

POWER SURGE VII

Higher States of Consciousness

All of the Channelings in This Section Were from Malachi Through Katherine Torres, Ph.D., During the Latter Months of 2007, Unless Indicated Differently. This Was Over Ten Years After I Was Giving Workshops and Clearing Akashic Records.

Shifting Consciousness The Gates Opening

Alright, We Shall Use the Body Consciousness which We Shall Utilize and Say Greetings Unto You, Greeting. And We'll Ask You to Take Another Breath Within Yourself and as You Do So, We're Going to Talk to You Today About the Coloration that is Coming off of Your Body Energy. You Will Enjoy It. It is Very Much a Beautiful and Deep, Deep, Deep, Deep Rose Coloration. Now You Call It Red But this is even Darker Than the Red Your Minds Have Tendency to See. It is Very Soft You Call it Velvety, Velvety and In It You May Call It the Darkest Blood-Red of Your Mind's Consciousness You Can Imagine.

In that Then You'll Realize Your Physical Body is Allowing the Transformation to Occur. You Understand? In that You Have the Giggle, in that Which is Called Symbolic, Here is That of a Lizard that has Come Forth and You Know Lizards and Snakes and All of Those That Crawl about have a Tendency to Shed Skin and Transform Themselves, Do They Not? And so Again that is Symbolic Reality. You're Shedding and Reforming. Have You Not Already Discovered that You are Feeling a Bit Calmer Within Yourself?

Yes.

That too is Your Sign, Your Symbol that You are in Your Change and You are Balancing. Now again, here the Essence of Your Own Soul Continues to Reveal Symbols to Allow You to Know All That is Going On in Your Inner Consciousness. As We Continue to Move Through the Vibrations Now, Symbolic Energy of Yourself Comes Forward. What is it Doing? It is as Though it's Opening the Doors of the Temple of Isis. And so Her Energy, You Call it a Statue in Your World. Her Energetic Statue is Emerging From You. Know that Within Your Own Self. It is a Gift of Consciousness, Allowing You to Recall One of the Most Sacred Events of Time in Your Own Existence. And Also Another Time of Shifting Consciousness. For there has Been Every Age that Has Had a Shift, a Shift and Another Shift and Another Shift. And this is Again a Representation of the Shifting Consciousness. The Gates Opening.

Oh, How Wonderful. How Blessed I AM.

Indeed. As Always We Begin at the Level of The Spirit. Today the Level of The Spirit Looks Like the Cats that Roamed about Egypt. You Know They are Treasured Beings. For They were Indeed Used as what is Called Psychopumps. Those that Were to Help Them Cross Veils of Consciousness and Layers of Their Own Spiritual Awareness, Dimension upon Dimension. Your Own Spiritual Vibration is That of a Beautiful Cat At the Moment. And

Assisting You, as it Were, Assisting Your Personal Conscious To Cross Dimensions. Your Emotional Body. Do You Know what it's Like to Put Pieces of Puzzle Together?

Yes.

Alright, the Emotional Body has been Shifting and Moving Energy as Though You're Reassembling it From its Puzzle Pieces, Separated to its Puzzle Pieces Coming Back Together. That is Very Good, is it Not?

Yes it is.

You've Almost Completed Reassembling the Puzzle. That is Very Good, for Again, it Means that You're Much Calmer in Your Inner Self. It Helps You Adjust into Your Solid Form or What You Call Your Basic Comfort. And Just a Few More Adjustments and You Will Begin to Feel that Very Succinctly.

The Mental Quality of You. Very Active, Very Active. We're Watching What is Called Sacred Symbols in The Mental Vibration of Yourself. What it Means Unto You is Several Things. One, You're Receiving Quite a Bit of Data and Inspiration From the Galactic Realms of Consciousness. You are Indeed Being Inspired by The Divine Mind and in So Doing You are Trying to Fit it All Together Into a Language that You Can Utilize in Your Present World. Some of the Energies Will Feel Just Simply That. There's a Feeling, an Energetic Feeling, Without Definition. It Will Come. We're Watching in This Beautiful Shaping of Energy. It Will Get To Such a Point in Which You'll Be Able to Formulate It Into Your Language.

Now, We'll Go then To The Physical, Will We not? The Physical Body is Similar to the Emotional Body. Continuing to Make Its Adjustments that Your Puzzle Pieces Will Feel Like They're All Put Together. And that is What You're Doing Constantly, are You Not? Adjusting, Readjusting and Adjusting and Readjusting. Yes, Part of Your Organ System, Your Kidneys, Beautiful One, They are Adjusting at the Present Moment. The Liver Also Doing some Adjustment. The Stomach, another Organ, Doing Adjustment. Heart doing Adjustment. There's Much Happening Here In Your Internal Physical Body Doing Adjustments. But Again It Is Important that You May Feel The Balance of The Light That is Radiating Through You on Different Fields and Dimensions of Your Consciousness. We Watch You Preparing to Take More On and Preparing To Keep or Maintain or to Adjust Your Own Energy in The Physical Level. You May Feel as Though Your Vitality is Low and Worry About How Many Hours You May Stay In Activity. You Maintain Your Breathing of Light and You Will Help the Energetic Body Reassemble Its Energies and Adjusting to What Is Happening Through Your Organ Systems.

The Ego Center. Alright let Us Talk about The Ego Center. You've Been Chasing Your Ego for Some Time, have You Not? Sit Down. Don't Chase It. You Worry Too Much About That Ego Center. Again We Will Remind Yourself. I Will Sit and as I Sit and Relax in the Stage of My Ego, I Will Let the Ego Calm Itself in its Own Feelings of Worth. Then You Embrace It. Then You'll Find It's Never Been Rampant and It's All the Essence of Your Self.

Again, again, again Your Soul is Reporting You're Right On Time With All That You're Doing. All Things in Motion as You Promised It To Be.

Thank You Very Much Malachi.

Help With My Back Pain

Would the Activation of My Light Codes Help Reduce My Back Pain?

It Can Indeed Activate The Switch of Vibration That You're Painless. Now, What Must You Do to Allow the Activation, that Which is Called the Affirmation. Affirming With The Body There Is No Reason For Us To Continue To Carry On The Pains.

Process

Let Us Have You Do This With Us. Let Your Mind Travel Down Your Back. And Every Point That You Find Your Pain Will You Stop There a Minute and as You Do, Embrace That Energy and as You Do That Allow It To Speak To You. What is it Holding For You?

I Don't Know. I'm Stuck in My Head. I Don't Know What it's Saying to Me.

And Yet Beautiful One You Have Said It Quite Beautifully. You Said, I'm in My Head. We Say Come To Your Spine.

Oh. Go Into My Back.

Go Into Your Back and Feel It. Go Into Your Back and Feel It In Discord and Feel Its Comfort Zones. And as You Do That You'll Have Whole Portions That Is In Comfort or it Is In Pain Speak To You. And as It Speaks to You Let It Tell You Why It's Painful. Let It Tell You Why It's Free From Pain.

What AM I Doing? How AM I Blocking It?

