

Explanations of Some of The Positive Influences

Explanations of The Three Major Blessings Lord Jesus, Master Sananda Through Zim

I AM Sananda and will Gladly Give You a Message That can be Relayed to Anyone of Spiritual Understand and Awareness. I will Speak for a little about the Third Blessing as You call it.

*First, However, let Us Review and Remind Ourselves of the Earlier Blessings that have come to Many Upon Earth. The God of All Has and Will Continue to Shower Blessings of All Manner, Shape and Form Upon Every Being that is Incarnate upon Earth. We Speak here, However, of the **Three Major Blessings** that are Available to All as They Walk the Pathway of Light.*

*The **FIRST BLESSING** Has Been Given by The Father of All Things to All Beings that have been Incarnate Upon Earth. It is, in a way, a General Blessing that Enables the Beings of Earth to See Small Glimpses of Their Former Glory and Position Before Becoming Incarnate. The Cornerstone of that Earlier Position is the Reality of Oneness With The Creator God of All. In Higher and Other Dimensions There are None That Are Not Fully Aware of This Oneness, This Wholeness with All That Is Divine and All That Is Created From and Out of The Divine. All Beings, Great and Small in All Other Dimensions Besides The Third Dimension are Aware of This. They Revel in It. Rejoice in It. Bathe Their Spirits, Souls and Beings in It.*

As You Know, However, When These Beings Choose to Become Incarnate There is a Veiling That Takes Place Over This Knowledge. It is a Veiling that Protects the Incarnate Being so that He or She Might Better Learn the Lessons of Incarnation, Lessons, such as Limitation, Duality and the Like. If Full Knowledge and Awareness of Divinity and Wholeness and Oneness With The God of All were to Remain in the Consciousness of Incarnate Beings, They Would Not Be in a Position to See, Receive, Learn and Accept the Lessons of Incarnation. They would be Meaningless to Them. The Veiling, Therefore, Protects Them on the Third Dimension so They can Learn Their Lessons and so Pass Through the Experience of Third Dimensionality.

*Nevertheless, It Would Not Be of The Divine's Intention that Incarnate Beings Should Not Ever Return to Their Former Glory and Position, Therefore, it was Decided in His Infinite Mercy and Unconditional Love to Open the Doorway, so to Speak, Just a Little, so that Every, Yes, Every Being Might Sooner or Later Become Aware of Oneness, Wholeness and Divinity With The God of All, Just as it Was Before Incarnation. This is the **FIRST BLESSING**. It is Allowing the Veils to Part Enough so that Every Being Might Eventually See and Accept His or Her Oneness with The Divine. Every Being Has It Before Reincarnation Takes Place. It is Universal.*

*The **SECOND BLESSING** Comes When The Individual Peers Through the Parted Veil and Sees His Divinity and, Above All, Accepts it as True, Real and Undeniably There. This Acceptance Doesn't Always Come Quickly or Easily. Many Individuals Go Through*

Incarnation After Incarnation Before They Finally Realize That What They Glimpse Through the Parted Veil is Really and Truly There, Really and Truly Theirs. It is, After All, a Truly Monstrous and Magnificent Thing for an Incarnate Being to Believe He or She is Truly, Yes, Truly Divine, Truly Whole With All That is Divine and Truly One With The God of All. Usually this Awareness and Acceptance Doesn't Come Until the Lessons of Earth have been Pretty Well Received, Learned and Benefited from. That is Not To Say They Have To Be Totally Learned and Understood and Accepted but a Good Deal of Awareness and Understanding of Third Dimensionality Has to Occur Before Most Individuals Will Dare to Look Through the Parted Veil and Then Accept What He Sees There.

When the Individual does This, the SECOND BLESSING is Bestowed. In terms of Earthly Wording, It Means All the Power Points, the Chakras, You call Them, are Opened Fully, Provided the Individual Allows it. In This As In All Other Things, The God of All Never Goes Against The Free Will and Choice of the Individual. When, However, this Does Occur, All Manner of Wondrous Things Begin To Happen.

The Awareness of Divinity, Oneness and Wholeness becomes More and More Clear, More and More Obvious to the Individual. He or She Begins To See All Things as Divine. He or She Begins To See The God of All in Everything, in Animate and Inanimate Things as Well as in Actions and Reactions, Thoughts, Ideas, Dreams, Gifts, Talents ... Yes, in Everything! The Individual is Able, If He or She Wants it, To Receive Gifts of Knowing, Understanding, Wisdom and Knowledge Directly From Spirit and From All Higher Spiritual Beings, Teachers, Guides and Ascended Masters. Discernment Begins to Sharpen and Become More Certain and Sure. Inner Knowing Becomes More and More Automatic. The Individual Just Knows What Spirit Wants and Intends. The Willingness to Follow Spirit In All Things Becomes Easier and Easier and More and More Complete. In Short, the Individual Who Has Received the SECOND BLESSING is Well on the Pathway Back to The Heart of The God of All. He or She is Truly a Light Person, Being and Worker. His or Her Light Shines Quite Clearly and Is Obvious to Others Who May Just Be Awakening to True Spirituality.

