

**3. "I Do Not See Anything as Right or Wrong,
It Is All Simply an Experience."**

"IS" and "Marrianna"

My Beloved I Am Presence 'IS' Please Come Share your Wisdom and Love With me this Evening. "Beloved Child of Mine you are Feeling the Wonderful Energy pull from the Planet Venus and you have been Told before that you are One of the Legions of Light from Venus, and this Indeed is Creator Truth. That is why you Feel so Close to Sananda and Sanat Kumara for they Also are of The Legions of Light from Venus. You have Worked Together before as you are Now and Will work again in the future. I Feel your Heart Longing to Know More about your Life Experiences with Them and this you will Discover as your Veils are Lifted."

"I Do Not wish to Detract from your wonderful Awakening to Discover how Grand, how Holy, how Loving you are. This, I Could say to All My Children and I will, when They Feel Safe Enough to Ask Me. Humanity has been Brain-Washed and Programmed in Ways that have Caused them to be Swayed by Material Things based on Greed, Not Understanding the magic of Sex, the Ability to Create, and the Power you have Been given."

"You, Each and Everyone, have been Learning and Experimenting with your free Choice. I Do Not See anything as Right or wrong, it is All Simply an Experience! All My Children Will Come Home, Some Will Play and Discover for a while Longer but Do Not Worry, None will be Lost."

"Do Not try to Shift Anyone, Only Share with those who have Ears to Hear of the Way to Set Yourselves Free. They can then Learn from Your Example."

"You Choose to Experience Many Heart-Breaking 'Opportunities' so that you can Teach by Sharing from your Knowing of What it Felt Like. This has Given you Compassion for Others and a Desire to Be of Service. Your Books will Provide a Means to Anchor All Your Experiences Into the Third Dimension, Which is also a means to Bring the Fifth Dimension Down to Earth and Ground It for Others. In Doing so you create Corridors of Fifth Dimensional Light for Others to Access and Experience in the Third Dimension.

"This Brings the Fifth Dimension Down to Earth and Grounds It for Others Creating a Corridor of Fifth Dimensional Light to be Accessed and Experienced."

The Experience of the Higher Dimensions Allows Humanity to Raise Their Vibrational Frequency. All Light Workers and Star Seeds are Doing the same Thing in Different ways. All are Creating Their Special Part which Creates a Means for All to Re-Unite. The Planet Could Not Ascend Without the Assistance of the Fifth Dimensional Angels, Star Seeds and Light Workers Joining Energy to Create Spirals into Higher Dimensions.”

“This is a Very Special Time in All the Galaxies for All are in Great Change and All are Moving Closer to My Heart and My Love. Always Remember to give Thanks to All on Both Sides of the Veil, for We are All One. There is Only One, I Am Every Animal, Plant, Star, Every You and Every Thing, for that is what I Am. We are Not Separate. No One, No Thing, No Place is Separate for All is Within My Body Consciousness, Exploring and Experiencing and Loving.”

“In your Experience of Polarity and Duality there has to Be a Positive and a Negative, an Up and Down, time, and many Opposites so you can Experience and Explore in the Earth School. The Time for School to End is on the Horizon. It will be a Time for Humanity to choose Light or Dark. This will Cause much to Surface as Humanity will Begin to See with their Inner Eyes.”

“There will be No More Secrets because Everyone will be Able to Read Each Others Thoughts. This My Child will cause Much Chaos and Upset as the Anger and Relationship challenges surface. The Effect of Venus will Make Major Shifts in the Consciousness Level of the Planet and All upon Her. Your task is to Stay Centered, See above the Trauma and Drama you See in the Media, and what you Hear in the Voices of your Family and Friends. Send Love and Ask to be Raised up to See from a Higher Point of View. That is How you will Be of the Highest Vibration and Assistance.”

“Do Not Worry, continue with Releasing your Core Issues and Experiences. You will find it Easier to Eat Healthier and Your Desire for Sugar and Goodies, as you call them, will be a Thing of the Past before long. As your Emotions surface to be Cleared Remember I Am with you. Ask for My Assistance and you will Feel Me Within your Heart, as you Hold My Hand and as I Walk you Home One Step at a Time.”

“There is No Rush, just Keep your Heart Open and Know you are on the Right Path. Send All your Fears Love and Release them, Let Go and Let Me. So we can then Walk in the River of Light and I will Bless you Indeed.”

“Now close your Eyes and Feel My Presence Within your Heart. Feel it Expand and Know That is My Love, the Love of the Father\Mother God, now Evermore Within your Physical Body. As you Release more Core Issues I will be Able to Increase My Presence Within, as I Joyfully and Lovingly show you the Gifts that I have for you in Heaven. Know you Must Be the One to Clear and Request your Re-Union with Me, The Creator and Know you are Gaining Great Progress. Ask for Help, Accept Help, and Keep your Heart Open. Sing Unto the Lord, Holy, Holy, Holy, Lord God Almighty.”

“Peace Be with you, and So It Is. I Am ‘IS’, the Creator of All That Is.”

Note: Then I heard the words, “Sweet Dreams,” come in a soft Whisper.
