding Replicas, Are To Be Pitied Rather Than Scorned or Condemned. They Had All The Power and Energy and Gifts They Could Utilize with Their Limited Bodies and Minds and Beingnesses, Yet They Craved More, More Than They Themselves Knew Was For Their Own and Others' Highest Good. They Sold the Use of*

*Their Precious Crystals to Others in the Futile Hope of Gaining More. They Did Get Replicas that Were Very Similar To The Originals But With it They Lost the Pristine Purity They Once Had. They Thought They Were Getting More Power and Gifts and, Indeed, They Were But They Were Powers and Gifts of Lesser Light, of Grayness and of Darkness. They Lost the Protection That the Original Crystals Carried With Them and Thus Opened Themselves to Entry By Forces and Energies That Were Contaminated with Lesser Truth, Lesser Purity and Lesser Intent to Serve The God of All.*

*These Individuals, and There Are Not Very Many Compared with Those Who Retained Their Purity or Purpose and Strength With the Original Crystals, are Now Flailing About In Life, Seeking the Power, Purity and Influence which They Once Had. Even though They Have Gone through Many, Many Incarnations, They Still Have the Inner Silent Knowing of What It Was Like and What it was They had Lost. That Knowledge is Not Clear or Even Understood or Known By Them in Their Present Incarnation. It is Only the Merest of Feelings and Understandings That Are Deep Within the Subconscious and Rarely make even the Smallest Impression on the Consciousness of These People. Yet it is There and so They Are Among the Most Desperate of People Now. They Know Much is Wrong, as You Say on Earth, But Don't Really Know What It Is or How To Fix It.*

*What Can Be Done For Them by Others on Earth is Limited. The Best Course is to Be Open and Frank With Them. Explain to Them About the Crystals and About the Weaknesses That Led Some to Barter Away the Use of Their Precious Original Crystals. Explain How That Opened the Doorways and Portals of Their Beingness to Lesser Light, Lesser Truth and, Indeed, to Grayness and Darkness. The Forces of Darkness Come in a Myriad of Forms and Faces, so Many That It Is Impossible for Earth Beings to Recognize and Acknowledge All of Them. Be Thus Open and Frank with Them. Tell Them What Spirit has Revealed to You of the Crystals, the Misuse of Them and the Results of That Misuse, Including the Eventual Destruction of Maldek Itself.*

Thank You Dear Masters.

## **E. T. ABDUCTION**

### **Archangel Raphael Through Zim**

**In All the Akashic Record Reading and Clearing Marrianna has done, Only People with Replicas Have Ever Mentioned Any Connection with ET's, such as Being Abducted, Hearing Voices Talking in Their Heads, etc. Consequently She asked the Following: Please Explain the Connection Between the Replicas and ET Abductions.**

*One of the Purposes of ET Abductions is to Learn Everything Possible About Earth Beings. Since Some Earth Beings have Replicas, or at Least Remnants of Replicas, Within Themselves, the ET's are Interested in Learning Everything They Can About Them. The Easiest Way for the ET's to Learn This is by Abducting Some who Have Replicas and Studying Them at First Hand, so to Speak. There is No Other Connection or Rationale for Such Abductions That I Have Been Made Aware of At This Time. Thank You Dear Raphael.*

**The Masters Describe Some of the Negative Behaviors and Traumas that Replicas are Causing People Today.**

*Some of the Results of Having a Replica Are Feelings of Being Overburdened, Controlled, Ruled, and Directed To Do What One Does Not Want To Do. There is at Times Pain Associated with These Results, Aches and Soreness That Have No Physical Explanation. There is, in some Few Cases, Extreme Paranoia, Feeling and Acting and Talking in Opposites as with Two or More Minds and Emotions. All the Symptoms Associated With Mental Illness Can Be Found in These Ones, Although Not In All and Usually Not To Such a Great Degree in Any.*

*Where there is a True and Certain Intent and an Honest Request for Assistance from the Masters and From Spirit and From Any of His or Her Hosts, There Will Be Success. It Cannot Be Otherwise.*

**Marrianna Asked the following Questions: What is the Best Information that Can be Given to Those Volunteers who Willingly Obtained Replicas? What Should Be Said to Them About How and Why They were Obtained? What Should be Said to Those Volunteers Who Were Forced to Accept Replicas?**

*With All these, There is Only One Course Open To You. That is to Share What You Know With Them. Spirit Has Given You This Knowledge for Your Benefit but Also For Their Benefit. It Would Not Do For You To Keep Your Wisdom In This Matter To Yourself. It Would Be a False Caring to Keep This Information From Them Just Because You Thought They Might Be Hurt, Chagrined, Dismayed or Because They Might Not Believe What You Tell Them.*

*Those Who Willingly Gave Up the Use of Their Original Crystals and Those Who Willingly Received the Replicas, Have That Much More Karma To Endure and Erase. Those Who Were Forced To Receive Replicas Have Lesser Karma. They Still Have Some But Only In So Far As They Put Themselves Into a Position in the Past in Which They Could Be Forced to Accept a Replica. It is as one in your present day who Walks About in Darkness in Areas of Crime and Mischief and Then is Forced to Give Up His or Her Money or Vehicle. They Were Forced To Do So But They Were Not Wholly Blameless in the Matter Either.*

Thank You Dear Masters.

