## **Sacred Sirian Workshop and The Gathering of Masters for Their Formal Third Blessing Ceremony Barbara “Marrianna” Zimmermann Sacred Sirian Workshop**

The First Formal **Third Blessing Ceremony** was Given During This Sacred Sirian Workshop. The Workshop was Presented by Marrianna, Zim and Mary Morris on July 11-12, 1997.

The Following is Some of the Material That was Included in the Booklet We Gave to the Participants Upon Their Completion.

### **Soul Family Letter**

**You are Honored! You are Loved! You are Light!**

It Has Been Our Honor and Privilege To Be in Your Presence and Energy! The Sacred Sirian Workshop Provided an Opportunity to Reconnect Not Only with Each of You but with Our Entire Sirian Soul Family (Approximately 87,000 Souls) from the Great Star Sirius.

We Covered a Great Amount of Material in a Very Short Period of Time. To Help Refresh Your Memory, We Put Together this Little Booklet. It contains Some Condensed Speeches, Channeled Messages and General Information From the Workshop.

It Has Been a Joy and a Pleasure Being With You and Connecting With your Wonderful Energy. We Look Forward to the Time when We Will Meet Again. We Love You Dearly!

Peace Be With You!

Marrianna, Zim and Mary

### **Travels of The Sirian Star People Lord Jesus, Master Sananda, Through Zim**

*I AM Sananda and I come With Joy and Lightness, for to Communicate with Such a Gathering as This is Indeed a Very Great Honor for Me. To Be in Your Presence and to Partake of Your Energy, Your Love and Your Service, Fills My Total Being with the Greatest of Pleasure.*

*What I have to Share with You May Not be Anything of Newness for You, Yet it Is of the Greatest Importance. You All have been Traveling For a Very, Very Long Period of Time. You were First Given Life on Several Planets that Surround What You Call the Star Sirius. In Those First Incarnations, You were like Babes, Open to Everything and Learning Everything that You Needed for Your Own Well Being and for the Service You would One Day Provide. In those*

*Spaces of Time, and They Were Very Long, You Grew in Every Way. You Prospered, You Rose High and Eventually You Went Through a Process much Like Ascension from Earth. You Became Beings of Pure Light and Love.*

*When Spirit Decided to Expand the Number of Habited Places in the Universe and Asked for Volunteers, You Rose to Your Feet, Extended Your Arms and Shouted, "I Will Go! Take Me! Take Me" Never in All the Ages Since Has There Been Such an Outpouring of Love and Willingness to Serve. You Were Accepted, Given All the Special Wisdoms, Skills and Abilities You Would Need. To Some Were Given Crystals Containing the Special Powers and Energies Necessary to Establish a Body of Living Beings on Another Planet. To Others were Given Other Special Gifts and Assignments.*

*When All was in Readiness, You were Transported in Mass, Thousands Upon Thousands of You, to the Planet Maldek. There You Bent Your Backs and Minds and Hearts and Souls into the Task of Settling a New Planet, Establishing a Population that Could Prosper There. You were Successful and there was Great Joy in the Realms of The God of All. But Then Among the Many, There Were Some who Became Jealous of the Leaders, Jealous of Their Influence and Power and Position. They Longed to Have the Same or More Power and Authority. They Schemed to Take the Places of Their Leaders and, in the End, They Made Contracts with the Forces and Energies of Little Light, Those of Negativity and Darkness, Those Who in Former Lives and Beingnesses Had Turned Their Back on the Radiance of the Unconditional Love of The God of All. They Agreed to Give Them Access to Their Special Powers, Abilities and Crystals In Return For More Influence, Higher Positions and Greater Authority. It Worked for a Time, for the First Few who Did This, but as More and More Sought The First Places, The Highest Places, The Supreme Places, it was Determined in the Councils of The God of All That No More Could it Be Allowed to Go On.*

*Those Few who Remained Faithful to Their Service, and Many of You, My Beloved Ones, Were Among Them, Were Removed from Maldek and Resettled on the Planet Earth and Became the Seed Settlers for what You Call Lemuria and Atlantis. The Restraining Bands Were Then Removed and in an Instant the Evil That Had Grown Up On Maldek Exploded and With It the Entire Planet and All Those Who Remained There. Those Who Were Seen to Have the Courage and Will to Resist the Evil They Had Brought Upon Themselves Were Reincarnated on Earth with the Few who Had Been Sent on Before. Many of You Were Among Them.*

*Again the Jealousy for Power, Influence and Authority Overcame Some and Eventually Both Lemuria and Atlantis were Destroyed As Well. Before Atlantis was Destroyed, The God of All Sent His Messengers, The Blessed Angels, to Warn the People of the Coming Destruction. Some Listened and With the Direction and Guidance of Those Blessed Beings, They Left Atlantis and Spread Out Over the Earth and Began to Establish New Groupings of Those Who Would Continue to Honor The God of All.*

*They Went to Places which You now Call Egypt, Mesopotamia, Peru, Mexico, India, China and Cambodia. They Settled in Those Places and Shared the Wisdom, Energies, Knowledge and Wisdom which They had with the Inhabitants They Found There. They Showed the Inhabitants How to Live with More Ease upon Earth, Building Great Buildings,*

***Temples, Canals and the life With Their Special Gifts and Powers. And, in Time, They Became Totally Merged and Enmeshed with These Peoples and They were All As One.***

***It is Now, Before the Turning of the Ages, that Many Upon Many are Being Awakened to Their History and Their Destiny. You, My Beloved Ones, are Descended, So to Speak, from Those First Beings who have Traveled All These Ways. You are Now Among Those Being Awakened. You have Prepared. You have Put Aside Much of the Negativity and Darkness that Weighed You Down in Past Lives and have Given Access to the Light of Divine Love Once Again in Your Beingness and in Your Doingness.***

***It Has Been a Long Pathway with Many Ups and Downs and Side Journeys, yet You have Persevered. Now You have Finished Another of the Many, Many Levels of Evolutionary Growth as You Return to the Positions You Once Held and the Services You Once Rendered.***

***This Gathering is a Marking Place, a Special, Very Special Honoring of What You Have Done in Releasing, Letting Go, Healing and Clearing Yourself from the Weight and Hindrance of All That Has Been Negative and Dark in Your Many, Many Incarnations on Maldek and Earth.***

***I Honor You for What You Have Done and for the Position You Have Now Attained and Earned and I Shall Sit With You in this Gathering Time and Shall Listen with You and Shall Share with You the Blessings that Will Be Bestowed Upon You. My Light of Love Fills This Place and Would Fill Each One of You, if You Will Allow It. So It Is Now and Evermore to Those Who Are of The Light.***

*I AM Sananda.*

*Thank You Dear Sananda.*

## **Integration of Body and Spirit Malachi Through Katherine Torres, Ph.D.**

***It is Important to Maintain Integration of Your Body and Spirit. That Means to Allow Yourself To Be In the Center of Spiritual Vibration and to Allow Your Own Mind/Consciousness to Direct It Back Through the Body.***

***When You Are Choosing in Conscious Awareness to Work in Dimensions of Spirit, It is Necessary for Your Conscious Mind to Bring It Back To Your Physical Body. Because, if You Don't, You Won't Be in Balance and If You're Not in Balance, in the Physical Body, Dis-Ease Can Occur. When Your Body Feels Ignored, it Seeks a Way to Let You Know It Needs Attention. The Only Way It Has of Doing This is By Getting Sick. It Knows That When You are Sick, You Will Pay Attention to It.***

***It is Your Responsibility to Instruct Your Subconscious Mind to Bring the Information You Receive While You are "Out of Body" Back Into Your Conscious Mind. It Then Needs to Anchor It In Your Heart and Encode It Into Your Body. After That It Grounds It Into the Earth.***