Alright, Beautiful One, You See Here You're Feeling The Physical Pain. Now You've Got To Say To Yourself Contained Within The Physical Pain Is an Emotional Message. What Is It? What Is It that You've Carried For So Long That Is The Pain In Your Back? The Pain of Your Spine.

Burdens of Mine and the Stuff I've Taken on of Other People.

Much of It Is. A Belief System, Beautiful One, and How You Must Do It. And When You've Taken That On It Has Left You With Pinches, Pains and Discord, Vibrational Discords. Again They Create Discords at a Physical Level.

I'm Trying to Run a Kingdom That's Not Mine.

Indeed, Indeed.

I Need to Just Let Go and Let God.

And You are and That is What We're Affirming. There is No Reason To Keep Containing the Storage of Thoughts and Emotions that You are Not Even Utilizing. And You Move that Up and Down and Every Day That There Is a Pain, You Go in Again and You Discover It Again, What You're Holding and Why the Burdens. What's My Belief and How Old Is It and How Much of It Have I Already Discarded and Here It Is. It Wants to Fiddle with Me Again. And You Bless It and You Release It and You Bless It and You Release It and You

Remind Yourself. Now This is Old, It Is Not Necessary. This Vitality of My Body Is What Is Necessary.

That's Wonderful. That will Help Everybody, Wouldn't It?

Indeed.

Uplifting the Lights and Releasing the Coding of the Lights Within

What do I Need to Do to Complete My Transfiguration so I Can Activate My Codes?

Process

We're Going to Ask You to Come Right Into the Base of Your Feet. And as You Do that to Allow Your Consciousness to Rise Light Up Through Your Feet. Feel the Feet with The Light. And Through the Legs and Feel the Legs Become Light. Up Through the Trunk of the Body, Feel the Body Become Light. Up Through the Head and Arms, Everything Becomes Light. Feel It. It's a Conscious Effort.

It's Like I AM Shining the Light Out Everywhere. It's Almost Like an Explosion that Goes off. AM I Right in That Interpretation?

It is Indeed For You and Here Very Important in Beautiful Reality. They're Turning On The Light that is Radiating Beyond You. As You Have Moved The Light You Have Also Tripped the Codes. While Allowing Those Codes of Light to Be Released. That is Your Intent, Your Wish, Your Desire. And We'll Ask You to Simply Live Your Light and You'll Feel It Every Day as You Arise. Every Day You'll Reconnect To The Awareness That You Have Uplifted The Lights and Released the Coding of The Lights Within You. Then From There, You'll Do This in a Graciousness To Yourself. You'll Remind Yourself that Between You and The Great Spirit This Is Subtle Energy Fields. Worry Not About How It Must Look. When You Walk Amongst Others Worry Not If The Light Is On or Off If The Codes Are Lit or Not Lit. Worry Not. Be There With The Codes Lit and Beauty of The Element of Currents of a Higher Vibration To You and To Others Naturally Forms.

Beautiful Symbol Arises From Your Soul Level Again. And that is Called the Swan and That is Symbolic, a Representation of Change, Is It Not? The Code for the Transfiguration is Here. You say in Your Languages, the World's Got an Ugly Duckling that Changes into a Great, Big Beautiful Swan. Take On Your Swan.

Oh, Malachi, You're so Special. Thank You Very Much.

Seven, Seven, Seven Energy

How Can I Use the Energy of the Seven, Seven, Seven (July 7, 07) Doorway To My Highest Good and Spiritual Growth or Did We Just do That?

We Have Indeed. We Have Indeed. It is already Occurring and Your Best Use of It is to Allow Yourself To Continue to Walk Forward One Moment At a Time, One Experience At a Time. One Beautiful State At a Time. Again Your Eyes Focused Simply On Being.

The Other Day When I was in a Good Will Store, a Lady and I Started Talking. She Could Feel a Healing Coming Through Me. She Said, "You Must Be the Reason why I Came Here at This Time." It was Obvious to Me that Spirit Had Sent Her. We Had a Wonderful Healing Experience. I Wonder if This is the Kind of Thing that Will Be Happening to Me?

Indeed. You Have a Willingness to Be a Vessel, a Vessel of Light, to Be Able to Share and To Offer and Not To Shut Down. And As You're Doing That There Will Be Others Who Will Come Forward. They're Your Testers At the Doorway. This Woman Was a Test.

It was Like I Knew that Spirit was Letting Me Know.

Indeed, Indeed.

Thank You Malachi.

Activation of My Eleven Christ Star Seeds

Can You Assist Me in Activating My Eleven Christ Star Seeds and The Coding Required to Connect to My Soul Records?

Beautiful One, You're Ready the Moment You Ask. Do You Understand? In Your Readiness You've Asked Again. Do You Desire to Don Such Light Frequency Moving Through You That You Appear in the World As Someone Different? Do You Desire, Beautiful One, To Have That Difference Come Forward in Which at Times it Will Feel You Cannot Communicate With Who's Around You? Do You Desire, Beautiful One, to Let It All Not Matter?

Yes, I AM Ready.

Process

Alright Then Listen Very Carefully. Breathe and Breathe Again What You Know is The Breath of Source. Breathe with The Confidence With Every Seed of Light Here You're Calling It The Christ Seeds. Open, Release and Allow. As This Occurs in Your Breathing. Your Body Takes Upon Itself To Know That Further Transformation Must Occur on The Physical and on The Emotional and The Mental as well. You Understand? You Will Allow Yourself to Realize that as We Sit in This Time and Space Together That The Guardians Are About You, Protecting You, as You Open These Seeds of Energy. When You Go From This Space and This Time It Will Be Important That You Find a Silent Time, That You Sit Within Your Holy Living Temple, That You Allow Yourself To Feel This Sprouting of Each of These Seeds and The Movement of Your Consciousness.

Here, Beautiful One, You Have Seen in Symbolic Pictures, Those Who Seem to Be in Royal Aura of Light With Nothing but Light All About Them, Have You Not? Why is That a Symbol and Picture for Now? Because, Beautiful One, They Have Received an Inspiration From The Codes, The Energies Within Them, The Seeds of The Christ Consciousness. And That of the Veils About Them Are The Lights of Protection While the Body, Minds and Emotions All Come Into Balance. This is How You Can Utilize Your Imagination In Quiet Time. You Can Feel That Aura of Protection is Surrounding You While Allowing the Vibratory Seeds to Sprout and to Release.

Thank You Malachi.

Matrix and Sacred Geometry Codings in Egypt

How Can I Connect to The Records of Remembrance and The Sacred Geometry Codings in Egypt?

You Already Know. Have Yourself a Good Giggle here As We Began This Day, what Did We Find? A Matrix of Light Moving Through You, Sacred Geometry, Did We Not? Who Did We See Emerging? Isis, the Great Mother.