The THIRD BLESSING Builds upon the First and Second Ones. As the Individual Continues on The Pathway of Light, He or She Expands in All the Virtues that are Part of Being Divine, Part of Being in a State of Wholeness and a Part of Being One With The God of All. Not Only is the Intent of the Individual Strengthened but Carrying Out the Intent is More Definite, More Certain, More Sure of Occurring. Not Only Does the Individual Become More and More Aware of Divinity, Oneness and Wholeness, but He or She is More and More Willing to Share What has Come From Spirit in Study, Meditation and Telepathy. The Fears that beset Many Incarnates Regarding Speaking Their Truth, are Conquered, Set Aside and Not Allowed To Interfere with Speaking Creator Truth that has been Given From Above. The Light that Dwells Deep Within Every Incarnate, Long Before the SECOND BLESSING is Given and that Has Grown Brighter and More Powerful as Growth, Awareness and Intention have Increased, Now Becomes a Powerful Beacon That No One Can Miss Seeing. The Example Set in Balancing the Lower Bodies of Man are Clear to All Who Would See Them. The Example of Walking Their Talk, as You Say, Shines Out to Everyone who Takes the Time to Look.

When such Progress has been Accomplished, the THIRD BLESSING is Available to the Individual. It comes Through Those who have Gone Before, the Leaders, Teachers and Guides that Spirit Places upon Earth for the Benefit of All Earthly Beings. It is Given Freely

and Without Condition and Without Reservation, for it Has Been Earned. And if it Should Be That One or Another May Have Only Presented The Shell of Truth, the Facade of Spirituality in Words and Living but Not the Inner Intent, then No Bestowal of the THIRD BLESSING Will Be Effective. Reception of the THIRD BLESSING Cannot Occur, No Matter How Much The Individual May Want It, if True Intent, True Spirituality, True Lightness is Not Within that Individual. You See, Those that Would Presume to Fake Their Spirituality Cannot Carry the Wondrous Weight of the THIRD BLESSING.

I call it a Weight for I Know of No Other Term that Might Describe What Comes With the THIRD BLESSING. It is The Heaviest Weight Imaginable. It is The WEIGHT OF RESPONSIBILITY. Not Only Does The THIRD BLESSING Bring Greater Opening of the Chakras, Including from the Backs of Individuals, Not Only Does it Enable the Individual to Continue Progressing on the Pathway in Every Aspect and in Every Respect, Not Only Does It Give More Certainty, More Sureness to What Comes In Study, Meditation and Telepathy, Not Only Does It Give Greater Strength and Determination to Allow the Light of Life to Shine More Brightly, Not Only Does It Enable the Individual to Set An Even Greater and Purer Example for Others but It Sets That Individual Aside From All Others, Who Have Not the Blessing. It Sets Him or Her Aside As A MASTER.

As in All Things on the Earth Plane, There are Degrees of Mastery. WITH THE THIRD BLESSING, HOWEVER, COMES THE HIGHEST FORM AND DEGREE OF MASTERY POSSIBLE IN THE THIRD DIMENSION! THIS IS THE THIRD BLESSING. It is Given to Those Who Have Earned it By Their Progress on The Pathway. It Brings With It Great Increases in Intent, Determination, Strength, Willingness to Serve, Willingness to Walk the Talk and Willingness to Follow Wherever and Whenever Spirit Indicates.

There is Much More That Could Be Said about the Progress Required to Receive the Blessings You Call Second and Third. I would, However, just Add that the Bestowal of These Blessings are Never Marked With Some Great and Grand Blast of Sound, Color, Feeling or Understanding. They come as All Things Spiritual, in Small, Quiet, Simple Ways much as a Small Stream Wends its Way Across Level Land. It makes Little Fuss or Noise or Explosion but Nevertheless Passes Through, Leaving a Blessing of Coolness, Moisture, Strength and Nurturing All Along the Way. The Bestowal of These Blessings is as Though One Day the Individual Will Awaken and Know It Has Happened The SECOND or The THIRD BLESSING Has Been Given! It is There and Cannot Be Taken Away!

Furthermore, the Bestowal of These Blessings is Not to be Looked Upon as an Ending, a Finishing of the Race or the Trail. They Are Beginnings. They Mark the Start of a New Phase, a New Section, If You will, on the Pathway. It May Not Be the Same For Each One, indeed, It Seldom Is. Nevertheless, Rest Assured, there Will Be New Knowledge, New Strength, New Battles, New Discernment and, Above All, New Successes and Progress on the Pathway. This is the Promise, the Guarantee, of These Blessings.

It is Good, However, that for the Sake of Earth Beings' Humanity that Certain Special Happenings or Ceremonies Should Mark the Gift of These Blessings. They Need Not Be of Great Moment or Great Fanfare but May be Simple. They May Take Place In the Midst of Many or But a Few. They May Be Highly Organized or Without Much Advance Thought. Some such Ceremony, some such Happening, Will Serve, However, to Etch the Knowing, the

Gifts and the Responsibilities of These Blessings in the Human Minds and Hearts of Earth Beings.

Beloved Beings of Light and Love are They who have Traveled the Pathway with Courage, Strength, Determination and True Intent. You Know Who You Are. I and All The Heavenly Host and All The Beings of All Upper Dimensions Know it Also. We Salute You. We Honor You. We Bow Before You.

I AM Sananda and I Speak For All the Host of The Divine God of All in This Matter. I AM Honored to Have Had This Opportunity to Share A Little With You. Peace and Love Past All Understanding to Each of You. I AM Sananda

Thank You Dear Sananda.