*Thank You Dear Malachi.*

# **Anchoring and Grounding Your Sacredness**

## **Malachi Through Katherine Torres, Ph.D.**

*This is the Most Important Process for You to Understand! I AM Going to Share with You How You Can Anchor and Ground the Sacredness and Holiness that Sananda Referred to that You Had Before You Volunteered for Earth Service. It is Important That You Anchor This Sacredness in Your Heart so It Can Be Encoded Within Your Entire Body and Cellular System. It Also Has to Be Grounded Into the Center of the Earth for That Is the Sacred Area Beneath the Great Pyramid and the Sphinx.*

*Together They Sit on the Threshold Between our Zero Point Evolution and the Higher Light Technology as the Stepping Stones to Another Consciousness.*

*They Were Constructed on the Earth's Magnetic Ley Lines and Their Energy of Transformation Awaits Us. When We Open Ourselves to the Sphinx and the Great Pyramid, With the Higher Consciousness of Light and Connect to the Energy Entrances They Have with Each Other, We Will Understand that We Have Completed This Phase of Life and We are Prepared for the Energy of the Next Evolutionary Stage. We Will Use the Magnetic Lines of Force to Build Consciousness Pyramids Which Are the Keys to Opening Into the Next Consciousness Time Zone.*

*It is Time for Us to Re-Claim the Wisdom that is Ours by Divine Right. The Magical Treasures Thought to Be Found Within the Sphinx or Beneath it Are Not the Treasures We Seek, Not the Silver or the Gold or Precious Gem Stones. We Seek to Awaken the Knowing that Is In the Sirian Crystal Within Our Being and Within the Sphinx Which is Programmed with the Knowledge to Create Worlds.*

*We Were the Sirians that Came Many, Many Years Ago to Ground the Creator's Light Energy Into the Earth by Means of Sirian Crystals Into the Sphinx and Great Pyramid, Creating It As a Sacred Place. We Also Were the Ones who Created the Secret Tunnels and Passageways Within and Beneath These Structures. We Also Infused the Secret Wisdom of the Ages Within Them and it Will Be Us Who Will Assist in Activating it Again when the Time is Right. This Will Not Happen Until Humanity Has Raised Their Consciousness Enough to Use the Knowledge, Wisdom and Creator Truth For The Good of All Humanity and Not For Their Own Personal Gain. When the Time Is Right and We Have Perfected Our Own Light Bodies, We Will Be Given Instructions on What To Do Next.*

*When You Have Mastered This First Process, You Will Be Able To Take the Exodus Across the Red Sea, which Represents the Light Vibrations of This Dimension, into the Sea of Crystal, the Land of Consciousness of Light. Then You Will Have Direct Knowing and Creator Truth. You Will Anchor The Light for Humanity and You Will Be in the Beauty and Awesomeness of the Earth Changes that Bring Truth of the Beauty of The New World. You, In Time, Will Become the Cities of Light. You Will Radiate Out The Christ Light For All To See and You Will Be Able To Heal By Your presence. You Will Have Eliminated Dis-Ease From Your Bodies and Taken On Your Light Bodies, Which Will Give You Direct Knowing, so You Can Assist Humanity.*

***The Story of Moses Leading the Israelites Out of Egypt is a Holographic Model for the Light Exodus of the Planet Into the Next Order of Evolution. Know that this Process Does Not Happen Over Night. It will Take Daily Practice For Months To Perfect for Those Who Have Advanced to The Point of Earning Their Third Blessing and Longer for Those Who Are Now Advancing Toward Their Third Blessing. However, When We Seal The Door of Our Sacred Sirian Temple, All of Us and All Who Came From Sirius With Us, That Are Still Pure of Heart, Will Experience Acceleration on Their Path of Awareness Because They Will Have Access to Everyone Else's Knowledge, Those who Complete This Process First, Allow All The Others to Have Access To Their Growth. It is like Cutting a Pathway Through The Jungle. The First Ones Have the Most Difficult Job. Those That Come Behind Have It Easier and Easier. Cutting this Pathway is Part of Your Soul Destiny Contract!***

***It is Important That You Know That Ascension Does Not Mean You Are Going To Go Some Place In The Heavens or Other Dimensions. For the Sirians and All Light Workers, it Means We Have Agreed to Bring Heaven or the Higher Dimensions Here and to Integrate it Within Our Bodies so We Can Co-Create Heaven on Earth By Being It. The Bottom Line Is You Just Have To BE. You Will Heal By Your Presence.***

***I AM Not Here To Convince or Coerce You To Do This. I AM Only Here to Share With You What Is Next, If You Choose to Step Forward On Your Spiritual Path.***

***Know that Spirit is Encoding this Process Within Your Knowing, so Just Be Open and Receive Whatever Feels Right to You, For You Will Have it Within Your Mind's Eye; and You Will Be Able to Access It Whenever You Need It or Want It.***

***In a Nutshell, All You Have To Do Is:***

- 1. Retrieve Your Heavenly Father Sacredness From the Heavens.***
- 2. Anchor it in Your Heart and Cellular System.***
- 3. Take it Down Through the Great Pyramid.***
- 4. Ground it Within the Sacred Area Beneath the Sphinx and Great Pyramid.***
- 5. Retrieve Your Heavenly Mother Sacredness Held Within the Earth.***
- 6. Bring That Sacredness Back Up Through The Same Process and Anchor It In Your Heart.***

***Then You Will Have Created Your Sacred Heart by Connecting What is Above With What is Below, "As Above, So Below". And You Will Have Them Both Encoded Within Your Physical Bodies To Share with All Humanity.***

***Thank You Dear Malachi.***

## **Responsibility of Consciousness**

### **Malachi Channeled by Katherine Torres, Ph.D.**

***We are here again to Call You to the Responsibility of Consciousness as You Walk Through Change. Responsibility is that Aspect of Your Cognitive Self that Stays Awake as You Walk Your daily Path Spiritually, Emotionally, Mentally, Physically, Through Your Ego and at Your Soul Level.***

*Responsibility is Your Awareness of Your Attitudes, Behavior and Living Your Life as You Truly Want it. It is Separating from the Blame of Conditions, People and Events in Your Life as Being the Cause of Anything that Occurs. It is Your Ability to Take On the Knowing That You, at this Very Moment, Create the Next Moment. It is Your Ability to take On the Awareness that You are a Loving Being Expressing it Through Your Life.*

*Responsibility is You Walking Not Only the Path of Your Heart, but Being Aware of the Attitude of Your Ego as Your Heart Speaks, Aware of the Flow of Your Mind as Your Heart Reaches Out to Life, to Others and to Circumstances and Being Aware of Your Body as Your Heart Responds to the Higher Power Within You. Responsibility is You Consciously Working with Your Soul Purpose – to Honor Your Life Lesson and Your Kinship with All Life.*

*Responsibility is Your Cognitive Care-Taking. Take care to Know the Whole of Yourself, How each Counterpart is Reacting to Life and What Aspects of Illusion You are Allowing to Live Out Your Reality. Anytime You Think that Another is to Blame for Your Illusion, Make Sure You Take Care to Re-Address Your Beliefs. In that Illusion You are Asleep, Walking the Earth Realm with Separation from Your Wholeness and Desiring to Give Your Power Away through Blaming.*

*We Giggle when We Watch the Sweet Innocence of Giving Power Away. It is From the Immaturity of a Belief System that Assumes that Such a Give-Away Will Render Someone Else or Something Else Responsible and the True Aspect of Self Will Not Have to Suffer the Consequences. The Question to Ask Yourself in This Circumstance is, Have You Gone Asleep in Your Awareness of a Universal Law – the Law of Cause and Effect?*

*May You Have Many Blessings of Insight and Strength in Your Changes as You Travel Through the Path of Awareness. Are You Asleep or Awake? Are You Taking the Responsibility for Your Life or Giving Your Power Away? Do You Think that in Such a Give-Away You are Not at its Effect? What Part of Yourself is Asleep or Dozing – Your Mental, Physical, Ego, Emotional, Spiritual or Soul-Self? Wake Up and Find the True Will Flowing Through You.*

*Peace in Your Awareness.*

Thank You Dear Malachi.

