

## **Level IV Divine Wisdom From 'IS'**

### **The Creator of All That IS**

#### **1. "All Humanity Is Responsible for Raising Their Own Consciousness by First Awakening To My Presence Within Them."**

**'IS' and "Marrianna"**

**'IS' The Creator of All That IS, please come sit and Talk with me this Evening.**

**"Now you Know I am Always with you! It still Feels Foreign to you that 'IS' The Creator of All the IS-ness would Speak to you Directly. You Know I am an All Loving God for you Tell that to Your Spouse and Others."**

**"Know my Child I am you. I am Expressing Through you and We will have Many Occasions in which Our Talks will assist Others in Their Transformation in the near future. You are Receiving Healing and Assistance; know the Human Body takes Time to adjust to Change. The Healing of your Throat is nearing Completion, as is your Tumor and your Memory. It is still Important for you to Follow the Directions of Archangel Michael and Mother Mary who are in Attendance with your Healing."**

**"By Meditating on 'My' 72 Hebrew Names you Create a Stronger Vibrational connection with 'Me' by Raising Your Consciousness. All Humanity is Responsible for Raising their Own Consciousness by First Awakening to 'My' Presence Within Them. After that is Reached, the Wisdom to Ask for Help is Reached and the Process is Excelled by Spirit. All have been given 'Free Will' so No One, Including 'Me' will Interfere."**

**"The Sadness, Loneliness and Tears are Part of the Letting go Process. What you are Letting go of is All that you Thought was Real. This is Extremely Hard for All aspects of Oneself."**

**“As you Choose to Regain All your Personal Will, the Emotions that you Denied yourself have to be Felt and Expressed, for No Steps on the Journey Back to ‘Me’ can be Skipped. You Came to Earth to Experience on All Levels Including the Dark Side, as you call it. The Key is to Experience Life and All that comes with it Without Judgment to Self and Others. Most find that to be Quite an Experience, for Without Judgment of Self or Others you will find Love, Peace, and Harmony.”**

**“So Even when you have Studied or Been in Service to Others, your Own Karma and Denial has to be Brought Back into Balance Willingly. Most People Choose to Stay in Denial for the Pain is Great when you See with Unclouded Glasses.”**

**“The Sorrow, Pain and Release you have been going through have been the Release that was Needed to Bring your Self-Denial, Denial of ‘Me’, and Denial of Others, as well as your Judgments into Balance. The Residue that remains will Not throw you so far off Balance and you will Enjoy the Bliss that is forthcoming.”**

**“Know you are Loved and that You are Love! Be the Peace that you are! Shine your Light for it is the IS-ness of ‘IS.’ So It Is! So Be It!”**

**“I AM ‘IS’ of All That IS, Ever Was or Ever Will Be.”**