The God-Spark Within Lord Jesus, Master Sananda Through Zim

My Beloved Children of Light, You Are Masters. Each and Every One of You are True Masters. What is a Master but One who has Become Proficient in Some Matter. One who is able to Understand and Over Come and Deal with Something that Once Seemed Difficult. Thus You have Many Kinds of Masters on the Earth Plane. But this day I call You Masters Because You Have Mastered Living on the Earth. Many have Fancy Names and Titles for This such as Mastering Limitation, Mastering Duality, Mastering Time, Mastering the Dark and Negative Beings and Forces that Abound on the Earth. In Reality it is All Just One Thing and That Is Mastering Living on Earth. You All Have Mastered That!

So now that You've Mastered Living On Earth, What's Next? Most of You Know Already What's Next. It is Awakening. Awakening to What Is There, What is Real Besides What Seems Real on the Earth. There is No Challenge in what the Earth has for You. You've Mastered All Those Things. But there is challenge in the Awakening that Comes After Earth Mastery. It is Awakening to What You Really and Truly Are and That is Divine.

Many of You Know that when Spirit First Decided to Create Worlds and Universes and People and Animals and All the Rest that You know on Earth, He Put Into Each Living Thing a Spark of Himself. Some People call them God-Sparks. It is a Good Name for Them for Just as a Great Fire Throws off Sparks of Fire, so The Creator God of All, Threw off or Put off From Himself a Spark Into Each And Every Living Thing.

That, My Beloved Ones, Means in Each of You As Well. The Challenge then, After Mastering Earthly Living, is to Identify, Get to Know, Learn About and Appreciate Your God-Spark. It Doesn't Seem Very Difficult at First Glance but the More You Consider It, the More You Dig Into It with Your Minds, Thoughts, Emotions, Feelings and All the Rest of You, the More You Will Begin to Understand How Enormous a Thing It Is To Have a Spark of God Inside You.

I have called Learning About Your God-Spark, a Challenge. It is a Challenge for Several Reasons. One is because There are Many Beings, Entities, Forces that Don't Want You to Identify and Accept Your God-Spark. I call Them The Dark Forces or Dark Side. It is

Their Mission to Do Whatever They can Think of to Dissuade Humans from Seeing and Accepting Their Divinity, Their God-Spark. They Do This Because As Soon As a Person Sees and Accepts His or Her Divinity, He or She Moves Into The Light. In The Light The Dark Side Cannot Have Any Control or Power Over You, Unless You Let Them. Unfortunately Humans Have Through All Their Lifetimes Made Agreements and Contracts with The Dark Side, Usually Without Even Knowing It. These Agreements and Contracts, However, can Easily Be Broken and Made Null and Void, If You Only Ask Spirit With Intent for Assistance. Spirit has given to Mankind Many Methods and Ways of Breaking the Hold of Negative Forces and Releasing Man from Contracts with The Dark Side. You Too Can Be Released and Freed, if You Truly Wish It.

It is Also Challenging to See and Accept Your God-Spark Because Most People Have Been Taught, Trained, Convinced That They Are Worms in the Sight of Spirit. They have Come to Believe They Are, so called, Sinners, that They are Evil, that They are Guilty of Great and Multitudinous Wrong Doing. In Other Words that They are Totally Unworthy of Anything Good, Much Less of Having a Part of God, a Part of the Creator, a God-Spark Inside Themselves. Don't You Believe Them. It Is NOT TRUE.

My Beloved Ones, What I Say is True. I, Lord Jesus, Master Sananda, Assure You It Is True. You can Rely on It, Depend on It, Trust It. You Do Indeed Have a God-Spark Within You. When You Know That, Believe That and Act on That, Then You Are Not Only Masters of Earthly Living but You Are also Coming Into Your Spiritual Mastery as Well.

It Does Not Happen in a Day or Week or Year but Happens As Slowly or As Quickly as You Can Absorb It, Handle the Energy, Handle the Enormity of Having a God-Spark Within.

This is what I Would Have You All Know and Understand. Know You Have a God-Spark Within You. Treasure Your God-Spark! Enjoy It! Revel in It! And Live It!

I Am Sananda.

Thank You Dear Sananda.

Shields of Protection

I have Found that Every Person Requesting a Clearing Has Dropped His or Her Shields of Protection. I Believe the Major Reason for Dropping Shields of Protection is the Fact there are Many Negative Forces that Want to Block the Sirians and Other Light Workers From Bringing Support to Humanity. One Shield is 13 Inches Thick. It Vibrates at D Sharp which is the Same As the Christ Energy. It is Represented by Artists as Halos Around Ascended Master Pictures. Shields are Something You Earn. You Earn One Inch of a Shield Per Lifetime Working for the Creator God. In addition, You Also Gained Spiritual Knowing which is Within the Cellular Being of Your Body. That is the Knowledge that You Can Bring Forth to Assist

Mankind as You Continue to Clear the Negativity in Your Akashic Records. The More You Clear Your Woundedness, the More You Connect to Your Soul Destiny Contract. After Your Records have Been Cleared and the Negative Forces Removed, Spirit Gifts You with Many Shields of Protection, so it is Easier For You to Regain Your Mastery in this Third Dimension.