## **Accessing And Using Pyramid Power**

### **By Zim**

My Introduction to Pyramids, and What They Could Do in a Metaphysical Way, Occurred in 1993. I Was Receiving a Reading from a Being of Light Named Malachi. In that Reading He Advised Me to Meditate Every Day and to **Envision Myself Sitting Under a Pyramid as I Did So.** For Several Months I Meditated but had Forgotten All About the Pyramid Thing. Then One Day I Read that Reading Again and so I Decided to Try It. When I Did, **I Found My Meditations were Deeper and the Messages Much Clearer than They Had Been. Since then I Always Envision a Pyramid Around Me When I Meditate.** As I Do so, a Delicious Shiver Goes Down My Spine. To Me Its My Signal That All is Well and Meditation

Can Begin and Will Be a Blessing. As a Result I Want to Share With You Some Information and Ideas About Accessing and Using Pyramid Power.

Pyramids, Pyramids, Pyramids! Pyramids are Everywhere. Everyone Knows of the Pyramids of Egypt. They are Famous but There are Others in Virtually Every Country in the World.

What is it about Pyramids that Attract Man and Motivate Man to Build Them? If You Look at a Pyramid it Appears to Be a Perfect Form. It Matters Not Whether it Be Tall and Narrow or Short and Broad, Whether it be Smooth on the Outside or Stepped, Whether it Be Hollow or Solid, with Rooms and Passageways or Not. Pyramids Just Look Like They are Finished, Complete, Perfect. I Believe this Feeling Comes from Several Facts. One is that Pyramids Have Solid, Dependable Bases. They are much Wider on the Bottom Than at the Top. They Give the Appearance of Being Immovable, Dependable and Always there when Needed.

Pyramids Just Naturally Cause the Eye to Follow the Edges Upward. As most People Know, to Look Up is Positive while to Look Down is Generally Sad or Negative. Pyramids Allow Us to Naturally and Easily Lift Not Only Our Eyes Upward but Our Minds, Emotions and Spiritual Bodies as Well. When You Look at a Pyramid, it Just Seems Like it Lifts You Up, Inspires You and Focuses Your Eyes on the Heavens. I Believe it Points Our Senses, Our Thoughts, Our Beingness Upward to The God of All.

You Probably have Heard a Lot About the Great Pyramid and the Sphinx in Egypt. They have Caused, I Believe, more Study, Writings, Books, Conjecture, Theories, Hopes and Fears Than Any Other Structures in the World. **The Sphinx and the Great Pyramid Are Sacred Symbols.** They are the Means Through Which the Earth is Connected to and Aligned with the Sky. They are Also the Means to Connect and Align Us to Our Soul Purposes. They are Doorways for the Soul.

Different Soul Groups have Their Own Pyramids that Connect and Align Them to Their Soul Purposes. The Great Giza Pyramid Does This for the Sacred Sirian Soul Group and All Light Workers Who are Interested in the Great Giza Pyramid. It is the Means Through Which We Can Know Our Soul Purpose, Connect with Our Soul Purpose and Then Become Aligned with Our Soul Purpose.

Have You Been in the Great Pyramid and Seen the Sphinx in Egypt? Even if You Have Not, You Can Still Use Them to Assist You in Finding, Connecting to and Aligning With Your Soul Purpose. **Sananda Commented Once That Learning The Knowledge, Understanding and Wisdom of Spirit Through the Sphinx and Great Pyramid Could Be Done Simply By Visualization or By Using a Model or Picture of Them.**

Do Not Underestimate the Knowledge, Understanding and Wisdom That You Can Receive from These Sacred Symbols. **Listen to What Sananda Said About Them, “The Sphinx and Pyramid Will Be Among the Greatest Teachers for Humanity for as Long as They are Willing to Listen and Receive. There is No Better Nor Greater Area of Learning that Can Be Obtained by Human Mankind, Than the Teaching and Wisdom of These Two Interrelated Caretakers and Symbols and Teachers of Wisdom.”**

Now There are Lots of Other Things About Pyramids that are Helpful to the Seeker of Wisdom and Truth. I Would like to Share with You some Examples. Pyramids Have a Special Power. This Has Been Proven by Many Scientists in Innumerable Experiments. They are Like Antennas that Attract Power and Energy and Knowledge. Like a Lightening Rod Attracts Lightning, a Pyramid Attracts Energy, Power, Wisdom and Love and, I Believe, Many Other Energies that We Aren't Even Aware of as Yet. Pyramids Disseminate These Powers and Energies to All Those Who are Open to Receive Them. I Know from My Own Experience with Visualizing a Pyramid Around Me When I Meditate that it Works.

Pyramids are Very Uplifting. They Can Teach and Assist Us in Our Spiritual Growth. A Pyramid has Four Side, Four Corner and Four Edges. Just Think for a Moment About the Many Things in Life that Come in Fours. Four Seasons: Winter, Summer, Spring and Fall; Four Elements: Earth, Air, Fire and Water; Four Lower Bodies: Physical, Mental Emotional and Spiritual; Four Ages of Man: Infancy, Childhood, Adulthood and Old Age; Four Great Events in Life: Birth, Puberty, Relationships and Death. There are Four Directions. Each is Associated with a Sign of the Zodiac and an Animal. They are North: Taurus-Bull; South: Leo-Lion; East: Aquarius-Man; West: Scorpio-Eagle.

So One can go On and On Listing Connections and Correspondences. When You Look at the Great Pyramid, Pick One of These Sets of Four and Then Pick One of the Four Parts of the Set and Think About it. It's Amazing What Comes from Such an Exercise!

Now I'd Like to Take You Through One of the Innumerable Exercises that are Possible, Using the Four Sides or Corners of the Great Pyramid as a Symbol or Model. You can Equate The Four Sides and Four Corners with Four Areas of Relationships that Need to be Balanced in This Life. There is the Relationship to:

<u>Self</u>	<u>Others</u>	<u>One's Service</u>	<u>The Sacred Elements of Earth</u>
-Physical	Those Not in Light	Passion Toward	Earth
-Emotional	Those of Light on Earth	Energy Devoted To	Water
-Mental	Those of Light Ascended	Time Expended On	Air
-Spiritual	Those of Spirit	Following Spirit	Water

There are More Areas of Relationships that could Be Included But These are Perhaps the Most Important. Now Look Inside a Pyramid and Begin in One Corner and Create a Spiral that Goes Around and Touches Each Corner then Rises Just a Bit and Goes Around and Rises Just a Bit etc. etc. All the Way to the Apex. Then Envision That Spiral Going Through the Very Peak of the Pyramid and Out Into the Ethers of the Solar System, the Galaxy and the Universe. That's a Picture of an Ascension Spiral of Spiritual Growth.

The First Level of the Spiral is the First Item Under Each Area of Relationship. So You Begin with Yourself, Your Physical Body and Focus on That Until You Have It Balanced. You Then Move to the Next Corner, which is Relationship to Others and the First Item Under that is Those in Darkness (And that includes both Those on Earth and on Other Dimensions and Realms.) Then to the Next Corner, One's Service and the First Item is Passion Toward. Then to the Last Corner the Sacred Elements of Earth and the First Item is Earth, Soil, Ground.

When You Have Balanced the First Item in Each Area of Relationship, the Spiral Goes Up a Notch and You Begin with the Second Item and so on Through the Whole Grid. When it is Completed, You Will Be Ascended and Back Into the Upper Dimensions From Where You Came. The Amount of Time it Takes to Complete All This, of Course, Depends on Your Intent and on the Amount of Time You Put Into It. **The Key is to Balance Each Item, that is, to Feel Whole, Happy and Comfortable with Your Relationship to Each Item. If There is Negativity or Unease in Your Heart or Mind or Emotions Regarding an Item, There is No Balance. There is a Need to Work on it until Balance is Achieved.**

Now this is Only a Model. It is Not Set in Stone or Concrete. The Pyramid is a Constant Reminder of the Four Areas of Relationships and the Four Items in Each Relationship Area. If You Visualize Sitting in a Pyramid as You Do This, You Will Receive Strength, Support and Wisdom to Help in the Task of Balancing. Afterwards, Each Time You Look at a Pyramid, You Will Be Reminded and Spurred on to Continue Balancing.