It's Already Occurring Within You and Why? Because of Your Intention. You Have Carried a Strong Intention To Know, To Be and To Exude The Light Frequencies. You Have Asked To Be Here Present All the While Changes are Taking Place in Consciousness That Can Assist Humanity. Now it Must All Blend Within You. You Call it Interweaving, Intermingling. Only With That Which is Called the Personality Self of You. For the Whole Self and Lighter Self Already Knows It. Signaling Your Personal Higher Self, Personality, That You Must Allow the Weaving To Come Forward. Foresight, Foresight You Call It.

So That's Acceptance, Right?

Indeed.

It Won't Harm My Physical Being, Will It?

It Will Not and We Shall Say to You, After You Have Set in a Quiet Space on This Day and Through Some of Your Own Earthly Time. I Will Ask You To Reach Out To Touch Another's Body. Your Hand To Their Body and Know That You Will Be Transmitting Light.

Oh, That Means the Christ Light Will Heal Them Through Me.

Indeed.

I'll be Able to Do That By Touching Them and I Wouldn't Even Have to Say Anything?

No Indeed, *Just a Touch of Love. Take Your Beautiful Hand and Remember, This Is My Hand, I Call It The Hand of Christ. I Touch With Simple Love But With Forethought. Do Not Worry as to Whether or Not It's Received or How It's Received. It is Simply The Touch of That Great and Unconditional Love. Feeling Right in Your Own Self That Is The Christ Touch.*

I Just Have to Be. That is What is Meant By, “Just Be.” I Just Have To Get Out of The Way.

Indeed.

Oh, What a Tremendous Gift. Thank You Very Much, Malachi.

Moses’ Message July, 2007

Does Moses Have a Message for Me?

Moses Has Stepped Forward and He Says to You, “Remain Stable in Your Steps of Your Spirit. Feel That Stability Within You. Yes, There Are Changes here, Acknowledges to You and While You Have Been Making the Changes Cellularly, Spiritually and Consciously but The Beauty of The Body Has Stabilized To Accept It. That is Very Important. You Have Adjusted Yourself to Such a State Here That He is Acknowledging That.”

Thank You Very Much Moses for Walking With Me.

As He Always Does, He’s Reminding You, Beautiful One, That You Keep a Balance. Yes, You Know That Term, and that You Remember that Now in the States of Your Body, Regenerating Light, It Will Be Very Important That You Remain Active and Passive, Active and Passive, Active and Passive. You Know How to Do That. There is a Great Amount of Activity Here. Activity of the Mind, Activity of the Cellular Levels of Your Cells and Subtle Bodies as Well as the Human Body. Such Activities Do Need the Adjusting Power of Balance. You Remind Yourself, There Will Be Times That I’m Prompted to Move to Be Very Active. And Times When I’m Prompted to Be Very Silent. Honor Both Do Not Force the Self to Go in Any Direction, When the Silence is Being Activated and Do Not Stop the Self from Activity with Silence When There is an Urge to Make Movement.

Is Moses Finished?

Moses Continues to Radiate a Light Field Around You and With You. It is for Your Consciousness what You May Call a Supporting Field for There is Such a Transformation That You Require This Supporting Field. Simply Know It and Be at Peace With It. It is a Good Blessing. Again You Will Remember When You Leave on This Time and This Space, This Space of Experience; You Will Find a Silent Time to Absorb All of This.

Thank You Moses and Malachi.

New Levels of Consciousness Activated

Alright Beautiful One, Yes, Yes, Yes, We Are Attempting to Get Through the Body here That You May Be In Communication. Let Us Share a Beautiful Vision of Yourself at the Present Moment. That is What You may Call Holding You Together. You Understand? We are Watching Yourself as What You Call Right in the Center of the Trunk of a Tree and the Trunk is Supporting You and the Roots are Indeed Supporting You and the Branches are Allowing what is Called the Continuance of You Reaching Up To Know More.

Thank You. Thank You.

You're Very Welcome and Now You May Paint That in a Picture.

Oh, I Would Love to Have Some Time and Energy to Paint. It'll be Coming Soon. (I was Just Getting Over Pneumonia.)

Indeed. Is a Vibration That is Very Much Supporting Your Essence. Now, What We're Watching in the Next Level of The Vibration of Your Spirit is That of The Building of Pyramids Within Your Own Beingness. You Know When You Have Visions of Multi Pyramids, One on Top of the Other, on Top of the Other, on Top of the Other and Yet Intermingled. That Would be the Best Way for You to See What We Are Seeing. That is You Releasing Energies of Spirit Within You, Beautiful One. That is You Releasing Different Stations or Levels of Energetic Consciousness. You Understand?

Is This Good?

Indeed, Very Good. Always, Always when You're Seeing The Vibrations of The Pyramids, You'll Remind Yourself that Consciousness is Expanding its Source Level. It is The Vibrations of Your Higher Reality. Alright, now the Inner Plane of Yourself is Going to Have Some Fun, so let Us Talk About That as Well.

Now, let Us See if We Can Tell You All of the Designs That are Taking Shape and Form as We have Blended with This Highest Nature of You. We Talked About The Pyramids, One on Top of the Other and as Though They're Extending One From the Other, Yes. Then Beautiful One as We are Sharing This With You, Your Own Energy of Your Higher Self Begins to Take these Beautiful Images and Create it in What You May Call Twelve Pointed Star Combinations.

Oh, I get Goose Bumps. This is Good.

It is Very Good, again, Very Good. Spirit of Yourself Releasing Awareness Through You that the Vibrations of the New Stations of Consciousness are Activated.

Thank You Malachi.

Overview of My S.E.M.P.E.S.

Could You Give Me a Quick Overview of My SEMPES?

*Alright, From the Level, Always of **Spirit** We Begin and We've Already Described it in the Beauty of The Pyramids and Twelve Pointed Star, Multi-Pyramid Within Itself. In the Beauty of the **Emotional** Body, well, You're Trying to Hold it Together, are You Not? In the Holding it Together, that which We'll Call the Sickness of The Emotion is Simply Coming From the Sickness of the Body. It is Affecting The Emotional Self. The **Mental**, also Affected by The Physical and Yet, You are Maintaining what You Term Here for Yourself a Beauty in The Mind to Help Create Your Deliberate Focus of What You Want. You Continue to Do That, it Will Refocus Itself. We're Watching it Radiate Here and Now a Beautiful Yellow-Green Color, One, Therefore There is Healing and There is Nurturing Taking Form in Your Conscious and Unconscious. Know That as Well. Now let Us Move to The **Physical** for it Is What is Having the Effect on the Other Two. Yes, The Physical Body Does Need Your Attention. Yes, there Are*

Changes of the Physical Ranges of Your Vibration and that Which is Called The Old Consciousness of Your Body is Struggling with Its Memory Bank of Discord. And Therefore, it is Pulsating Through You in that Struggle.

*Now, this too, as You Maintain Your Focus, **Mental, Emotional, Spiritual**, You Will Help Yourself Rebalance the **Physical**. The **Ego** Level. Shall We have a Giggle? The Ego Does Not Have What You Call Enough Energy to Be a Fighter at this Very Moment.*

Oh, I Know, I Feel Really Beaten Down.