White Balls of Light

There are White Balls of Light that Spin around the 10th, 11th and 12th Chakras Above Your Head. You Earn These. They can Also Be Given to You by Others and You Can Give Them To Others As Well. A Fourth Dimensional Being can Receive Up to Seven. A Fifth Dimensional Being can Receive Up To 30 White Lites. For 6th Dimensional and Higher Beings the White Balls of Light Turn Blue and are Unlimited in Number. They Open the 13th Through the 17th Chakras.

Once You Consciously Know that You Have Some White Balls of Light, You Can Use Them to Help and Assist Other Beings. The White Balls of Light Hold Any Kind of Positive Charge. They Will Not Hold a Negative Charge. You can Visualize That You Reach Up and Take One In Your Hand, Think of the Individual that Needs Help, Charge The White Balls of Light With What That Person Needs (e.g. Healing, Peace, LOVE, Joy, etc.) and Then Send the White Balls of Light with Your Mental Intent to that Individual. When the White Balls of Light is Received, It Will Spin Around the Chakras and Will Flood His or Her Entire Being with Whatever You Put In It For Up To Nine Hours.

Compassionate Connection

Visualize a Baby Bird with a Broken Wing. You look at the Baby Bird with the Broken Wing and You have Compassion for the Injured Bird. You Reach Out to the Bird with Your Hand to See if There is Something You can Do to Mend the Broken Wing. The Pain, However, Makes the Bird Without Sense, so as You Reach Out to Touch the Wing, it Attacks You and Breaks the Skin and You Bleed. You Suddenly Realize That the Only Way To Heal That Broken Wing is for the Bird to Be Still So It Can Heal Itself. As You Come to This Realization, the Hand of God Reaches Down To the Earth and Places the Bird in a Safe Space and You Walk Away. That is True Compassion. Let Go and Let God!

Enchantments

In Attempting to Understand Why We are Only Able to Encase but Not Remove Enchantments, Spirit had this to Say:

Those that have Enchantments Became Involved in the Choice of the Enchantment. They Followed it. They Created it. So, yes, They will Need to Work Toward Disallowing it, Dissipating it. In a Sense, Changing the Focus of Their Actions So It Can Be Dissipated.

Understand that You can Dissipate the Enchantment Yourself by Reaching Out For a Virtue when Your Enchantment is Triggered or by Placing the Violet Flame of Forgiveness on the Behavior, Thus Disallowing It.

Virtues that I Have Found that Have Been Used in Place of Enchantments Include: Faith, Hope, Charity, Kindness, Devotion, Poverty, Chastity, Duty, Loyalty, Honor, Respect, Honesty, Generosity, Trust and Love.

Positive Implants

Archangel Raphael Through Zim

I AM Your Friend and Companion, Raphael. I come to You to Answer what Your Spouse Requested of You. "Are There such Things as Positive Implants?" Yes, indeed, There Are, but They are What You Call Very Rare and Unusual in Humanity.

You see, an Implant is Designed to take some Measure of Control Over The Person Implanted. The Dark Forces Use This Method Very Frequently in Their Attempt to Control and Feed off Humans on the Earth Plane. Such Implants as Used by The Dark Side Forces Come Upon an Individual Without His or Her Will and Without His or Her Knowledge. They are Inserted in the Bodies of Individuals Where They Will Be Least Likely To Be Noticed and Where They Can Exert the Greatest Measure of Control and Effectiveness. The Legs, which Many of Mankind Scarcely Notice at All, and the Backward Parts of the Body are the Favorite Places for Such Negative Implants. In these Places They are Least Likely to be Noticed.

There are, However, also POSITIVE IMPLANTS. They are Implanted Only with the Consent and Knowledge of the Individual Receiving Them. Never, Ever, will Spirit Make a Positive Implant Without the Clear Knowledge and Understanding of the Human Involved. It Must be Requested and Clearly Desired. Even then, Spirit is Somewhat Reluctant to Make such Implants for They Can Become Crutches and Supports in Ways Never Intended.

It is Fair to Share with You that Positive Implants are More Often Called Agreements, Contracts and Vows. These Terms More Clearly Enable the Humanity of Man to Understand What They Are All About. That is, They are Basically Agreements to Receive and Keep Assistance and Support of a Positive Nature for a Being of Light. They Do Not Feed on the Individual as the Negative Implants Do. They Do Not Control the Individual as the Negative Ones Do. They Only Assist and Support and Give Honor and Strength to the Individual Who Has Requested and Received Them.

It is Also Important To Know that Positive Implants are Never Permanent. They are Automatically Removed when and if the Individual Shows, Consciously or Unconsciously, that He or She No Longer Wants Them. This is so Because of Man's Free Will. If it were Not So, Man's Will Would Not Be Free in Respect to Implants. Thus an Individual Can Request and Receive Positive Support and Assistance Agreements and They Will Remain with that Person Just As Long as He or She Wants Them to Remain. The Moment They Are No Longer Desired, They Are Gone!

Though it is of Interest and Some Concern when Reading Records, as Your Spouse is Now Doing, the Instances of Positive Implants Are Very, Very Rare. Seldom do Those who

Believe They Have Positive Implants Really Have Them. Usually They Have Simply a Promise or Guarantee of Assistance and Support in Some Specific Area of Spiritual Concern. In Their Desire to Be Certain, They Have Imbued These Promises with the Clothing of an Implant. There is No Harm in This. Indeed, it is of Some Blessing, For If It Reassures Man of Spirit's Good Will and Blessing and Promises, It Is For Man's Good, Even Though He May Mislable It.

I AM Raphael.