There are Many Other Such Models as Well. In This Book You Will Find There are a Number of Channelings from Lord El Morya on How to Balance Your Four Lower Bodies. He Suggests that You Pick One Tiny Part From Each of the Four Lower Bodies that You Want to Work On and Then to Work on Them Together Until They Have Been Balanced and Only Then go on To Another Tiny Fragment of the Whole.

Pyramids are Beautiful. They are Wonderful. They are Powerful. They are Magical. They Bring Energy, Strength, Wisdom and Assistance. Use Them in All Areas of Life. Use Them Well. Use Them and be Blessed.

## **The Third Blessing And Mastership Lord Jesus, Master Sananda, for The Sacred Sirian Workshop Through Zim**

Dear Lord Jesus, Master Sananda, Please Come Now and Sit with Me a little While. Share with Me, if it Be Your Will, some Words of Wisdom for Those Who will be Gathered Together in a few Days. Know that This Message Will Be Read to Them Just Before They Pass Through the Ceremony of the Third Blessing and Receive the Anointing Symbol of Their Mastership. If it is Your Will, Please Speak Now at this Time and Place.

*Beloved Ones, I come Before You Once More to Share with You a Little Word that May Assist You and Enlighten You in This Time of Great Importance. Do You Know that in this Room, All about You, in Rows Upon Rows and Ranks Upon Ranks, the Essences of All the Hosts of Heaven, All the Beings of Light from Higher Dimensions, All the Ascended Masters, All the Lords, All the Elohim, All the Angels and Archangels, Yes, All of Them Have Been Here and Are Now Here with You? They All Wish To Be Present and to Join in the Honoring of You All. They are Filled with Joy and Thanksgiving That So Many Have Now Broken the Bonds and Bands that Held Them in Darkness and Have Awakened to the Light of Love They Once Had. As You Have Honored Them and Continue to Honor Them, So They Are Here To Honor You This Evening.*

*Now, in Your First Beingness, Near the Star Sirius, You were Created in Perfection. You Knew All There Was To Know About The God of All. You Knew All There Was To Know of Divine Wisdom and Truth. But Alas It Didn't Last Very Long for Any of You.*

*There are Among You Two Groupings. While All of You Came from a Planet Near the Star Sirius and All of You Volunteered to Settle the Planet Maldek and Later the Planet Earth, Yet Some of You Carried the Ability, Power and Wisdom to Do The Work You Volunteered To Do in a Precious Crystal. Still Others of You were Given Special Assignments, the Opportunity to Serve in Special Ways on Maldek and on Earth. But No Matter How You Started and What Crystal You Had or Didn't Have and What Assignment You Received or Didn't Receive, You All Eventually Found Yourself Befouled with Negativity, Darkness and Limitation of All Kinds. Some of You Allowed Your Crystal to be Used for Duplication, Others of You Were Coerced To Do The Same Thing. In Essence You Sold Your Birthright, So To Speak.*

*Yet You All are Here This Evening as a Testimony of Your Love, Your Intent, Your Willingness to Work to Free Yourself From the Bonds of Darkness, Negativity and the Third Dimension. You Have By Your Efforts, Brought Yourselves Out of the Darkness and Into the Sacred Light of Awareness. True Enough that Spirit and His Hosts Have Assisted You in This But in the End, Spirit Can Do Nothing Unless You Will It. It Has Been and Always Will Be the Choice of Those on Earth to Wake Up, to Cleanse and to Heal, to Turn to the Light and to Begin the Journey Back to The Heart of God From Where They First Came.*

*This You Have Done, You Have Completed this Phase, this Step, this Level and Are Ready To Be Recognized and Honored for Your Accomplishments. As You Know, There Are Many Steps, Many Levels, Many Initiations on the Way Back to The God of All. Some Among You Have Not Completed All that is Required to Complete this Level. You are in the Process and Your Presence Here Will Hasten that Process and Give You New Strength and Determination in Your Working to Cleanse and Heal and Renew.*

***Those of You Who Have Completed This Step on the Pathway Will Receive what is Called the Third Blessing. This is Not Just an Ordinary Step on the Way. It Is One That Few Ever Reach, for the Third Blessing, in Essence, Bestows Mastership Upon All Those Who Have Earned and Reached it. There is No Higher Degree on Earth of the Sacredness, Dedication and Service that Man Can Receive Than the Third Blessing and the Mastership that Goes with It. This Evening Many of You Will Publicly Receive the Third Blessing and Be Publicly Honored as Masters.***

*Others of You Will Also Receive Blessing and With That Blessing a Promise. A Promise That as You Continue Your Efforts, As You Continue with Your Determination and Intent to Clear Yourself in Every Possible Way, You Will Be Successful and You Too Will Achieve what Your Companions this Evening Have Achieved and You Will Be Recognize and Honored as They Are.*

***I would, However, My Beloved Ones, Caution All of You a Little. As I have Said and so Have Many Others, There are Many Steps. Though this is One of the Great Ones and Most Notable Ones, it Still is Only One Step on the Pathway. Do Not, As So Many Have in the Past, Cease Your Efforts and Allow Your Determination and Intent to Weaken. Do Not Feel That You Have At Last Reached the Pinnacle and That There Is Nothing More to Work At, Strive***

***For and Achieve. Though Mastership is the Highest Level of Enlightenment Possible on Earth, it Does Not Mean You Will No longer Receive New Knowledge, New Understanding and New Wisdom and Truth, for What is Happening with You is Simply that Your Consciousness, Your Awareness, Your Knowing are Expanding Beyond the Lower Dimensions in Which You Have Dwelt. You are Stepping Up, so to Speak, Into New Dimensions in Which There is a Universe of More Wisdom, More Love, More Truth and More Service.***

***Yes, My Beloved Ones, More Service As Well. Not Only are You Now Being Called Upon As Master and Masters To Be, to Continue Your Climb, Continue Your Efforts, Continue Your Receiving but Also now You are Being Called Upon To Expand Your Service. A Master Does Not Hide His Light Under A Bushel, as I once Said. He Allows it to Shine Out Into the World in Brighter and Broader and with Clearer and Stronger Beams of Love and Light and Service.***

***My Dear Friends, You Will Receive All the Assistance You Need To Be and To Do the Things of a Master. I Shall Not Fail You. None of The Heavenly Host Will Fail You. The Spirit God of All Will Not Fail You. We All are at Your Sides, Ready to Lift Up, Ready to Strengthen, Ready to Redirect, if that is Necessary. You Need Only Ask. Sit in Your Pyramids as You have Been Advised and Allow Us to Come to You, to Sit With You, to Speak With You, to Answer Your Questions, to Give You Suggestions and Counsel.***

***Know that as You Call Me Master, So Now I Call You Master. Together We Shall Work. Together We Shall Receive. Together We Shall Serve. This, My Friends, is the Third Blessing and the Mastership That Goes With It. Receive it With Joy and Thanksgiving, for Few Have Gone Before You in This Manner and To This Level.***

*I AM Sananda.*

Thank You Dear Lord Jesus, Master Sananda.

## **Anointing Process For The Second and Third Blessing Barbara “Marrianna” Zimmermann**

Each One Of You Will Receive the Appropriate Blessings from Spirit. This is a Very Special Time for You as it is a Renewal of Spirit. It Represents Your Divine Mastery. It is Another Step on Your Ascension Ladder of Light and it Signifies You Calling Your Spirit Home. These Blessings Will Not Be a Huge Surge of Energy that Will Jolt You Into Awareness Because that is Not How Spirit Works.

