

MY PRAYER REQUEST TO RELEASE BLOCKS FROM THE THIRD DIMENSIONAL REALITY AND REQUEST THE ORIGINAL DIVINE BLUE PRINT OF DIVINITY.

Barbara "Marrianna" Zimmermann

I call on "IS" The Creator of All That Is, my Beloved Moses, Malachi, Mother Mary, Quan Yin, Archangel Michael, Archangel Raphael, Archangel Metraton, All my Guides and Council and the Heavenly Host. I ask for your assistance in creating the following changes in my life, my family, friends and all humanity IF their souls give permission.

My pure intent is to **Let Go of all my negative memories I have ever experienced while living on earth!** I forgive myself and all others for all the pain, sorrow, disappointments, blame and shame I caused anyone or anyone has inflicted on me. For I am thankful for all my experiences and the Soul growth it has provided for me.

My true intent is to remove all that blocks my spiritual growth, so I can live in my physical body on earth as **the God of my Being!**

I release all my old patterns, control devices and agreements that limit me, cause me ill health, trauma and drama, financial struggles, poor hurtful relationships, disappointments, pain and suffering, feelings of not being good enough, not fitting in, not feeling smart enough, feeling alone, unloved, unable to articulate, being tired and sick all the time, being overweight and not able to complete things.

I willingly release it all and I ask for new pictures of reality!

Please guide me, open my sacred heart to receive and to be able to accept my Divine Original Blue Print of Divinity!

For my intent is to See through God's eyes, Feel through God's heart and Love through the Oneness of "IS" The Creator of All That Is!

I ask that my spiritual, emotional, mental, physical, ego and soul (S.E.M.P.E.S.) merge and be transformed into the S.E.M.P.E.S. of "IS" The Creator of All That Is; including merging with the wisdom and knowledge of the Masters of the 7 Rays and all the abilities of the Creator so I am able to heal myself and others. To be able to remember all that is in the akashic records and to be able to heal by my presence!

I ask for union of Divine Mastery with my spouse so we can merge with one another and experience complete balance of our male and female qualities merged as one Divine Union. With the ability to share that Unity of Love and healing with all we come into contact with by our presence.

I ask for perfect health for both my spouse and me and all humanity if their souls give permission. I ask that we all have all the help we need before we need it for our spiritual growth.

I ask assistance in sharing all the many gifts I receive from my Master Guide Beloved Moses, Malachi, Mother Mary and the Heavenly Host. I seek your assistance in connecting and sharing your gifts with all those who have ears to hear your sacred messages via my new web site, Inner Awareness Management. Com.

I ask for Divine intervention so all doorways and pathways are open for me and all humanity so we all can experience ever-expanding capacity to receive the higher wisdom and knowledge. With the guidance to use it all for the highest good for all!

I willingly release and let go of all my misunderstandings, my misconceptions, and beliefs that have influenced and controlled me that are contained within the 3rd dimension.

I give thanks to all people involved in all my many experiences for they indeed have served me well!

Now it is time for me to let go and step out of the mud puddle of the 3rd dimension reality and illusions!

I claim all my power back that I knowingly and unknowingly gave away to others. I claim my authentic Divine Self, my Oneness now!

Please help me remain in my higher truth, my integrity and my highest wisdom and knowledge of the God of my Being. Please assist me in staying attuned to God's Will, in higher vibrations of Love so I can heal and resolve all my challenges coming from Love.

I accept, I accept, I accept your sacred gifts!

I thank "IS" the Creator of all that is, my Beloved Moses, Malachi, Mother Mary, Quan Yin, Archangel Michael, Archangel Raphael, Archangel Metraton, all my Guides and Council and the Heavenly Host for all your unending patience, love, assistance and guidance while walking with me back to the heart of the God All There Is!

I am grateful! I am grateful! I am grateful! I Thank You! I Thank You! I Thank You!

Amen – Amen – Amen

I am Marrianna the God of my Being!
