

**4. "In Time More Will Know That They Also  
Are One With Me."**

**'IS' and "Marrianna"**

**Note: Something touched me on my Right Shoulder While I was Washing Dishes, Soft like an Angel Touch. I thought it was my Spouse but no one was there when I turned around to Look.**

**Beloved 'IS' the Creator of All That Is, please come and Talk with me this Night.**

**"My child, I am Ever with you and I Hear your Prayers for you and All that you Pray for, Mother Earth, All mankind, Animals, Trees, Plants, Whales and Dolphin. Know your Requests are Always Granted for they Come from your Heart with Unconditional Love."**

**"Your Heart has been Heavy these Last Few days and I want you to Know that Many Changes are Occurring Within your Brain and Body and Structure. It Seems to you that All is Wrong with you or Not Working as it used to. And this is So. You have Asked for my Assistance and that Moses and I walk with you."**

**"My Beloved I Always Have and Always Will but Now We have a Deeper Communication, for Indeed, it was I that Gave you the Angel Touch that you Felt On your Right Shoulder. This is Only the First Awareness of Your ability to Feel My Presence. More will Slowly Happen, for you Will Be able to Feel Me Within your Entire Body and Structure as my Overshadowing Becomes more Apparent to you. Yes, the Body Needed a Few Changes and this can Feel Uncomfortable, but I Am Sure, in Time, you will Recognize how Many More Abilities you will have. Writing your Books will be Fun for we will Do them Together. I have Many Messages yet for Mankind."**

**"Many have Not Studied and Trained as you have. So your Gifts will Fall on an Eager, Open Heart and create Healings for One and All. As you move more Into the Fifth Dimentional Awareness Know you can Ask me Any Questions and I will Guide you. You have Earned your Freedom and as you Become More Aware, Others will Seek you Out and I will Willingly Talk Through You. You Need Not Worry about Not Being Able to remember for All Will Be Provided."**

**“Know that your Grieving is the Body’s way of Releasing the Third Dimension. It is Not Easy to Enter Higher Energy when many around you have Not Realized that they are in the Fifth Dimension and not yet Aware. Your Healing Ability will Be Shared Soon so Do Not Fret.”**

**“Feel the Peace in Knowing it was I that Touched you with the Angel Touch. If you want to Give Me the Angel Touch Simply Touch your own Heart, for We are One. Yes, you and the Father are One, just as Jesus has said about Himself. In Time more Beings will Know that They Also are One with Me.....for we Shall Show Them a Fine Example.”**

**“Go my Human Angel and Think on These My Words for I Am ‘IS’ of All That Is. Peace Be With You.”**