**This is a Special Gift from The Almighty God All There IS to You. It is Called the “Baptism of the Living Light.” Through the Baptism of the Living Light, You are United Forever with the Father/Mother God, Son and Shekinah Universes.**

The Shekinah Universes are the Inner Universes Created for the Transformation of the Basic Building Blocks of Intelligence, Out of the Sea of the Eternal, so They Go Into the Presence of the Father. Please Envision the Brilliant Light of The Divine God All There IS and The Heavenly Host and Your Special Guides and Council Encompassing the Entire Room Where You are, All of Your Sirian Soul Group and All Light Beings when You Do the Anointing Process.

**You Need to Hum a Very High Pitched Tone During Your Entire Anointing Process. Know that You are Humming Light, Light Beings, Light Beams and You are Calling in the Baptism of the Living Light! It is Important that While You are Humming the High Pitched Tones That You Be Highly Aware of The Symbol of the Dove. It may Help to Look at a Picture of a Dove. Because as You are Doing the High Pitched Toning, You are Receiving the Baptism of the Living Light and You Will Recognize it Through the Vision of the Dove. Remember the Sacredness of the Dove Is the Symbol of the Holy Spirit. It Ensures Your Protection So You Will Receive Only the Amount of Energy That is Best For You at That Time.**

The Ones Who Have Earned the Third Blessing Will Be Granted That and the Others Will Receive a Blessing Based on the Amount of Light Energy Their Physical Bodies Can Handle Comfortably. Remember, Spirit Never Gives Us More Than We Can Handle. It is Our Ego that Always Wants More.

When You are Ready to Begin, Do the Following:

Please Read This Entire Process Before You Actually Do The Anointing. Also, Test to Be Sure You are Not Allergic to the Oil You Plan to Use.

1. Visualize the Dove!
2. Now Add Your High Pitched Hum to Your Vision of the Dove and Keep It Going for a Few Minutes.
3. Take **Three Deep Breaths of a Master and Envision the Brilliant Light of the Divine Encompassing the Entire Room.**

These are the Hebrew Words which Will Create By Their Vibrations the Needed Encodements When They are Spoken Aloud. **Speak Out Loud The Following:**

**Hail! Hail! I Receive the Light of the Second/Third Blessing!**

**Resh - The Light of My Awareness Is Clear!**

**Vau - My Words Are the Words of Sacredness!**

**Beth - The Center of My Body Is Clear!**

**Teth - The Signature of the Divine Is Upon Me!**

**And So Be It!**

Visualize the Dove and Hum the High Pitched Tone in a Relaxed Manner When You Anoint Yourself. **Everyone Should Do Both Blessings! Spirit Knows What You Need.**

### **For the Second Blessing**

Say Out Loud, I AM Anointed with the Blessing of the Holy Spirit! So Be It, That I Receive It!

### **For the Third Blessing**

For Those Who Were Anointed Earlier By Me in A Formal Ceremony, You are Encouraged to Do This as Well, Since a Divine Master Doesn't Need Anyone or Thing Outside Him or Herself. Place Oil on the Left and Right Lobes of Your Ears and say Out Loud, My Hearing is Now Sharpened. I Will Listen to the VOICE OF SPIRIT.

Put Three Lines of Oil on Your Face = Trinity: One Line On Each Cheek and One From Your Third Eye in the Middle of Your Forehead, Down to Your Nose.

# **SACRED COMMITMENT**

**Barbara “Marrianna” Zimmermann**

**Read this Sacred Commitment Out Loud with  
Conviction to God!**

**Dear Heavenly Father/Mother God, IS The Creator of All There IS,  
I Willingly Turn Over To You All My Own Desires, Hopes and  
Ambitions and I Accept Thy Will for My Life.**

**I Give Myself, My Life, My All to Thee Forever and I Willingly  
Put You Before All Others in My Life.**

**I Accept My Role, My Sacredness and My Divine Mastery Now and  
The Responsibility That Comes With Being One of  
Your Divine Masters of Light**

**I Will Willingly Anchor the Knowledge of My Sacredness Within  
My Sacred Heart and Within All The Cellular System of My Body.**

**I Will Ground My Sacredness Into the Center of the Earth So My  
Divine Mastery of Light Might Assist the Healing  
of the Earth and All Humanity.**

**Bless Me With The Knowledge and Wisdom That I AM Never Alone  
and Grant Me The Strength To Accept My Responsibilities.**

**Please Work Out Thy Whole Will in My Life, Now and Forever,  
For I AM THAT I AM, Your Divine Master of Light, Ready To  
Provide Whatever Service You Choose For Me.**

**I Ask You To Fill Me and Seal Me With Thy Holy Spirit, as I Walk  
Forward, “Following My Spirit Without Hesitation.”**

**And So It Is!      And So Be It!**

# **Paradise Trinity**

**Lord Jesus, Master Sananda, Through Zim, June 26, 1997**

Dear Beings of Light and Love, Come Now and Sit with Me for a Little While. I Have Need of You to Answer **Some Questions for My Spouse.**

*My Beloved Son, I AM Sananda and I Come to Answer Your Questions in Truth and Simplicity.*

**What is the Connection, if Any, Between the Paradise Trinity of Jesus, Moses and Elijah and Marrianna, Mary and Me?**

*There is No Over Shadowing Real Connection Between, What You Call the Paradise Trinity of Moses, Elijah and Myself and You Three. However, the Connection that Exists in Your Relationship To Us Is Real. You Rely Upon Us as Your Teachers and Guides. You Come to Us for Assistance, Help and Understanding of Those Things Which are Not Open to You. You have Exhibited Your Love For Each of Us. This All Constitutes a Connection.*

*Nevertheless, There is the Connection of What is Termed a Correspondence Between Us. As Your Spouse has so Aptly Determined, the Correspondence Lies Between Her and Moses and Between You and Elijah and Between Me and Mary. This Correspondence is a Wonderful Connection for it Brings Many Things You Need to Live and Work and Serve in the Third Dimension To You and At the Same Time Enables Us to Fulfill, to a Degree, Our Service to Mankind of Teaching and Guiding and Opening The Understanding.*

*Thus, for Example, Moses was a Great Leader Chosen by Spirit to Write and Lead and Teach People of The Light of that Age. Under His Leadership the Chosen Ones were Led Out of Bondage, Across the Sea and Eventually Into Their Own, The Promised Land of Canaan. If You Will Give it Some Little Thought, You Will See Many Parallels Between What Moses Did and What Your Spouse Has Done, is Doing and Will Be Doing. He is Her Foremost Teacher and Guide and Will Continue to Be Throughout Her Life.*

*Consider the Correspondence Between Me, Sananda, and Your Friend Mary. As You Know She Is The Incarnation of My Mother Mary. She Epitomizes the Same Character, Traits and Willingness to Serve as My Mother Did. Even Now the Two of Them Communicate with Each Other With Love and Understanding That Far Out Strips that of Others on the Earth Plane. Furthermore, Even as I Was for All Mankind, the Example and Model of How to Balance Life on Earth and How to Proceed Along the Pathway Back to the Heart of the God of All, So Mary Too Does Far More Service Through the Example She Sets Than Most Others of The Light. We Both Were Incarnate Not for Our Own Benefit But for the Benefit of Others.*

*Consider Also Your Correspondence with Elijah. Elijah was the Greatest of Prophets of The God of All in His Time on Earth. He Spoke and Wrote and Set Before the People of His Time, The Truth of The God of All. He was Not Swayed By What Others Thought or Did but was Determined to Speak and Live Truth to its Fullest. As a Result He Was Taken Into the Higher Dimensions Without, What You Call Death. That is, His Body Was Enlightened and with a Mighty Rush of Wind, You Call it a Whirlwind, He Was Carried off the Earth*

***Plane in what Appeared as a Chariot. In This You Can See Yourself, My Son. You Too are a Speaker Both in Voice and Writing. You have Begun Your Service in These Areas and Have Been Moved to Continue Them in Balance with All Other Bodies and Activities and Responsibilities in Your Present Incarnation.***

***In These Respects, the Three of You are Indeed Connected to the Three of Us. Think Not, However, that You Are Alone In This Connection. There are Many Others of Earth, Before and Present and After, that Have the Same Connections. What is Unusual is For the Three of You To Be Bonded Together Even as Moses, Elijah and I, Sananda, were Together Transfigured and Ascended. Your Work Parallels Ours. This is Our Connection Together and it Shall Even Be Thus. I Hasten to Add that Though Your Correspondence with Elijah is Primarily as Speaker of Truth in Voice and Writing, that Does Not Mean Your Example is Not There Nor That You Do Not Lead. The Same for the Other Two. They too Give Examples and They Both Lead and They Both Speak in Voice and Words of Writing. It is Only the Primary Aspect that Connects the Three of You With the Three of Us. Even as We Also Did All Necessary in Our Service, so You Three Also are Called Upon To Do All Necessary In Your Service.***

Thank You Dear Sananda for Enlightening Us in this Matter.