## **How To Assist Ones With Replica(s) The Masters Through Zim**

When Marrianna asked the Masters How She Could Assist Those with Replicas to Free Themselves, She was Given a Replica Removal Process to Use. She was Told to Create a Ceremony in which She Would Be a **Bridge of Light** for Those who Came to Her. This Process was Designed to Assist in Removing the Replicas(s), Their Effects and Control of the Contaminated Original Sirian Crystals. *It was Made Clear, However, that the Intent To Be Healed Was Totally The Responsibility of Those Who Had the Replica(s) and Contaminated Original Crystals.* In addition, Spirit suggested She share the Following:

*Remind These Ones of the Violet Flame that was Given to Earth Beings for Forgiveness and Protection. Remind Them of the Sword of Michael that Ever Stands Upright and Alert to Protect from Evil and Darkness. Remind Them of the Power of the Electronic*

***Light Substance. Remind Them that Spirit, Through Your Akashic Record Reading and Clearing Process Will Give Them Shields, Many, Massive Shields for Protection and Finally Remind Them That All the Known Implants, Imprints, Forces and Properties of Evil and Darkness and Negativity Will Be Collared and Subjected and Sent to the Light of Divine Love Through the Replica Removal Process and All the Clearing Sessions.***

***Remind Them of All These Things and Then Advise Them To Do as Sananda has so Often Invited. Let Them Consciously and with Certainty and Greatest Intent, Lay the Wounds, Their Aches of Body, Mind and Emotions and Spirit and Let Them Place Their Terrors and Fears and All The Evils, Darknesses and Negativities That Still Afflict Them, In The Loving and All Consuming Hands of Lord Jesus, Master Sananda, Each and Every Night. Urge Them to Consign All These Negativities Into His Care. Allow Him to Handle Them, Deal with Them and Carry Them For The Nighttime, so That Peaceful, Tranquil and Refreshing Sleep Can Restore Each One, Each Night.***

***In the Morning Let Each One Open His or Her Heart to the Lord Jesus, Master Sananda, with Love and Say to Him, "I Am Ready To Receive All The Burdens, Problems, Evils and Darknesses That You Deem Appropriate For Me This Day. I Know You Will Not Give Me More Than I Can Learn From and Handle With My Earth Beingness."***

***Reassure Them that Lord Jesus, Master Sananda, Will Not Place More Upon Them Than They Can Handle and, In Time, There Will Be Less and Less for Each One To Carry. In Time There Will Be No More!***

Thank You Dear Masters.

## **Is There Something I Have Missed? The Masters Through Zim**

**Marrianna was concerned that Some People Feel They are Under Attack, Controlled by an Outside Force or Heard Negative Voices Dictating to Them. She Asked, "Is there is Something I Have Missed? If so, will You Please Identify it?"**

***She Has Not Missed Anything that Spirit has Wanted Her To Have. Spirit has Broadened and Deepened Her Knowledge and Understanding of the Things of Darkness and Negativity Far Beyond What Most Who Read and Clear Have Received. What She Has Done, the Clearing, Protections and Services She has Rendered, are in Absolute Perfection For This Time and for Every One of Those Who Have Come To Her. What She is Fretting About are Those Few Individuals that have, in the Past, Compromised Their Integrity and Now the Karma of that Remains to be Served and Cleared. Each Time They Are Overwhelmed by the Feeling of Being Controlled, Know That Their Resistance and Opposition to Such Feelings are Gaining Ground. They Are Winning the Battle with These Forces and Energies that Want to Continue to Control Them.***

***Actually, All that has Happened is that Their Own Past Life Desire for Influence, Power and Greater Energies and Gifts is Coming Back To Them. It is Their Own Beingnesses that are Seeking to Control and Rule and Dictate To Them Again, As It Did In The Past. They are Literally Speaking To Themselves Without Being Aware Of It. The Only Protection From***

*This is Knowledge and Understanding of What They Were and What They Did and What the Results Were. As they Gain that Knowledge, They Will Quickly Learn To Shut Off Those Voices and Feelings that Rise Within Themselves. With the Help of Lord Jesus, Master Sananda, They Will Soon Be Freed From Them. Some in a Very Short Period of Time and Others, who Perhaps Find It More Difficult to Believe and Understand What Happened in Their Past, a little more Time, but None Will Continue To Be Burdened With Them For Very Long, just As Long as Their Intent Is Pure and Their Trust in Lord Jesus, Master Sananda, is in Place.*

Thank You Dear Masters.