Indeed, and so You're Going To Embrace The Ego that it Can Feel the Love, the Love Vibration Moving Through Your Higher Center Through The Physical that it Can Then Calm and The Ego Can Say, "Alright, I'm All Right, After All." For it is Working on Survival and it's About in its Last Step of its Survival Capability.

*Now, Unto The **Soul**, the Soul is Very Strong and That Is Important for You to Know and Here's a Giggle. You Have Been Clearing The Soul of Its Old Passages, Have You Not, of What its Past Experiences Have Been and it is Showing That?*

Oh, that's a Good Thing. Thank You Malachi.

What Will Happen During Ascension?

When The Fifth Dimension Meets with The Third Dimension, Will There be Special Sound that Keys Into The Consciousness of Those Ascending? Will Everybody Ascend or Move to Planet Maldek at That Time?

There Will be a Sound That Can Be Heard By Some of the Human Beings and Some Others Even If They Will Not Hear It. Those Know That so You're Not Be Worried if You Hear or Not.

Some Could Be Called But Not Hear It?

Indeed, It is a Frequency that as It Hits Your Brain Waves Some of You Will Hear It. It Will Hit the Occipital and You'll Recognize It. Some of You Will Not.

How Will We know?

Because There Will Be Another Change of Frequency of Vibrations That You Feel Moving Through Your Body. You'll Have a Sensation as Though You're Looking Within Your Body and Light Cords are Going on.

Now, You Ask, Will All of Humans Advance? You Have Heard Us Speak of this about Earth to You Before, Have You Not? There Will Be Those Who Say, I'm Not Ready Yet.

Will They Go to Maldek?

They Will Not Necessarily Go to Maldek.

So Where Will They Go? Where Spirit Thinks They Should Go, Right?

Indeed, and Here What You Can Look At. There Will Be Some of You That Are Existing In a Higher Vibration and Still See Those Who Are Not. When You Are in Communication With Each Other, You'll Feel as Though You're Speaking Foreign Languages.

Oh, at that Time?

Indeed.

Because We'll be in Different Vibrational Patterns?

Indeed.

Is That When I'll Be Needed to Receive the People in the Corridors?

Indeed.

So Then I Will Probably Already Be in the Corridors Before that Happens, so I Will Know What to Do.

That is Correct. As We Are Watching the Beauty of The Frequencies Within You, Beautiful One, Then it is Important for You to Realize That You're Already in the Preparatory Essence of the Corridors.

Oh, How Exciting!

Now, All of This Arranges, Rearranges, Itself, as You Call it, Balancing Yourselves, and Then Yes, There are Differences That Will Take Place Within You. Subtle Differences That You Will Feel and At Times You Will Feel as Through You are Not Here on The Earth.

Malachi, Sometimes I Feel that Way Now.

Indeed.

It's Like I have One Foot in One World and the Other Foot in Another, Somewhere Else and I'm Not Really in Either One. I'm Just Hanging Out, Have I Lost My Mind?

Indeed Not, that is the Aspect of Living in Two Different Worlds While They Are Shifting. Here Again We'll Call Them Two Earths.

Call Them What?

Two Earths. Earth One, Earth Two.

Do I Need to Ground Them?

Indeed, for While You're Doing Your Shifting, Beautiful One, The Earth Vibrations Are Shifting. You've Heard the Term Biolocate, Have You Not? You Have Biolocation Happening on The Earth Plane. Again There Will Be Some Who When They Speak To You, are Not Remembering This Event. You Say, "I Do Not Remember Either. I Was Not There and You Were Not There." That is Correct. You Will Say To Them, "Do You Remember This Event?" They Will Say, "I Do Not," For They Were Not There.

And That's Ok Because We're Going Back and Forth Between Dimensions?

Indeed, and Again Why? Because There is That Joy in Sharing, a Joy in Healing, that Joy in Calling Forth Your Brothers and Sisters to New Dimensions. If They're Not Ready, They Will Not Come. If They Are Ready They Will Be In the Listening Corridors To Learn and To Transform.

Oh, How Exciting. So I'll Get to Help Some of Them?

Indeed.

So As We Transform to That We'll Be, Able to "Shimmer" As the Arcturians Call It, to Places. Are We Talking About the Same Thing?

Indeed.

Then Could We Shimmer and Come Back to Earth? It's Not Just That You Stay in the Corridors?

That is Correct.

So We Get to Go Back and Forth?

Indeed. There Will Be Some Souls Who Do Not Choose to Come Back and Forth. Some that Will Choose to Come Back and Forth. Some Will Feel That They're Not Coming Back and Forth and Yet They Are.

Communication With My Soul and Geometric Grids

How Do I Consciously Communicate with My Soul and How Do I Communicate on The Geometric Grids?

Alright, as We Entered Into Our Energy, We Watched The Pyramids, Did We Not? We Watched The Pyramid Shape Into What Is Simply Called The Twelve Pointed Star and Yet it is Really Geometrical in its Shaping. How Do You Communicate With It? Well, Number One, Know You Are. For That Is a Reality Moving Within Your Inner Planes. Secondly, It Is First That You Use Your Creative Imagination. Imagine the Sacred Geometrical Grids. Then Allow Your Personal Energy To Feel The Blending Into The Grid. And as You Do When You See a Grid, You See Lines of Frequencies of Light, Do You Not? Then Follow Them for a Bit, Blend With Them, Become Them and Then You Will Have Interactive Sort of Feeling and Understanding That You Can Bring That Into a Language Pattern for Yourself and For Others.

Can I Also Get that by Looking at a Geometric Form?

Indeed.

Thank You Malachi.

How to Manifest From The Cosmic Light Grid

Can You Help Me Learn How to Manifest from The Cosmic Light Grid?

Alright, We'll Do This Again. You Will Blend Into The Vibration.

Oh, Merge With It.

Indeed, and When You're Doing That You Will Extract the Energy to Be Utilized Into Your Physical Reality.

I Don't Know How to Extract it, Malachi.

Alright, Then We'll Explain It. Here When We Say Merge, You Feel a Sense of Merge, Do You Not? When You Are In the Merging Position of Consciousness, Understand You're Also In The Absorbing Position of Consciousness. Therefore, You Are Already Absorbing, Therefore, Extracting.

That's What it is. I Get It. I'm Thankful for That, Malachi.

Then as You Bring Yourself Back Into the Cognitive State of Your Reality Here, You Will Have the Absorption Already Moving Through Your Cellular System. And as Your Cognitive State is Ready to Use It, It is Right There for You in Thought and in Word. If You're Consciousness is Not Quite Ready to Utilize It, Then it Continues its Absorption Through Your Cellular Memory and Through Your Brain System from which You Form Your Own Language. Then You Utilize It.

Thank You Malachi.

Activation of The Holographic Information And Solar Light Body

Can My Body Handle the Activation of The New Cycle of Holographic Information and My Solar Light Body?

Here What We're Watching, again, is That Which is Already Forming, Therefore the Body Can Handle the Energy, Even Though it is Out of Whack, Indeed. We are Watching the Radiating and Healing Light. The Healing Vibration, Then it Is Assisting This Physical Body for which You're Having Difficulties.