**Is There a Connection Between the Three of You and The Great Pyramid of Egypt and Between the Three of Us and The Great Pyramid?**

***There is a Connection Between All Those of Light and the Great Pyramid for that Structure Can Be used to Learn Much of Spirit and the Gifts That Spirit Has Bestowed Upon the Peoples of Earth. There is a Closer Connection As Well. Moses Knew the Great Pyramid Well During His Days in Egypt. He was Initiated Into its Mysteries and Powers. Elijah Also Knew of the Great Pyramid, Although He Never Actually Saw it, He Learned From His Companions of that Time of it. I Too Saw and Learned from the Great Pyramid During My Earlier Days Upon Earth. It was One of My Teachers and Served to Bridge for Me the Wisdom and Knowledge of the Ancients Into My Time on Earth.***

***Do You See the Parallel with Yourselves in This? Moses and I Saw and were Initiated Into the Mysteries of the Great Pyramid. Elijah Did Not See and Was Not Initiated Into its Mysteries but Knew of It and Learned from Others its Teachings and Wisdom. Your Spouse and Mary Saw and Were Initiated Into the Great Pyramid While You Have Not Seen Nor Been Initiated Into It, although You Have Learned Much from Them and Others About it. **Simply Know, My Son, that The Great Pyramid is Indeed, The Teacher of The World, All Peoples of All Times in The World, During Your Present Epoch of Earth Time.** Slowly its Teachings Are Being Unraveled and Made Plain. More, Much More, Will Come in the Times Ahead.***

***Allow Me to Comment on Your Emphasis Upon The Pyramid and Sphinx in Your Coming Gathering of Light Ones. It is an Awesome Thing You Have Undertaken, to Open to Those Who Participate the Mysteries, Wisdom and Energies of The Sphinx and Pyramid. What You are Doing is the First Opening of the Eyes of Spirit in Each One Who is Willing to Be So Opened. For Each of Them There Will Be More and More, if They So Desire and if They Continue on the Pathways Set Before Them The Sphinx and Pyramid will Be Among Their Greatest Teachers for as Long as They are Willing to Listen and Receive. There is No***

***Better Nor Greater Area of Learning that Can Be Obtained by Human Mankind, Than the Teaching and Wisdom of These Two Interrelated Caretakers and Symbols and Teachers of Wisdom.***

Although the Connection We Have with You Three is a Correspondence One, is There a Message From You Three that We Could Be sharing with the Participants in the Gathering?

***Indeed There is. What Each of You Learned is What We Learned and What Each of You Teach is the Same As What Each of Us Have Taught. You Are Our Voices, Examples and Bridges, As Your Spouse Likes to Say, Between Us and Mankind of Your World. I Would Only Add That When You Request the Speakings for the Gathering, I Will Speak To Them as From the Three of Us. In this Way, the Participants Will Know that As We Lived, Learned and Served, so Now You Three Also are Living, Learning and Serving.***

**My Spouse Asks, “Are You Three Our Over-Souls Who Are Assisting Us With Our Mission at This Time?”**

***My Son, We Do Assist You, Even As You Ask for Assistance. We are Indeed Guiding You, Even Though You Are Not Aware of It At Times. We Are Not, However, What You Call Over-Souls. Our Souls are Not Connected, Overshadowed or Joined in Any Way. It is Not Possible For Two Souls to Be So Joined, Except in What You Have Called Soul Mates. Even in this Connection There is No Actual Connection, Overshadowing or Joining. There is Parallel Work, Living, Service and Dedication and the Like of Two Souls but That is All.***

**Are We Still Connected with The Lords of The Rays?**

***Yes Indeed. You Are Connected with Them Much More Closely Than You Realize. Each of You Has the Character and Traits and Abilities and Service of Your Lords. You Are Closer to Them in Human Thinking and Reasoning Than You Are to Us Three. Where There are Many Connected, as I Have Explained, to Us in Ways Similar to How You Three Are Connected With Us, There Are Few, Very, Very Few that Have, As You Term it, Merged With The Lords of The Rays as You Three Have.***

***As to the Four Individuals Your Spouse Requested Aid in Clearing, I Cannot Add to What She Already Knows of Clearing and Healing, At This Time. She Knows and Practices in Truth, Removal of All Negativity and Darkness From the Many Bodies and Energies of Mankind. What She Has Done Was Effective With Them What Has Lacked is Something Within Them and Not With Her. Each of Them Would Do Well to Rehearse What They Have Received, Done and Believe About It All. Without True Belief, There Cannot Be Much Healing or Clearing.***

***The Clearing Your Spouse Has Done in the Past and Continues To Do Is Sufficient for This Gathering as Well. Additional Clearing and Healing is Not Needed. What Can Be Done, However, is what You Term Visualization of a Smooth and Broad and Joyful Pathway for Each of Them. I Would Suggest to You, Your spouse and Friend, Mary, That You Each, At the Same Time, Consider Each Name of Those Participating and, As You Do So, Envision For Each The Broad Pathway That Will Enable Them to Come With Joy and Eagerness. Extend that Pathway From Their Living Spaces to Your Gathering, Back to Their Living Spaces and on Into the Future. As You Envision It, So Shall It Be. Your Spouse Will Easily Conceive of Appropriate Ceremony to Complete This Suggestion.***

# **Sacred Sirian Gathering of Masters, July 12-13, 1998**

**This Is The Workshop We Created and Experienced Before we Had a Chance To Meet For the Workshop.** It was Canceled Just Days Before It was to be Held. Malachi Told Me That If I Gave It My Body Might Not Be Able to Live Through the High Energy. He Also Indicated That Those in Attendance Would Think of and See Me as Their Guru or Master Rather Than Seeing Themselves as Masters.

Everything Had Been Bought, Typed, and Copied. Everyone Had Bought Their White Outfits for the Third Blessing Ceremony. Some of the Participants Were Coming from Out of the United States. Most Already Had Their Tickets and Had Made Room Reservations.

**I was Devastated to Say the Least. It Was a Major Test for Everyone Even Though I was Told We Had Already Completed the Gathering. It was so Powerful With Our Great Intent and Pure Hearts, We Had Created the Effects of the Gathering Before We Had Time to Meet and Experience It.**

A Few Weeks Before the Gathering, I Asked Everyone To Write Out their Personal "Vision" for This Gathering of Masters. Our "Visions" Were so Powerful, We Created the Workshop Before We Attended It!

It was So Disappointing. I Was Physically Sick and Had to Face All the Negative Emotions of Letting Everyone Down, That They Would Lose Money for Their Tickets and Reservations and had Taken Time Off From Work. How Could This Be Happening at Such a Time? I Was so Physically ill, Mary and Fonda had to Call Everyone to Tell Them the Workshop was Cancelled.

All Registration Fees were Returned Along With a Copy of the Booklet Prepared for the Gathering. Nevertheless, I Wondered How I Would Pay for the Room Rental, Food, Supplies, Decorations, Costumes and Music that Were Prepared for the Gathering.

