

# PROCESS FOR MERGING WITH THE CREATOR'S ADAMANTINE PARTICLES AND THE DIVINE ALCHEMICAL PROPERTIES OF THE VIOLET FLAME

Malachi Through Katherine Torres, Ph.D. For

Barbara "Marrianna" Zimmermann

What is the best way to Merge, Absorb and Feel the Creator's Adamantine Particles of Primal Full Spectrum Light and the Divine Alchemical Properties of the Violet Flame? Then how do I use them for the Highest Good for all?

"Alright, Beautiful One, first answer is Intention. Do you intend to do so?"

Yes.

"Indeed. Now with that Intention you Activate the sSurce of Consciousness within you, that Primal Energy Source Consciousness. Now, Beautiful One, you may do two things with the Violet Flame. You may bring it up from the Iron Core Earth and see it rise right into the Beautiful Soles of your feet. Then you let it rise all the way up through your legs and up through your beautiful trunk of the body and out through your head and into what you'll call the Sphere of the Alternative Consciousness. Then, Beautiful One, you'll let that Beautiful Flame of the Violet return all the way down through your body, back through those feet and into the Iron Core, Crystal. You may do it again. Go from the beautiful Iron Core all the way up through the dimensionalities and back again, Feeling, Sensing, Visualizing the Violet Flame."

"While you are doing that, one of the great Teachers of the Violet flame has entered."

It's St. Germaine.

"Indeed."

Oh, I Love him so.

"Indeed, He is pointing out, Beautiful One, the affirmation, '**I Am, I Am That, I Am That, That I Am. I Am the Violet Flame.**'"

Oh, how wonderful!

"You will utilize that, will you not?"

Yes, I will!

“Utilize it while you’re visualizing the Beautiful Flame. He says to you, ‘Once you Feel the Flame moving up and down through your whole System, He encourages you to return again to the Seat of your Soul and use the Beautiful Infinity Sign to activate your Purpose.’”

Oh, thank you. I will when I sit down. I’ll write it out and have a meditation special just to do that!

“Indeed.”

That will help me! Thank you. St. Germaine helps me all the time. I thank you!

“Alright, Beautiful One, you feel the Flame moving through you?”

I feel something. I didn’t realize that was what it was. It is the Flame. It’s kind of lapping.

“Indeed, this we will encourage you. Your Mind and Heart can sense it but let the full body Feel it. For when you are doing it you are merging it within your Cellular Memory. When you anchor it in your Cellular Memory it is constantly activating to the essence of your every movement of its Expression in your Earth.”

I appreciate that. Thank You!

“Indeed.”