Thank You Dear Raphael.

Explanation of Some of The Negative Influences

Severed Star Child Contracts

These Involve People Who Had an Extra Soul Come In With Them When They Came Through the Birthing Process. **It's Not a Good or a Bad Thing.** Usually Extra Souls Are from the Sixth to the Eighth Dimensions. The Extra Souls are Positive Beings that came to Support Individuals on Their Soul Journeys. However, Because There Is Such a Low Vibration Level Here on Earth, some of the Extra Souls Turned to The Dark in This Lifetime. So, in 1994 Spirit Removed All Extra Souls. However, Both the Positive and Negative Extra Souls Could Still Influence The People They Came In With, So All The Ties and Connections with Negative Extra Souls Will Be Severed. Thus the Negative Souls Can No Longer Have an Influence or Control over Any Individual.

Male/Female Soul

You can be a Female with a Male Soul or Vice Versa. When I find Anyone who Has a Male Body with a Female Soul or a Female Body with a Male Soul, it Usually Means they are Among the Most Powerful Warriors Who Chose To Have a Soul of the Opposite Sex. That Could Be Why There Are So Many Gay and Lesbian People Now, Because All Humanity Is Moving Back to an Androgynous State. These are the Stronger Warriors that Came Forward and Said They Would Experience All The Ridicule. It Does Give Us An Opportunity To Look at Gay and Lesbian People With A Little Different Perspective.

Mono Souled

Mono Souled just Means You Have One Soul Now and That Is Fine.

Anger Spears Sent and Received

We Dropped our Shields of Protection when We Were In a Battle with The Dark Forces and Were Overcome. It was Like a Psychic Battle. I call it, "Anger Spears Sent and Received." You Worked Very Hard to Earn Your Shields of Protection and Spiritual Knowing and Didn't Just Lose Them For No Good Reason. You Lost Them in a Fierce Battle. We All Did and Now We're Beginning to Remember What We Once Knew Without Effort. I call it Remembering because **There Really Isn't Anything New To Learn. Everybody Already Has Perfect Knowing Inside.** We Just Have Layers and Layers of What I call Garbage Blocking that

Knowing. In our Battles with The Dark Forces We Have Again and Again Made Negative Choices. That's How we Dropped our Shields and Covered up Our Perfect Knowing. That's How We have Caused Our Lives to Go Into a Downward Spiral, Away From the Light and From Spirit. It All Happened as a Result of Our Own Positive and Negative Choices. It was a Positive Choice to come to Earth and to Participate. We Earned the Right to Participate in this Earth Experiment. The Earth Experiment is to see if We Could Come into this Third Dimension with its Low Vibration and Still Be Able to Pull Ourselves Up Out of the Third Dimension and Reclaim the Mastery That Has Always Been Ours. That's What You are Doing by Clearing and Healing Your Akashic Records.

Negative Spirit Guides

These are Called Archdemons. The Dark Forces include, Lesser Demons, Full Demons and Archdemons, to Mention a Few. If You are a Female, in a Female Body and You Have Four Archdemons, it's Very Common To Be Suicidal At Times. It's like the Archdemons are Constantly Whispering All Sorts of Negative Things in Your Ear and You End Up Doing Whatever They've Influenced You To Do. In This Way the Archdemons Can Feed off Your Energy and Vibration and You Go into a Downward Spiral. A Male with Four Archdemons Usually Isn't Influenced As Much As a Female. This May Be Simply Because Males Are Not Normally in Emotional Bodies like Females. Nevertheless the Amount of Influence Archdemons have, Depends on the Individual Since No Two People Are Exactly Alike. **It's Literally a Feeding Frenzy. It is Important to Keep Your Vibration and Energy Levels as High as Possible. The Way To Do This, of Course, Is To Focus on The Light, on Spirit and on Your Mastery. Remember That What You Focus On, You Get More of!**

Lucifer Guides

Lucifer Guides provide Misinformation to an Individual and Often Interfere with Free Will by Occupying a Percentage of the Mental Body. A Lucifer Guide Enters the Mental Body by Presenting Itself to Your Soul While Hiding In a Shell of Compassion. Consequently the Individual Makes Poor Choices and Sometimes Has Faulty Intuition. The Intent of Lucifer Guides is to Turn Individuals Off Their Spiritual Pathway. Those Who Have Lucifer Guides will also be Cleared and Healed Through the Clearing of the Akashic Records.

Shells of Deception, Shells of Protection

These are Not to Our Highest Good. They come From **Super-Universe Six**. Not all Beings from Super-Universe Six are Negative. Super-Universe Six Rotates Counter-Clockwise. Everything Looks Different to Individuals who Come from Super-Universe Six. **The Negative Ones are what I call Self-Servers or Servers to Self. They Seem to Come As a Group. They Have Different Types of Negative Personalities and They Attach Themselves to Individuals.**

Chameleon Changelings

A Chameleon Changeling is like a Person who has a Closet Full of Costumes and Each Day He Would Put On a Different Costume and Then Be That Kind of Person. One Day it Might be the Pope and the Next Day a Hooker. They Don't Care. Individuals Who Have a Chameleon Changeling Often Are Tormented by Questions of Who They Are and What They Are Doing on Earth.

Ooze in The Akashic Records

Ooze in the Akashic Records is like Slime that the Chameleon Changeling Leaves on the Records. It is Something Like the Trail of a Snail on the Sidewalk or Ground. It Makes It Difficult To Read That Person's Akashic Records and, Generally, Messes Up One's Life.