Can My Brain Tumor and Body Handle The Force of Cosmic Fire that is Needed to Activate My Solar Light Body?

What We Are Acknowledging to Your Soul Level, Is That You'll Only Be Gifted With What is Called Doses of Energies that Can Be Utilized By Your Body and Mind.

So I Do Not Blow My Body Up?

Indeed, That is Correct. For Yourself, You Have Already Come to The Understanding of How Too Much Energy Can Effect the Body.

I Wondered, if I Should be Asking These Questions Today. I Don't Want to Push Myself so Far that I Destroy Myself. That's Not My Intent.

Indeed, We're Watching While Again You're Talking, Beautiful One, It Is Flames of Energy That are Again Forming Beautiful Star Patterns Within You. Therefore, Know That the Soul, the Source, Is All Working in a Harmonious Reality for Your Physicalness and, Yes Again, to What is Called the Power of Choice. As We Are Sitting Here, We'll Ask You to Take a Deep Breath and to Begin to Sense What is Called an Energetic Vibrations About Yourself. Here, here, You Call This a Room so You'll Notice Just Within the Spaces of This Room. For Your Own Beingness, It Is a Disk in Circulation. It is Radiating Light. Now in a Human Force Field, All of You See That as a Space Ship. It is Indeed Vibrational Assistance From the Galaxies That are Saying, "We are Here to Assist." You've Asked Us. We Are Here To Assist and to Bring Again a Vibratory Essence for Those of You That Are Ready and Are Asking. And, Yes, Much More in The Healing Pathways.

I'm so Blessed! I AM Grateful! Thank You Malachi!

Any New Contracts Pending

Do I have Any New Contracts or New Assignments Pending After the Book is Published?

Indeed. Beautiful One, As You Can Recognize, We Are Offering To You That Which is Called The Vibrations that Are Taking Form in Your Being. It is That Reality They Must Merge Within You and as They Merge then They Must Also Emerge. They Must Come Forth Into Your World and Be Utilized. So, Yes, You Are at the Sublevels of Yourself, Already Creating New Contracts. One You Have Already Said to The Divine, "I AM of Service. What You Will, I Will Do."

I Know Spirit Walks With Me.

How Do I Handle All This Energy?

Is My Body's Central Nervous System and My Brain Able to Handle All The New Energy, Including The Trimetric System of Light and The Angelic DNA Activation?

Indeed. Once Again We Have the Offering of That Which is Taking Form Through You. It's Already Happening.

It's All so New to Me!

So the Body Now Must Readjust, Must It Not?

Is that Part of What is Going on Within My Body?

Indeed, Indeed. There is What You May Term in the Readjustment, ONLY RESISTANCE. As The Body Says, Wait One Moment, This is the Anchoring I've Had Ancestrally For a Very Long Time.

What Would My Body Like to Help Calm and Nurture It?

What You Call Warm Bubble Bath is Very Good. Calming the Body, Resting the Body, Nurturing the Body, Body Touches, You Call That Massage, Do You Not? All of That is Very Useful to Your Body As It Moves Through The Changes.

Activation of The Seven Layered Trigeometric System

How can I Activate The Seven Layered Trigeometric System That Lord Merlin is Bringing In?

You Are In the Process of It.

Does that Also Include the Angelic DNA?

Indeed, Indeed.

So then, When that Happens Does that Create a Magnetic Field Around Me and is That The Creator Light?

Indeed.

Oh, Malachi, I'm So Excited! That is So Great! So What I was Dreaming About is Already Happening.

Indeed. As You've Read About It, You Became It. You Immersed Yourself Within It. We Are Watching Its Radiance Through You.

These Beautiful Gifts are Very Special to Me.

Again We'll Acknowledge There's a Great Deal of Change in The Vibration of You. Yet, You Need To Stay Centered and Connected With the Core Earth So that You Do Not Blow Your Own Circuits.

Thank You Very Much, Malachi.

What Can I Expect Next?

What Other Changes Can I Expect or are They Just Going to Show Up As They Do Now?

Beautiful One, It Will Show Up as it is Showing Up and What Your Best Reality is To Remind Yourself. My Two Feet Are On the Ground of The Earth and I Must Maintain the Connection With the Earth Core. That Reality Will Help Me Ground All of This Energy, Rather Than Having It Blowing Me Up. Periodically, You Will Remember That As You Breathe In, You Breathe The Light of Yourself, All the Way Down To the Very Core, the Beautiful Iron Core Crystal. Then You'll Let It Pull Itself Back Up Through The Molten

Core and Unto You. In That Regard, All of The Energies that Are Being Transferred Through This Universal Consciousness and Unto Yourselves and Particularly Those of You Who Are Indeed, Stating, “I Am Ready For This Great Transformation. I’m Willing to Be An Agent.” Then Beautiful One, You’ll Be Able to Keep in Balance Within Your Body. If You Are Not Grounding It Through The Core, Then, Yes, the Bodies Take on a Very Major Effect and In the Major Effect, Beautiful One, It Does Do Damage To The Central Core Nervous System.

Have I Done Too Much Damage That is Not Correctable?

Beautiful One, We are Now Watching It and It is Not Correct. You Must Bring it Into the Core of the Earth and Ground it.

Thank You Malachi.

Seventh Universe

Can You Talk to Me About The Seventh Universe?

Alright, now, Beautiful One, We’ll Have Another Giggle. We are Talking About The Seventh Universe. You’ll Remember This Is a Planetary Existence Here That You Can Explore on The Earth Plane. It’s Dimensional Consciousness and in The Dimensional Consciousness You May See It as Though It is an Umbrella-Like Energy Field Already Around All of You. Already Being Absorbed Into The Light of Consciousness OnThe Peoples of The Earth as Well as the Dynamics of Your Galactic Brothers and Sisters.

Thank You Malachi.

Pleiadian Paradigm Residue

Can You Assist Me in Removing All My Pleiadian Paradigm Residue That is No Longer Serving Me?

All of You Who Remain in a Belief System That You’re Not as Capable As Other Beings. You Need That.

So I Can Create a Release Process for the Akashic Records?

Indeed. It Could Be the Whole Source of Your Being or Different Aspects of Yourselves That Say, “Perhaps This Level is Smarter Than Any of My Other Levels or This Level is Less Dense or This Level is More Dense.”

It’s Judge, Judge, Judge!

Yes, Indeed.

What do I Need to Include in the Release Process?

You May Say Unto Yourself and Unto All Others, That for Which I have Felt Was Karmic Webbing, From The Earth Plane to Other Galaxies to The Pleiadians and Other Star

Patternings, I Realize There are Only Experiences of The Whole. The New Experiences of The Whole, I Release My Grip Upon Them, so That Which is to Be Known of Myself and of All People to Be Known, I AM Source.

Thank You Malachi.

Infinity Codes and Divine Blueprint

Can You Activate My Infinity Codes? I Guess I Should Ask What They Are and Is That What We're Doing already?

Indeed

So That is Activating My Divine Blueprint?

