

YOU ARE THE DIVINE

Malachi Through Katherine Torres, Ph.D.D.D.

For Barbara "Marrianna" Zimmermann

How do I merge and activate my soul memory of my past lifetimes when I was living within the Light and Golden Essences including the sacred symbols, words and geometry?

"Beautiful One you are the Divine! That is what first needs to be truly known, felt and realized. For in that very moment it is a Divine expression that has all of the geometrics, shaping, vibrations, metrics, all the conditions of knowledge you are asking for. You do not have to remember a past life. You simply have to remember yourself as Source."

Oh how wonderful and it is.

"And it is."

So if I had a question, I'd know the answer!

"Indeed! Very good!"

Thank you for being so patient with me, Malachi!
