

SHIFTING PERCEPTUAL FIELDS

Malachi Through Katherine Torres, Ph. D. For

Barbara "Marrianna" Zimmermann

Can you assist me in Shifting My Perceptual Fields so I am Ready Psychologically, Emotionally and Spiritually Able to Perceive and Extra Dimensional Being? Like I saw you Malachi, sitting in a Chair next to me. Could you assist me in Being ready to handle that? That is what I'm asking for.

"Alright, Do Remember this, your Human Eyes Will Not be Looking so hard for the Physical Reality. You Human Eyes must fall into your Feeling, Intuition and Being so what is Seen is a Vision of Light. So again we will Remind you as you shall share with other people, Light frequencies are always there, are always there. There is a Division that has been placed in the Mind of the Humans and yet a Division like a Veil can be Opened, Lifted or Released. Understand?"

So how do I do that?

"Beautiful One, when you Feel you are Aware of yourself what do you Feel?"

I don't know what to Call it. Is that a silly thing?

"It is not. You're Not trained on the Earth Plain to Know this are you? But it is a Language of Sensing and it has no Boundaries."

So what happens?

"You must have a Containment in order to Describe it, must you not?"

Yes.

"So you allow yourself to Realize my Intuitiveness is a Feeling and in the Feeling Appears to be a Knowing and what your Language has called 'Aha'. Do you understand? "

Yes, I do.

"At that moment when you can let your Mind be in that State then your Human Eyes can See the Frequencies about you."

Would I need to Create a Container for that?

"Indeed and Label it and Invite it and State your Intention. To Sit Rather than Think, to Sense, to Feel! Then though your Senses See out of your Eyes! See and pay attention."

Oh, my, that's a Fine Line there.

“Indeed. Very Good, Very Good, Very Good. And you Human Mind Immediately Moves it Back to the Mental Doesn’t it? It Works quickly and you want it now. Indeed. So now you’re going to be the Practitioner. You’ll Practice, Practice, Practice and Practice.”

Thank You Malachi.