Indeed. Now, We Have a Giggle, You Could Say Unto Yourself, as You're Doing All This Activation to Your Consciousnesses, Others Are Doing This Activation Through Their Consciousness. You Will Look At It as a Matrix and You'll Call It the Infinity, You Know the Symbol of Infinity and You Know How it Curves and How it Moves and How it Cycles, Do You Not? You Say to Yourselves, as We Are Activating This, Then We Must Cycle Through It. In Order to Fully Integrate It You Must Be It. Indeed. If You Maintain Yourselves In What You Call the Old Thought Patterns, the Old Thought Levels, Then What do You Have? You Have the Old Matrix.

Thank You Malachi.

New Earth Grids and Opalescent Flame

Have I Crossed the Threshold to the New Earth Grids and Will I Carry the Opalescent Flame Within My Body?

Again, Beautiful One, as We Have Been Watching the Beautiful Geometrical Shapes Come Through You, Then You Must Acknowledge You've Passed Into the New Grids. In the Opalescence Flame, I Used the Term to Be Called Forth to Be Opalescence. Well, Beautiful One, When You Look at What is Called the Fiery Opal, What do You See? You See Multi-Colors and The Flame, Do You Not? That is Called the Design of The Divine. Which is Multi-Flames of Light and in Everyone of You There Are Already The Opal Flame.

And That's Quan Yin?

Indeed. We Will Call it The Flame. The Flame is That of the Beauty of Your Pure Spirit. And From That of the Beauty of The Pure Spirit, Comes Another Level, Called the ORIGINAL FLAME. The Original Flames Consecrate a Process Which Allows Itself to Move, Evaluate, Evolve and Then Expand. As You're Moving Into What Is Being Made, The Opal Flame You're Saying Unto Yourselves, We Are Ready For the Next Cycle of Evolution for Humanity for the Existence of All In the Galaxies. Here Again, Everyone of You Have Been Waiting for the Moment To See Great Light Frequencies on The Earth, Have You Not? It is the Same As You Waiting for Jesus Christ to Return. That Flame is Within You.

We're All of That?

Indeed, So You Are In The Light of Your Own Frequencies. How? By Intention You Continue, Through Your Struggle, Do You Not? You Continue With the Intention to Live The Light of Your Higher Being and That Intention Is What Is Helping You Move Into the Higher Grids of Consciousness.

Thank You Malachi.

Malachi's Message August, 2007

Here on This Day, as You Have Entered Into Communication, the Beautiful Light, the Beautiful Flames, the Beautiful Shapes, All Have Been Revealed and That Is a Beauty Unto You, Is It Not? Your Body, Your Mind, the Essence of Your Beautiful Holy Living Temple Here, Now is Preparing to Take These Energies On For Body Living. As We Have Shared with You, it is Very Important that You Ground That Energy, That You Move It Right to the Very Core of Your Earth, That's You're Working From the Beautiful Matrix of the Iron Core Crystal in Your Core Earth Plane.

Why? Because Then You Are Fully Aligned with The Divine. It is Called Here, As Above So Below. This Would be what is Called the Below Aspect of the Above which is Now Formulating the New World. In the Core of Your Beautiful Earth, is a Great Crystal. Contained Within That Crystal is an Iron Vibration, That is Contained Within this Crystal. The Iron is The Magnet of Vibration, the Source Unto Your World. You Understand? When You Ground Into The Earth it Places You in the Above Energy for You Are an Earthly Being. When You Bring It Up to The Molten Vibration You Use Your Creative Power. The Beautiful Creative Fashion is Released In Each One of You. When You Bring That Up to What You Call the Crust of The Earth, for You Stand Upon The Earth, It is the Result of Your Own Living Mastery.

What is The Most Powerful Way to Send Healing?

Beautiful One, the More Power is Non-Judgment. For There is a Reconnection the Very Moment You Recognize There's Been a Discordance, that You're Sending a Love Vibration. Why, Because You're Saying, Thank You Very Much, You've Now Shifted and Here Is a Light To Guide You Unto the Balance. You See? Whether You Call It an Earthquake or You Call It the Disasters of Human Beings Harming Others, All of You Are Participating in a Great Change on The Earth and Every Time You Have Recognition That it Is an Opportunity to Put Forth a Blessing, Put Forth a Prayer Blessing, That You Say to Yourself, That is My Moment in Which I AM Participating to Call Back the Harmony.

Moses' Message August, 2007

Does My Beloved Moses Have a Message for Me?

Your Beloved Moses as He Steps Forward Here, Beautiful One, is Telling You. He Has Been Working With Your Spinal Column; Vibration in an Attempt to Give You Support, That You

Transform Through the Mind, Emotions in the Body and You Are Indeed at Work with This Human Body, the Physicalness, that is Undergoing Its Own Natural Changes and, Yes, Through Your Medical Team on the Earth Plane. Moses is Working.

A Pain Free Body

When I Finally Complete My Transformation Is it True My Physical Body Won't Be In Pain Any More?

That is correct. Beautiful One, for You and for Others, You'll Say Unto Your Bodies. Thank You for the Shifting and I AM Shifting With You Versus Resisting the Shifting. To The Unconscious Levels of Yourself, You Say, "Recognize the Beauty of the Shift Rather Than The Fear of the Shift For That Which Is Resisting Is Fearful."

Thank You Very Much Malachi.

The Feelings of Peace and Bliss on My Journey

*Alright, Alright, Indeed, Then We'll Say Greetings unto You as We Enter This Body and Enter the Essence called You. As We are Doing that You will Take Another Breath of Your Own Self and You Will Be Able to Feel Your Inner Essence is Changing. Transforming is a Word is It Not? Indeed, it is. **There is a Vibration Within You that Also is Called Settling Into Your Spirit and That Is Very Important. As You Settle Into Your Spirit, You Find Yourself More and More Comfortable With The Insights, Knowledge and Wisdom You have Gathered Over Your Decades of Being on The Earth.***

Is that the Peace and Calm I'm Feeling?

*That Is the Peace and the Calm. In Your World You Even Call it Bliss. There is Much More Blissfulness of Your Own Being Is There Not? Calm, now You're Able to Say to Yourself, **"Yes, I Have Made Quite a Journey. I Have Learned Quite a Bit in My Own Soul Evolution and I AM Joyful with it."***

This is True.

*Now, Beautiful One, to Speak of the Calmness is to Allow You to Know That There Is a Stronger Integration of Your Own Spiritual Center in All Other Levels of The SEMPEs. Do You Understand? There is much More of what You Call the Weaving The **Spirit** Intent into the Emotional, the Mental, the Beautiful Physical, the Ego, the Soul Already Knows its Intent of Spirit. And so You're Allowing This to Occur. You're Finding that You Do Not Have To Push, Push, Push the Beautiful Stone Up the Mountain. You're Journeying Up the Mountain of Insight. You're Not Having to Push that Beautiful Boulder. It is Very Beautiful.*

*Now, in The **Emotional Body** let's Give a good Giggle for What's Happening in The **Emotional**, Beautiful One, it's Becoming What You Call an Observer. Rather than Being in such a State of Upheavals, it is **Allowing Observation to Take More Form Rather Than Reactive Form.** That is Very Good, Is It Not? You'll Allow Yourself to Utilize That. Here We have a Giggle of a Vision for You. Beautiful One, You Know what it is to Place Someone in a Box to be Buried?*

Yes I do.