As Spirit Always Has a Divine Hand in All I Do, It Just So Happened that Several "Would Be" Participants Donated Some Money. The Amount Turned Out to Be Exactly What Had Been Spent for the Room.

I Got to See That Each One Handled This Disappointment Like a Master. They Had Completed the Akashic Record Clearings Which At That Time Cost \$111 per Session and Had Raised Their Vibrations Enough to Receive The Third Blessing. At the Time it Didn't Feel That Way but I Now Realize it was a Golden Opportunity for Everyone Involved to Claim Their Own Divine Mastery.

## **Marrianna's Personal Vision For Gathering The Group of Masters on July, 1998**

My Vision for Gathering This Group of Sacred Sirian Masters is To  
Create As Much Unity Consciousness of Pure Light of The  
Christ Consciousness on Planet Earth At One Time As Possible!

So We Can Assist the Planet By Activating and Linking Up  
Through the Christ Unity Grid Frequencies, Some of  
The Dormant Gridwork on The Planet!

So a Higher Level of **Group Mind** Can Be Accessed  
Within the Hologram of Planet Earth!

So The Masters Who Have Earned Their Third Blessing  
Can Join as a Group For The Sole Purpose of Re-Activating  
The Passage Way To The Hall of Akashic Records  
Beneath The Giza Pyramid and The Sphinx!

So Humanity Can Have Access to Their Divine Birthright  
of Who They Were Before The "Fall" of Humanity!

So This Information Can Be Accessed Only When a Person  
Has Raised His or Her Vibrational Frequency  
High Enough To Use This Wisdom Only For  
The Highest Good For All Creation!

Note: This was My Input as Part for the Workshop of July, 1998, that I Shared  
with the Participants a Couple Weeks Before the Workshop.

# **Sirian Masters Soul Group Collective Vision**

**Barbara “Marrianna” Zimmermann**

We are Completely and Transpersonally Dedicated to  
the Fulfillment of The Divine Mission and  
Intention of Our I AM Presence and  
Our Soul Group of Sacred Sirian Masters to  
Embody Spirit and To Follow Spirit  
Without Hesitation!

We are All Clear and Pure Transmitters and Receivers of  
Any and All Energies, Information, Tools,  
Technologies and Holographic Programming  
That Our I AM Presence Desires to  
Manifest Through Us for  
the Good of All Creation!

We are All Completely in Alignment with  
The Mission, Vision and Purpose of  
Our I AM Presence and The Sacred Sirians From Venus and  
All of Our Desires are Inspired and Fulfilled  
By The Service to Our Common Divine Intention  
with Ease and Grace!

We Have Full Awareness and Knowledge That  
The Collective Vision of Our I AM Presence and  
The Group Soul of The Sacred Sirian Masters is  
So Vast That Our Personal Selves  
Could Never Accomplish It!

Note: This was My Sample for Input as Part of Our Collective Vision for the July, 1998  
Workshop that I Sent a Couple Weeks Before the Workshop.

# **Grounding The Group Vision and The Essence of Your Third Blessing Into The Hologram of The Planet Malachi Through Katherine Torres, Ph.D.**

## **Meditation**

Close Your Eyes.... Get Yourself Centered.... Call on Your Guides and Take Three Deep Breaths.... Visualize Yourself Inside the Giza Pyramid.... Visualize and Feel the Essence of the Four Corners of the Foundation of the Giza Pyramid. Walk to Each Corner, Taking Time to Ground Your Energy at Each Corner, Your Vision, Your Truth, Your Wisdom and the Essence of the Beauty of Your Third Blessing of Mastery. Create a Foundation Unique to Your Own Energy and Mastery....

As You Journey Around The Foundation of the Pyramid, You Will Find the Stability of Your Own Personal Self. You Will Realize that You Are The One Who Brings Your Essential Sacredness Forward and That You Know The Divine Essence Living In and Through You. It is Not From Someone Outside Yourself To Tell You About It, But Now You Can See It and Live It and Know It, For You Have Experienced It for Yourself....

After You Have Gone to All Four Corner, find a Comfortable Place in the Center of The Pyramid and Sit Down and Open Yourself To Receive....

While Sitting in the Center of the Foundation, You're Going to Recognize the Many Lifetimes You Have Walked Through. Bring Those Lifetimes to Your Heart and Enfold Them Into Your Knowing. Integrate Them Into the NOW. **It Is Not About Who, What, Where and When, It is Simply Allowing All Your Experiences Into Your Wholeness Now....**

When You Have Completed Your Integration, Allow Yourself to Behold All the Past Lives, Past Experiences Right Here and Now. You Will No Longer Have To Reach Out to Those Past Lives and Past Experiences. All Is In the NOW. You Are Wearing Your True Foundation of The Light of Your Own Sacredness which was Held in The Foundation of The Giza Pyramid and You Have Now Merged With It and You Are As ONE....

Now that You Have Found Your Foundation in The Pyramid, it Will Be Interlocked Into the Grid of Your Beautiful Divine Essence, Which You Call Your Earth Experience....

Now You Can Ascend Into the Apex of the Beautiful Giza Pyramid and You Will Recognize the Beautiful Divine Truth of Yourself. **You Will Find the Will Within Yourself To Stand Full and Firm In Who You Are. Allow Yourself To Recognize the Beauty of the Beautiful Collective Consciousness, to Allow the Spinning Knowledge of The Universe to Be Granted in the Here and the Now.... Not Yesterday.... Not Even Tomorrow.... But Now!....**

Ask To Be Able To Remember What You Receive. When You Feel Complete, Say To Yourself, **“I Accept My Divine Wholeness Now. I Accept My Holiness”** (3 times).... Then Slowly Move Your Body and Come Back Into The Room and Be Here Now.

## **I Sananda, Who Has Walked The Path You’re Walking, Salute You! Lord Jesus, Master Sananda, for The Sacred Sirian Gathering of Masters Through Zim, July, 1998**

*My Beloved One, I AM Sananda and I Have Heard Your Request to Provide a Message for Those Who Will Soon Gather, Those Whom You Call Masters. I AM Delighted and Honored to be Asked for a Message for Such a Glorious Gathering of Masters as is Here This Day. There are Indeed a Number of Things that I Would Share with You All.*

*The First is that Which Has Brought You All Together. You have All Embarked Upon a Long and Sometimes Tedious Journey. That Journey Took You Into the Depths of Your Own History, Past and Inner Most Beings. You have Delved Into Nooks and Crannies, so to Speak, which Long Have Been Forgotten and Covered Over, for Many of Them were Not to Your Liking. Many of Them Brought Fear, Dread, Terror Into Your Hearts and Beings when You Contemplated Them. Many of Them Brought Shame and Disgust and Pain Ever so Deep and Long Lasting.*

*You Called those Pasts, those Histories, those Depths, **Akashic Records**. You, Through Your Pure Intent and Your Desire to Be Free and Rid of Them Forever and With the Guidance of The One Called Marrianna, Searched out and Sought Every Last Scrap of Negativity, Darkness and Shadow that You Could Find and You Eradicated Them All. You Sent Them to The Light to Be Healed and to Nevermore Be a Burden to You or to Others upon The Earth. You have thus Freed Yourself. You Have Uncovered the Precious, Pure and Glorious Innermost Part of Yourself, Your Real Being, Your Real Existence. Eradicating All those Evils, Darknesses and Shadows was like Peeling Back Layers and Layers of Veils that had Hidden, Even from Your Own View, the Glory, the Purity, The Sacredness and The Divinity that is Really You.*

*You have thus Put Away Those Things that Caused You to Think Small of Yourselves. You have Erased those Things that You Thought would Mark You and Scar You for Life. And Now You Stand in Your Purity, in Your Glory, in Your Divinity! Do You Know what Beings on Other Dimensions Call Such Ones as You Have Now Become? My Dear Friends, They are called Masters: Divine, Holy, Supreme Masters. You Have Always Been Masters But Now You have Washed Away the Coverings From Your Mastership. You have Laid Aside the Trappings of Third Dimensional Darkness and Shadow and You Now Stand Out in All Your Glory as True and Complete Masters.*