Light Power Imagers

The Light Power Imagers Do Not Have a Very Bright God-Spark. That Means the More Shields You've Earned, the Brighter Your Light Is. It's Sort of Like Looking Up in the Heavens and You See a Star That's Brighter Than the Other Stars, Well, the Ones That Have Earned the Most Shields Are the Ones Who have the Brightest God-Spark. So the Light Power Imagers are Drawn to Them Like a Moth to a Flame. What They Try To Do Is Take the Energy, Take the Light and Use It For Themselves. They Are Not Nice. They Are Also The Ones Who Cause You To Say Things That Later You Wish You Hadn't Said. If this is Always Happening To You, It May Be Because a Light Power Imager has Attached Itself To You in Some Way.

Unknown Types of Deception

I Didn't Know What To Call Them When I First Started Reading and Clearing Akashic Records. I was Very Leery and Didn't Want To Have Anything To Do With Negative Things. I Had No Desire To Deal With Anyone's Archdemons. I was Retired and I Wanted To Just Go Play. However, That Is Not What I Had Signed Up To Do. So I asked Spirit if There Were Any Unknown Types of Deception Because I Wanted To Be Sure the Records were Cleared Before Anybody Was Given Shields of Protection, So That Nothing Negative Would Be Sealed In. However, Spirit Showed Me Such an Attitude Was Ego Driven. He Reminded Me That I Was Not Doing Anything Through My Own Power. **It Is Always Spirit Doing All The Healing and Clearing. Spirit Does This Based On Each Individual's Intent And On What Is The Best Thing For Each Person At That Particular Point In Life. I Do Not Make That Decision But That's How I Began Asking If There Were Any Unknown Types of Deception Present.**

Energies and Entities

It is Possible to Have Energies and Entities Attached to You. Energies are How the Entities Have Affected Your Physical Being. The Entities Are What I call Beings. They're Not Human Beings but Living Beings Nonetheless. **They are Higher Dimensional Negative Beings like the Chameleon Changelings or the Light Power Imagers. They Are Not Anything One Would Want Attached or Influencing Them.**

Tears in The Golden Web

The Golden Web is a Field of Energy Around You, Sometimes Called Your Aura. It Houses Your Mental, Emotional, Physical and Spiritual Bodies. Any Tear in the Golden Web Allows Damage To These Bodies. I Almost Always Found Three Tears, Although Occasionally There Was Only One Tear and Sometimes There Have Been Four. They Are Different for Every Person. When They are High on the Body, it Means a Higher Level Dark Force Created Them. **In Other Words, the Lesser Demons Focus More On the Lower Parts of the Body, the Base Chakras, thus Causing More Sexual, Behavioral or Survival Challenges. The Higher The Dark Force, Such As the Archdemons, the Tears Are Usually Found in the Upper Part of the Body, Usually From the Heart Chakra Up to the Third Eye or Even to the Crown Chakra.**

Whenever There is a Tear I've Always Found That There Is a Negative Implant and Where There Is a Negative Implant, There is a Negative Crystal. The Negative Crystal Has Always Had a Curse Attached To It. The Curses May Be Different for Each Person.

Scars in The Golden Web

I Have Never Found Anyone with Scars in the Golden Web. That Would Be Where Somebody Tried To Clear You and It Didn't Heal Over Properly. I Have Included it Just In Case Someone Needs This Cleared.

Past and Present Lives' Dark Entities Attached and Stalking

There are Usually Past and Present Lives' Dark Entities Attached and Stalking because There are Portalways Open When There's a Tear in the Golden Web.

Earth-Bound Spirits Calling

These are Entities that can be Positive or Negative. They Did Not Make it to The Light When They Passed Over. They're Caught in the Astral Plane. Beings in the Astral Plane Need a Body and so They Attach to Someone on the Physical Plane and Use Their Energy. Whatever was Found, I would Request a Healing on It. There is No Judgment Because I Don't Believe in Mistakes. I Feel The Divine Plan is Working Beautifully and it is Just Time For Us To Go Back To The Light and So it's Time for All Negativity To Be Removed. **Without The Dark Forces Doing What They Do, We Would Not Have the Opportunity To Experience Duality. Because When We Came in, We Were All Light and Even Though We Have Had Some Horrendous Life Experiences, We Could Not Have Experienced Them Without The Negative Forces. I'm Not Saying I'm for the Negative Forces for I AM Not for or Against Anything. I'm Just Saying, Without Them We Could Not Have The Experience of Duality which is Why We Came to Earth.**

Portalways Open to the Subconscious Mind and on Other Planes

There are Portalways Open In The Subconscious Mind and There Are Portalways Open on Other Planes. There Should Be The Same Number of Portalways as Tears. That Was My Way of Double-Checking. The Tears and Portalways Are How The Dark Forces Get In To Manipulate You on a Subconscious Level and to Affect Your Physical Being.