Indeed, We are Watching what is Called a Symbolic Representation of All The Emotions You Have Placed in a Box to be Buried. That is Very Good. Now, Above the Beautiful Box is that of The Six Pointed Star. You Know That is The Star of David, Do You Not? So You'll Recognize that Symbol is Also a Blessing Unto The Emotional Self That Has Already Made the Journey and Has Completed Its Journeys. That Does Mean that as the Beautiful Emotions Are In Observation, There is a Part of Yourself that Will Sit in Inquiry, Where Do I Go From Here? You'll Say, I Will Go In My Bliss. I Will Be In My Peacefulness. I Will Allow the Creator's Sparks to Simply Move Me Along My Journey. I Will Not Rush. I Will Not Hurry. Now Is My Opportunity For the Quieting.

Now, the Beautiful Mental Vibration of Yourself is, Indeed, What You Call Expanded. Meaning that You're Reaching Beyond Self and Into The Universe, Quite a Bit, are You Not? Again, here, We are Watching What is Called The Sacred Geometrical Shaping of Energy. You Know that of the Symbol of The Pyramid, Do You Not? We are Watching a Glowing Sphere Interlocking with the Pyramid at the Top of It and Circling Off into What You Call The Spirit Vibrational Realms, The Etheric. You Understand? It is Glowing in What is Called Soft Yellow and White while the Beautiful Pyramid is Glowing in Much More of the Blues and the Silvers. The Two Colorations of Vibrations of Color are Also Called Balancing Vibrations. They're Also Termed in Your World, that which is Called The Spirit in Action, Spirit in The Inner Knowing and Spirit in The Vibrations of Your Whole Being.

Your Intuitive Center from Your Own Mental Vibration is Sharpening. We'll Ask You to Notice the Visions that Come Through Your Mind. They Will Be Like Dancers. Coming and Going, Moving and Disappearing. You Hold on to Them Nonetheless, They're The Blessings. You Realize and Sense that You're Being Fed Information Through Your Thought Forms and You Are Correct. You are Being Fed Information Through Your Thought Forms. As You Receive Your Thought Forms and Insights Through Your Thought Forms and Inspiration Through Your Thought Forms, You Will Write Them Down. For in that Regard You Will Be Saying Unto Your High Consciousness, Yes, I Accept. Allowing It To Move Through You.

We are Watching Also What is Called the Galactic Stream of Energy Fields here. The Galactic Stream that is also what is Called Down-Loading Unto Yourself Information that Your Body/Mind Is Ready to Receive at Higher Levels of Your Physical Realm, Your Universal Realm, Interaction, Interweaving.

Now as We Attempt to Find a Language to Describe the Symbol, We are Having a Bit of Word Difficulty, so We'll Simply Attempt To Be in Simplicity in How We shall Show You the Design. Again, it is that Similar to a Pyramid. You'll Call It Laying Flat and in Gold Vibrations. There is Not Just One, There are Three of Them. One On Top of the Other and as They are On Top of the Other, There is Space Between Them. The Pyramids are Held By a Bar of Light that Comes to the Corners of The Pyramid and Intersects with Each Pyramid, Allowing a Rod of Energy to Be Tapped By a Beautiful Symbol of a Sphere. A Rod Blending Downwards and Extending Beyond the Three Pyramids Into, what You Call, the Stabilizing Table Type of Formation.

This here Again is Galactic Vibrations of What You Call Brothers and Sisters of The Galactic Spheres. They are Interacting With You and Indeed, Supporting You to Understand Messages that Are Flowing Forth From The Dimensions. That Are Supporting The Humanity as Well as the Entire Universe In Its Growing Changes.

May I Put Them on a Cassette Tape?

Indeed. They Do Agree Quite Readily. Alright, now, let Us Move to The Physical Body of Yourself. Now, The Spirit is Calming Is It Not? Therefore it is Helping The Body to Calm. The Beauty of Your Body Has Been Reassessing its Cells Into Harmony. That is Very Important to You. For when You Have More Harmony in the Cellular System, You're of Less Pain and of Greater Health?

Now, The Ego Center of You, We Shall Call It In Its Humbleness. It Too Has Entered Into a State of Observation. Indeed, the Observation of Your Own Higher Self and a View of The World that You Call Your Third Dimensionality, to Assess Without Judgment, to Review Without Criticality. That is Very Important, Is It Not?

The Vibration of The Soul We Have Already Acknowledged. It is Responding to The Spirit Vibration of Your Purity. It is in What You May Call, a State of Peace Itself for You Have Been Responding More To The Soul Than To The Outer Reactions of The World. Again, That is Very Important.

We'll Ask that Every Day that You're Feeling the Power of Your Peacefulness, the Call Within Yourself, that You'll Not Only Feel It But Your Center Self, Drawing the Energy Throughout Your Entire Body and To The Earth Plane Itself Into The Very Core, Beautiful One. Will You Feel Yourself Anchored, Anchored, Anchored! Will You Do That?

Yes I Will. Thank You Malachi.

Weight Gain In The World

Does All the Weight Gain in the World Have Anything To Do With Our Mutation or Is It Just That We're Eating Wrong?

A Great Deal of the Human Bodies In Expansion are Carrying Several Reasons. Yes, One, Because of the Eating of the Foods that You Will Realize Carry Nothing But Preservation Within Them. So They're Preserving Everything Within You. That Means Mental, Emotional as Well as Physical. And so Until the Humanity Begins To Take an Assessment and Review What Is Taking Place Within, They Will Continue to Eat the Foods that Preserve the Old.

Would it Make a Difference if I Created a Release for That?

Well, Beautiful One, it Will Always Make a Difference for the Individuals Will Begin to Realize that They are Eating Foods That Are Preserving Every Level of Themselves that They've Been Experiencing Here. Whether it is Frightful or Joyful. They're Not Allowing Themselves to Free Themselves Into the Next Freedom Arena. So You'll Share That with Them, Will You Not? Then the Beautiful Humans Will Begin to Say, Well, Alright, and I Need Also to Change What I Eat That Has Too Much of the Fats, Too Much of the Sugars,

Too Much of the Salts, Too Much of the Milks, Too Much of the Heavy Meats. It Does Not Mean that You Cannot Have Any of It. It Means Simply Beautiful Human Beings, Temper Your Bodies for You're Taking on Elements Within Yourselves that Are Very Drastically Preserving What You Call Your Own Past.

That's What We're Trying to Get Rid of!

