

2. "I Am Calling You All Home"

IS The Creator of All That Is

'IS' and "Marrianna"

Note: I am in the Desert and it is very windy. 'IS' The Creator of All That IS, please come and sit with me this Evening.

"My child, I am ever near. Know that it is My 'I Am' Blowing the Trees with the winds of My Presence. I bring Healings with the Wind even though it May Not appear that way. The Inner Excitement you have is also a Healing that you Think is caused by the Wind, But it is not. It is 'My' Love pouring Through you to Heal and make Adjustments. I Hear your Pleas for Healing and asking to be able to See and Hear Spirit. Know it will be Forthcoming and in the Right Timing. Be Gentle with Yourself and Others for Great changes are Upon One and All. The Blessings of Venus are Upon your Awakening Forgotten Wisdom, which will assist All Mankind."

"It is Time to Awaken and Step Forward with All you have Learned and been Gifted with. The Testing Time is Drawing to an End for you, and you are Ready to Share your Gifts with All Mankind, those who have Ears to Hear. Do Not Doubt you are Not making this up! It has been what you Call Light Information; there is no Heavy New Earth-Shaking Wisdom that I bring forward. It is the Process of Patience that you have been Learning, not always Easy for an Aries is it? Know your Intent to Heal yourself and Others is Pure and that your Book will move along Easier than you think. Know that I will Guide your Pen and Whisper in Your Ear, as we Spend Much Personal Time Together. You Will Enjoy Our Re-Union and Learn new ways. Yes You and I, as a Team Can Spread My Healing Light."

"I Feel your Heartache when you see Others in Struggle. Sometimes you Hurt for them more than yourself for you are Learning the Earth Game well so you can Share it with Others. It does not have to Hurt. That was Never in My Plan, but I did Not step in Because I gave you free will. I will Honor that No Matter What, and only Send My Love in Hopes that All will be Open to receive it."

“I am calling you All Home. Some are Ready yet most are far from Awakening, but All Will Come Home. The Ones that Awaken First will Assist the Others. All is already Set into action and has been in the Works for Some Time. It will be a Glorious Time and a Celebration when you Re-Unite within My Heart. What Joy Will Fill My Being as You and All Humanity will then Live in Ecstasy Free to choose What you would Like to Explore Next.”

“Some will Rest and Play, you call it R and R, for your Journey has Indeed been a Long One. The Love I have for Each and Everyone of My Blessed Children is Beyond Earthly Ability to Understand. Indeed you are Veiled and Cannot Remember, as you yourselves, have Requested. One Thing for Sure, You Will All be Surprised to know All the Power you have, and the Depth of Love that you are. Then you will Remember and your Life will be Changed Forever. Your Humanity will Continue to Provide New Growth and Experiences for Me to Ever Expand My Love, for that is what I Am. That is what you are, You just have Forgotten.”

“Tonight as you Sleep, we will Meet with your Guides and go to the healing chambers and Temples that you have wanted to visit. We will make some more Adjustments in your Throat for My Energy to Flow Unimpaired.

“Go in Peace Knowing we are One and you are not only One with Me but with Everything. You are One with Everything upon Earth and with All That Is. Let that soak Into your Senses as you go in Peace.”

“All My Love and Light Pours In Upon Your Open Heart.

Peace Be With You.”

“I am ‘IS’ of All That IS”