***Allow Me to Bow Before You, for You Are Among The First and The Few to Have Reached This Pinnacle of Human Endeavor. As I have Said Before, You Have Reached The Highest Level of Mastery Possible on The Third Dimension and for That I Honor You and All The Beings of The Heavens Count You as One of Them.***

*Now You Have Come Together as One to Celebrate, to Continue Your Learning and Growing, to Seek Out Your Next Steps and Ways. These are the Blessings of Coming Together with Those of Like Beingness and Understanding. You Draw Upon Each Other's Strength and Wisdom and Knowledge. You Share what You have Received and Come to Understand and as You Do These Things, Each One Grows, Each One Becomes More Grounded in Truth and Divine Wisdom. **As the Two Lifted Moses, the Prophet's Arms in the Wilderness, so You Lift Each Others Arms and Indeed Each Other's Entire Beingness by Coming Together as You Have this Day.***

*Moreover, Your Coming Together Creates a Vast, Huge, Immense Focus of Energy and Light that Will Effect, Not Just You Who are Here, but Every Single Being that You Come Into Contact With. **I would Ask You to Think of Your Gather Here as a Great Light. A Light the Likes of Which Has Never Been Seen Since the Light which Shined at the Moment of My Own Birth on Earth.** If You could Stand Upon Your Moon this Evening and Look Down Upon the Earth, You Would See This Huge Glow, this Immense Light Shining Out Upon the Earth and Indeed, Upon All The Universe, from this very Room where You are Gathered. Your Individual Energy, Desire and Light is Multiplied Many, Many, Many Times Over by Your Coming Together. **It is, As I Once Said, "Where Two or Three are Gathered in My Name, There AM I In the Midst of Them."** And Indeed When We, You and I, Gather Together With One Voice, One Heart, One Purpose, Then the World is Changed.*

*More than That, Your Coming Together Marks a Major Step on the Pathway Through Your Earth Journey. You Will Remember What You Heard Here, Saw Here, Touched Here, Did Here and Received Here, for the Rest of Your Lives. These Things Will Uplift and Strengthen You both Inwardly and Outwardly Without Fail. When Doubts Assail You, as Indeed They Will, You will Remember What You Heard and Received Here and Know that Nothing, Nothing Can Ever Overcome You, for You are, Each One of You, a Divine Master! Your Existence is Not Limited to Earth and the Few Short years of Your Life Here. **Your Existence is Eternal. You Shall Never Cease to Exist!***

*Finally, as You Leave Here, You Will Go Forth, Shining Your Divinity, Your Mastery, Your Light Upon Every Last Being and Thing You Encounter in Life. Your Families, Your Friends, Your Acquaintances, Your Workmates, Those You Casually Meet in Shops and on the Streets, All, Every One, Every Thing, Plants, Animals, Rocks, Mountains and Rivers, the Ocean and The Entire Earth Will Receive From You. You Don't have To Do Anything. You Just Have to Be What You Are and That is, Divine Masters.*

*Enjoy Your Gathering, My Friends, Even as I and Great Hosts of Light Beings from All Dimensions are Enjoying It with You. **Learn What is to Be Learned. Receive What is to Be Received. Share Whatever is to Be Shared. Be Uplifted. Be Strengthened. Be Reassured. Be Certain. Be in Joy. Be The Master that You Are and Always Have Been.***

***I Sananda, Who has Walked the Path You're Now Walking, Salute You!***

*Thank You Dear Lord Sananda.*

*As I Mentioned Earlier, Two Weeks Before This Workshop, I Asked Everyone to Write Their Vision of What They Wanted to Accomplish. Our Pure Intent and The Light of so Many,*

“Divine Masters” Created the Workshop Even Before We Had a Chance to Gather Together.  
Just Think What This Book Will Do!

## The Hardest Letter I Ever Had to Write!

INNER AWARENESS MANAGEMENT (I AM)  
6296 Amber Lake Avenue  
San Diego, CA 92119

June 19, 1998

Dear \_\_\_\_\_,

I AM Writing to Advise You of the Latest Changes I Am Experiencing and How They Will Effect All who Have Scheduled Appointments with Me to Receive Akashic Record Reading and Clearings and to All Who are Planning to Attend Either of the July Workshops.

Spirit has Advised that My Physical Body Can No Longer Withstand All the New Energy I AM Receiving and Still Continue to Read and Clear Akashic Records. Spirit has Also Indicated that After the July Workshops, Enough People Will Have Received Their Third Blessing, so That a Pathway Will Be Cut to Provide Others the Means to Go Forward on Their Own to Earn Their Third Blessing.

I Was Advised that I Have Completed What I Came to Earth To Do and That it Was Time for Me to Let Go of The Way I Created and Cleared the Akashic Records. This Will Provide an Opportunity for The New Information Resulting from My “Reincarnation in the Same Soul” Experience to Merge and Bring in The Sixth Dimensional Information of The “Holiness” Before the “Fall” for Our Soul Group. Spirit has, Therefore, Created a Better Way for All Concerned! **The Best Part for You is That it Will Cost Far Less Money and Time and Still Will Provide a Means for You to Earn Your Third Blessing While Allowing Me the Opportunity to Bring in The Next Steps for Our Soul Group.**

For Some Time Spirit has “Suggested” that I Write a Book About the Reading and Clearing of Akashic Records. It is Through Such a Book Others May Learn How to Bind The Dark Forces and How to Earn Their Third Blessing Without Me Bridging My Light Energy For Them.

In Response to All This, I Will Be Taking a Sabbatical Until My Health is Back in Balance and I Have Had an Opportunity to Put What I Have Been Given in the Form of a Book. It is Through This Book That Spirit Will Create a Better Way to Earn The Third Blessing.

**Therefore, All Akashic Record Appointments After July Have Been Canceled and the Office Will Be Closed.** You Will be Notified by Mail When the Book is Completed, (it Will Take as Long as it Takes). In the Meantime, Our Energies Will Be Joined and When Spirit Directs, You Will Receive a Newsletter Updating What is Happening.

Your Understanding and Support During These Major Changes is Truly Appreciated. It is Extremely Difficult for Me To Let Go as I Know It Must Be For You Also, However, I Look

Forward to Sharing With You Not Only the Book But also The Next Steps on Our Journey, However They May Look. This is Not an Ending But a Beginning!

Those Who Have Paid for Readings in Advance, Should Have Received full Refund checks With This Letter. If Not, Please Contact the Office A.S.A. P. to Resolve the Matter.

With All My Love and Light,

Barbara Zimmermann  
(Marrianna)

Note: The Book Mentioned in This Letter is the One You Are Reading!  
I Just did Not Know I Was Going to Be Sick for Ten Years!

## **My Surprise Ending!**

This Book was Supposed to End With the Information About the Workshop I Couldn't Give Because of Illness. As The Book Neared Completion, I Could Feel Changes Happening Within My Mind and Body.

Spirit had Shared with Me I Would Be Going Through a Gateway After the Book was Completed. I had, However, Focused so Much of My Attention on Not Being Sick or in Pain, That I Forgot about It. I Just Wanted to be in the Fifth Dimension Where There Would be No Sickness or Pain.

I Also Forgot that When You Share Information Given By Spirit, More and More Information is Given to You. This is What Happened to Me as I Neared what I Thought was the End of the Book. The Following Power Surges VII and VIII Contain The New Information Shared by Spirit. They Explain the Most Magnificent Spiritual Experience of My Life!

If You Want to Experience The Same Thing or Anything Else I have Shared in This Book, Just Ask for Assistance from Spirit and Give Yourself Permission to Receive It. Then Re-Read that Section or Process as if Spirit were Talking Directly to You.

God Bless You!