Compassionate Connection

This is a Situation in Which You Cared For Somebody So Much In This Lifetime, That You Stepped Far Out of Your Way To Help Him or Her. **However, No Matter What You Did, Instead of Helping You Ended Up With The Fuzzy End of the Stick or a Broken Heart. There Usually Was a Connection From Other Lifetimes With That Person.** They can be Males or Females. **Compassionate Does Not Mean Sexual.** It Just Means That You Really Cared a Lot For That Person To Your **DETRIMENT.**

Obligation to Trap Deceased Negative Beings

Most, But Not All of Us, Have This Obligation. It's Because the Clearing of the Akashic Records Goes Back To The Beginning of Time and There Still are Obligations to be Resolved. When Archangel Raphael Described It To Me Once, He Said, **"If I Tried To Do a Clearing of Akashic Records Myself In This Third Dimension, It Would Take Me More Than One Lifetime To Clear One Person."** So it is Based On Your Intent That You're Being Cleared. When You Take One Step, Spirit Takes Many. Because Spirit Takes Many After Your One Step, is the Reason You Can Make It Back More Quickly To The God All There Is with Ease and Grace. This is Why Old Obligations, Vows and Agreements Need to Be Broken.

Trapped Traveling to Negative Astrals

This is Where and How Most Individual Gets Negative Implants. At Some Point In Time the Individual Traveled to Negative Areas in the Astrals.

Crystals Charged with Dark Energies

Through These Crystals Curses are Received. There Should Be The Same Number of Negative Crystals as There are Tears in Your Golden Web.

Dark Brotherhood, Dark Sisterhood Influence

On a scale of 0–100, the Average Person Would Have Approximately 33 of These, **If They Had Shields.** Since I have Never yet Found Anybody With Shields, because Most Have Dropped Them At One Time or Another, the Number Is Much Higher. The Lack of Shields Means The Dark Forces Can Come In and Mess Around With Your Thinking Process.

Red Ray Connection

Fortunately Not Very Many People Have a Red Ray Connection. It Usually, But Not Always, Connects at the Heart Socket. It is a Negative Connection with a War Lord from the

Planet Maldek. Planet Maldek is where Beings from Sirius First Came To Assist Mankind. **Usually this Type of Connection Brings Severe Health Challenges. Severing the Connection Usually Helps the Individual to Create a Healing Process. It Doesn't Mean That Clearing the Records Heals it. The Clearing Removes the Blocks So You Can Do Your Own Healing with Spirit's Assistance.**

Negative Vows to God

Most of these Vows Were **Not Negative** When They Were Made. This is One of Those Times When Hind Sight is Better. Just Like in This Lifetime You've Probably Made Some Decisions That Later You Wished You Hadn't Made. So Any Negativity Found In Your Akashic Records Needs To Be Removed Along With Any Vows That No Longer Serve You. These Vows include such Things as Vows of Chastity, Vows of Poverty, that Type of Thing.

Objects in Home, Work Place and Vehicles Charged with Dark Energy

These Can Be Any Kind Of Object In The Home, Work Place or in Your Vehicle(s) that are Charged with some Type of Dark Energy. It can cause Depression, Illness and Chaos in Your Life and cause Major Confusion and Negativity.

Implants on The Golden Web

These Implants are a Means of Controlling You. **I Haven't Found Anyone Who Did Not Have Some.**

Virus on The Golden Web

Some Individuals Have Them and Some Do Not. Any Time There Is Something That Isn't Positive, You Need To Have It Removed.

Red Fibers on The Golden Web

These Fibers Usually Look Like Octopus-Like Things. They are Red, Yucky Looking Things that Literally Suck the Energy From Your Body.

Etheric Mucous on The Golden Web

This is Like a Virus That Will Drain Your Energy.

Enchantments on The Golden Web

There are Different Types of Enchantments. It Occurs When Positive Attributes are Used to Excess and to Your Detriment. Examples are Loving Too Much, Caring Too Much and Taking Too Much Responsibility for Others.

Cords of Illusion

These Cords Make Life Confusing and Make It Difficult to Think Clearly and Logically. They Definitely Should Be Removed.

Spells

Spells and Enchantments Go Hand in Hand. Where There Are Enchantments There Are The Same Number of Spells and Vice Versa. I used this Fact to Double Check Both Enchantments and Spells.

Memory Lost, Added, Shared or Programmed

This is An Indication that Some One or Some Thing has Messed with Your Mental Processes and Tried To Make It More Difficult To Reconnect Your 12 DNA Strands

Obsessing Influences

Everyone I've Checked Has Had Obsessing Influences. Everyone has Them Simply Because They Are On Good Old Earth. It Comes with Being Part of the Mass Consciousness in the Third Dimension. It Includes Feelings Such as Depression, Unworthiness, Unloved, Loneliness, Abandonment, Fatigue, Struggle and Many Other Things of This Nature.

Pacts

A Pact Indicates You Made an Agreement or Pact with The Dark Forces Some Time In The Past. If You Have a Pact(s) and The Dark Forces Come to Collect, Your Life Can Have a Tremendous Amount of Negativity In It. It's Like You've Agreed on Some Level a Long Time Ago to Support The Dark Forces. It Does Not Mean You Are a Terrible Person. It Just Means That You Have Some Contracts or Pacts That Need To Be Broken.

Binding Contracts

This is When You Literally Have Chains Around Your Wrists. You have Sold Your Soul and You are at the Disposal of The Dark Force To Do Whatever They Want. You Owe Them Something. Breaking These Contracts Requires Someone on a Higher Vibrational Level. That is the Reason Why an Individual Cannot Break His or Her Own Binding Contracts. The Contracts Keep Your Vibration Level Low. This Book Provides a Bridge of Light As A Means For You to Release Yourself from Any Binding Contracts. However, If You Do Not Really Want To Be Released, It Will Not Happen, for it is Based on Your Intent. This Means Our Jails and Prisons are All Full of People with Binding Contracts.

