

# PROCESS FOR BECOMING CONSCIOUSLY AWARE OF ATTRIBUTES AND VIRTUES OF THE 12 RAYS OF GOD CONSCIOUSNESS

Malachi Through Katherine Torres, Ph.D.D.D.

For Barbara "Marrianna" Zimmermann

Can you assist me to connect, reintegrate and activate all my attributes, qualities and virtues of the 12 Rays of God Consciousness?

"Beautiful One, shall we have the greatest giggle? **You Have Never Been Separated!**"

Okay, then how do I become consciously aware?

"It is again by acceptance. What has been the condition within your lives? It has been a condition to believe in the wrong of you rather than the right of you. It has been a condition in believing in failure of your sacred self rather than reality. It is always Holy. So we say to you, Beautiful One, everything you have done through this incarnation and even other incarnations you have been a part of an expression of the 12 Rays of Consciousness! You have been integrating, exploring the Shadow and Light of it all. So Beautiful One, by simply accepting it therefore igniting it!"

Can you share with me a process I can share with others that will create a means for us to consciously accept it?

## Process

Now, Beautiful One, you may allow yourselves to come into what you call your meditation time and space. You may say 'With each point of the 12 lights you may acknowledge them as vibrating within yourselves! You may form your words if you so desire to acknowledge each one. You may simply see the 12 Points of Light.'"

May I ask a question?

"Indeed."

Do each 12 points have 12 points?

"Indeed each 12 will have 12 points."

I will create a means to coordinate the colors of the Rays with the Masters of the Rays then it will be easier to remember and visualize.

“Indeed.”

Then I can put it on my web site.

“Indeed. That will be quite easier as you say for the human being that cannot conceptualize without that direction.”

And that includes me!

**“Indeed, that way you will create it for yourself and others. We shall say to all of you. You already have it! It is like everything, you already have it. It is like the affirmation ‘I Am That I Am’.”**

It seems so simple!

“Indeed.”

Thank you Malachi