Indeed, Indeed. Now There is Another Reality that is Taking Form As Well. Alright, Let Us Explain It in This Fashion. You Have Unto Your World, that Which is Called a Pressure Cooker, Do You Not? And to Cook Something To Its Completion, You Place It In this Pressure Cooker, Keeping a Lid Upon It Until it Just About Explodes Itself, Do You Not? Well, Notice that the Beautiful Evolution Here, is Like That Whine of the Pressure Cooker and You are All Holding On, Holding On, Holding On and So Under the Pressure of the Energy You're Expanding Like a Dumpling. It is Life-Changing Times Is It Not? And as the Pressure Is Upon the Consciousness and the Vibrations of Matter and Non-Matter is Carrying A Great Deal of Pressure To Come to the Strongest Whine, of The Evolution to Release To The Freedom of The Higher Evolution. Each of You are Struggling. Protecting, Protecting, Indeed. We'll Remind Everyone of You, There's Nothing to Protect Yourselves From. You're Divine Beings Here and Therefore the Source is Already With You. You Need Not Fear. You Do Need To Learn How To Let Go.

Thank You Malachi.

Earth Gateway

Is Earth The Gateway We Go Through During the Ascension Process?

Indeed, Indeed, Let Us have a good Giggle. Yes, You may Call It a Gateway for It Is a Very Important Planet Unto Your Galaxy and Unto All Galaxies. It is a Very Important Planet Unto The Source and All of You Must Pass Through It. Yes, You Must See Your Lifetimes as Gateways Through the Earth Plane. The Earth Vibration Itself, In Its Great Transition is in Accordance to The Soul Light of Every Individual that Lands Upon The Earth and Makes Its Journey. To Not Escape The Earth. Your Perception is Going Through The Earth As Though You're Coming Through The Core of It. It is The Journey of Earth Consciousness that is Called the Gateway.

Universal Prison

Alright, Again Comes the Human Language Called the Prison, is it Not? Now, Beautiful One, We Tell You, Every Soul Upon The Earth and Within The Galaxies Do Come Through Cycles of Their Own Evolution. Much of it Carries in Your Earth Realm a Bit of Challenge, Does It Not? This is Where You Begin the Notation of The Dark Forces. Now, Dark Forces Therefore Become Entities in Your Vibrational Awareness. That is Your Perception. It is Simply Energies of Consciousness That Have Held You In Your Own Shadows and Therefore the Belief that You Are Being Attacked or Attached to The Dark Forces. The Truth Is It Is Simply the Challenges of Your Ever Existence. When You're Finding that There are Those Human Beings that Created Even Ever Greater Challenge

Within Yourselves, Then You See that They Must Be Attached With Dark Forces. We'll Give Yourselves some Giggles.

They're Attached With the Challenges of Their Own Psyche. They Must Learn to Hear That and They Do Indeed Reach Out and You Call It Reach Out To You. Why? Because You're a Light Figure and There Is a Belief That Perhaps You Will Rescue Them. When You Become Too Downtrodden by Their Energy Fields, It Is Because You Must Rescue Them. Now You've Created a Cycle of The Shadow Versus The Light. There is No Prison. There is Always Transformation of Energy Patterning From Shadow to Light and Light to Shadow and Shadow to Light and Light to Shadow.

Thank You Malachi.

Atlantis, A New Level of Consciousness

Attempting to Understand the Fluctuations of Energy Again of what is Called The Dark and The Light and Also the Challenges that You Human Beings Continue to Try to Comprehend About Atlantis. Yes, a Cycle of the World of Consciousness. A Moment From One Level To Another. Challenged in Their Own Civilizations as All Civilizations Have Been Challenged. And as What is Called the Cycling of The World here You have Another Giggle, for We have often Talked About it While on Earth Two have We Not? Well, Atlantis had its Own Earth and Earth Two. The Earth Two is Yourselves and Your Own Selves Re-Acknowledging Into The Earth, Your Soul in Evolution, Became Again and Earth One. Now You're About To Move To Your Earth Two. Yes, there Will Be Some Who Will Say There was a Civilization Lost. That's How It Will Be Perceived. Yet There Will Be a New Evolution of Consciousness. What Will Appear to Be a New World, New Exploration of Life on the Earth Plane. Earth Plane Will Not Be Gone. Simply is Transforming As Well As Every Human Being, Soul in a Human Body is Exploring.

Thank You Malachi.

Oracle and Maat

Can You Tell Me More About the Oracle and Maat?

Indeed, the Oracle is Called Maat. In The Maat Energy is The Divine Feminine Quality. What Does Maat Come to Teach? Truth! First Level is Come to Teach Truth. There is a Weighing and Measuring of Truth. So that You Know What is the Higher Truth, the Grander Truth, of The Revelation of The Divine. Maat Also is Seen as What is Called The Goddess of Your Universe. The Canopy of the Star Lights Above You. The Evolution of the Energies of The Source Passing Through the Beautiful Planets and Stars Along The Galaxies that are Radiating Light Waves to Assist that of the Core Called Humanity. Therefore You May Want To Get Acquainted With Maat.

Yes, It Does Sound Like That. I'll Go into Meditation to See what She'll Share with Me.
Thank You Malachi.

Lady of Light

Is My Energy High Enough and Clear Enough to Reclaim the Name, Lady of Light?

What We Watch in the Space of Your Consciousness, You May Indeed Acknowledge, Lady of Light, and Not be Worried Where, How or When to Utilize It. For in This Regard, Beautiful One, What You're Saying Is, I AM of Light. Within It I AM Allowing that which is Called The Isness, The Divine Feminine Principle, to Move On Through Me In That Light.

So I Was The Lady of Light and Experienced Being The Lady of Dark and Now I have a High Enough Vibrational Level to be Called The Lady of Light Again. Is that Truth?

That is the Truth. That is What You're Sharing. With Such a Sharing it Says to Your Readers You Have Experienced the Whole Cycle. You Have Walked Through the Shadow and Returned Unto The Light. That Becomes Very Important as You're Beautiful Readers, Many, Walking Through the Shadow at Times Feel They Will Never Return To The Light.

Thank You Malachi.

Integration of Higher Frequencies

I Want to Integrate the Highest Frequencies of Light and Access All the Magnificence of My Heritage. Is My Body Strong Enough to Handle That?

What We are Watching, Beautiful One, is Your Soul and What is Called Vibrational Protection. Allowing You to Take In The Frequencies That The Body Can Absorb. Allow Yourself to Know That. With that Your Own Consciousness is Allowing Yourself to Blend With Higher Vibrations of Light and Utilize it in What is Called, What Shall We call it? The Volumes that You Can Carry Into the Cells. You're Not Being Lost Therefore Without, Beautiful One. You Are Absorbing As the Body Can Withstand.

So My Body Won't Be Harmed? I'm So Excited, I Feel Like I'm Going Home.

Indeed, that is What You May Call It. I AM Returning to Home. The Home Base of My Consciousness. The Spirit of My Vibration and Within It, Yes, is The Harmony and It is The Bliss for Which We Have Talked About. It is The Knowing That This Beautiful Sacredness Called Your Body, is a Holy Light and it is The Container of The Holy Light. One and the Same, The Holy Light and The Container of The Holy Light.

Thank You Malachi.