Negative Thought Forms Stalking

This is Being Under Psychic Attack From the Negative Mass Consciousness.

Egyptian, Atlantean and Lumerian Negative Thought Forms

These are Sources of Tears, Implants and Curses. Not All Egyptians, Atlanteans and Lumerians are Negative, however, Some of Them Are and Need to be Cleared from Your Akashic Records.

Anger Spears Sent and Received

These Indicate You Have Dropped Your Shields of Protection in a Psychic Battle in Which You Sent and Received Anger Spears.

Talker, Stalker Beings

These are Also Negative Beings Trying to Control You and To Use Your Energy.

Tar on The Subtle Body

This is the Result of Tears in Your Physical Bodies. It's Like Tears in the Ozone. It Allows The Dark Forces to Burn Holes in Your Etheric Body. Not Good At All.

Mental Life Occupied by Others

It is the Percent of Influence The Dark Brother/Sisterhood Has Over You. It's Not Always Present In Your Life But Needs To Be Cleared So You Can Do Your Own Thinking.

Partial Possession

This is the Influence the Dark Forces Have Over You. Usually It Is Not the Kind of Possession You See In Movies but Possession of Any Kind Is Not For Your Highest Good and Needs To Be Removed.

Super-Universe Six Mirror Image Taint

That would Simply Indicate That You Were on Super-Universe Six. That is the Universe that Rotates Backwards and Generally Messes Up Everything You Think or Do Because Everything They Do is the Opposite of What You Do Here on Earth.

Energy Created Thought Forms

These Usually Occur When Someone Wants You To Be Something You Don't Want To Be. It Usually Starts with Mom and Dad. What Happens is This. Somebody Wanted You To Be Something You Didn't Want To Be So You Refused. You Then Felt Guilty and as Though You Never Quite Measured Up. You Kept Wondering If You Should Have Done As They Wanted. In such Situations I Always Tell People, "**Don't Let Anybody SHOULD On You Any More.**"

Property Clearing

Property Clearing has Nothing To Do With You Personally. It's Just Where You Happened To Live. If There is a Counter-Clockwise Medicine Wheel, it Means There Has Been a Massacre or Battle on That Land at Some Time. All Sorts of Negative and Positive Beings Can Be Trapped on The Property. There may be Portalways into Mother Earth, like Holes in the Ozone. Negative Beings in or on the Property Have Nothing To Do With You But Can Really Affect You Negatively. I Usually Asked for a Clearing in a Circle with a Five or Ten Mile Radius Around the Property. I Ask that All of the Portalways Be Sealed Just Like the Portalways and Tears in Your Bodies and Webs are Sealed. Archangels Do The Clearing and Binding of the Negative Dark Forces and Send Them To Their Rightful Place of Expression. Then Archangels are Assigned to Watch Over Your Property. After the Clearing You Are Able to Live a Much More Harmonious and Peaceful Life There.

Demons and Archdemons

There are Many Different Kinds of Demons and Archdemons. The Reptilians are Called Draconian Winged and Unwinged. The Winged Ones are a Higher Form of Negative Force Than the Unwinged Ones. The Unwinged are Less Advanced or Younger Souls. The Large Greys and the Small Greys Also are Archdemons But of Lesser Power Than the Reptilians. The Aliens Depicted in Most ET Programs are Greys. They Usually Have Short Bodies with Large, Almond-Shaped Eyes. There are Many Others But These Are the Ones that are the Most Challenging to Humanity.

If You Ever Feel There Are Any Kind of Negative Forces Around, You Can Command Them To Go To The Light. Always call on Archangel Michael For Help and Protection. He will See That They Are Taken To Their Rightful Place of Expression. Then Simply Say With Love and Light, "**YOU HAVE NO POWER! YOUR DAY IS DONE! I COMMAND YOU TO GO TO THE LIGHT!**"

Replicas

If You Have A Replica(s), It Will Take Much Longer To Clear Your Records. This is Because Much More Damage Has Been Done. Consequently You Have Accrued More Karma. The Only Assistance I Can Provide to Those With Replicas is to Bridge the Light

for Them, that is, to Connect Them with Lord Jesus, Master Sananda, Through the Healing Portalway Moses has Provided! Lord Jesus, Master Sananda, Has the Power to Help Those With Replicas. It is, therefore, My Sincere Advice That Those Who Have Replicas Go Directly to Lord Jesus, Master Sananda, for Assistance. Clearing is a Daily Process and Takes As Long As It Takes. However, Each Day It Gets Better and Better. It is All Based On Your Intent and Ability to Let Go. IT IS IMPORTANT TO REMEMBER, “WHAT YOU FOCUS ON, YOU GET MORE OF.” Those With Replicas Have Lived Many Lifetimes with Negativity, so it Seems More Difficult For Them To Change Their Focus. Thus They Continue to Draw Negativity Toward Themselves and Cannot Understand Why. Turn Over Everything, Every Day, to Lord Jesus, Master Sananda. He Has Promised To Help.

**“For Now We See Through a Glass Darkly;
But Then Face to Face: Now I Know In Part;
But Then Shall I Know Even
As Also I AM Known.”**
