

2. Pearls of Wisdom for the Pearl Children

Mother Mary and “Marianna”

Beloved Divine Mother Mary, Please come and sit with me this morning and share your Gifts of Sacred wisdom.

“My child, I am ever with you as you are taking your loving steps Home once again. Worry not that time has slipped away, for we have indeed been working together in your Dream state for Your Intent is Pure.”

“Know that the Earth and all upon her are walking in New Uncharted Waters of Experience. All the Heavenly Host are watching, wondering what choices Humanity will make now. Many are awakening from a very deep, deep sleep and reconnecting to the Love of Their Being.”

“Worry Not when you turn on your television sets and radios and you hear the Trauma and Drama, Grief and Despair for the Dark forces are trying everything they can to create havoc and despair, fear and pain. Step above this Test of being controlled by anything outside of yourself! You are All Masters Playing in a Game of Love and Power. Know fear is controlling you most of the time, but that is changing for now slowly each one of you will know who you truly are. Then you will hold out your hand to help others recognize who they are! Know that this Love for one another will spread like your wild fires on a windy day. That Love will sweep clear all your memories of pain and sorrow leaving only the Wisdom you have gained from all your experiences.”

“As you know, many Masters who have completed the Third Dimensional Game and Graduated back into their Divine State of reality are Stepping forth to help Humanity at this time. They have Volunteered to reincarnate out of Love and Service to the Great Divine ‘IS’, The Creator of All That Is, to assist Humanity in experiencing something that has never, in All the Planets and Galaxies, been Done before. These Masters have chosen to Help Humanity raise Their vibrations. This comes out of Love to help all who have Not Yet Awakened to Release Their Trauma and Drama so they can live in their Physical Bodies and their Holy Sacredness that each Being was before they volunteered to participate in the Earth Experience and Play the Game of Duality where everyone Pretends that

they don't remember who they truly are. They are a Divine Sacred Spark of the Great Divine that contains all the power and Wisdom of the Divine. All this is waiting for Humanity to Claim for their own! It is the Gifts Stored in Heaven."

"It is who you Really Are that awaits you to just claim it. These Divine Masters are Coming into Earth now to Assist you. They are Called 'The Pearl Children.' We are providing a Gateway of Higher Energy Frequencies that will assist these Pearl Children to enter the Lower Vibrations of Earth so they will be able to handle the Lower Vibrations and Chaos of the Third Dimension."

"So take a deep Breath and we will Journey out into the Higher Dimensions and Bring Back and Download Higher Wisdom to help the Pearl Children and Humanity to Accept, Merge and Blend these energies of Higher Awareness."

Mother Mary takes my Hand and I am Filled with Heavenly Bliss and Love. The essence of soft roses fills my senses and I am at a very deep peace knowing I am safe.

I Feel the Soft wind on my Face as we sail through the air. It is fresh and cool against my body Essences. I see Sparks of Light in the air and colors I have never seen before fill the sky. I hear chimes and singing, many Beings of Light are gathered to greet us, Shining in Sparkling White Opal Essence Robes Holding what looks like candles but I see it is the Light of Their Being that simply flows to us in Love to Greet us. We are taken into a Beautiful rose garden with waterfalls and animals who roam Lovingly throughout the grounds. Big exotic cats play with rabbits in a loving way. All is peaceful and Love fills the pure air. An opening in the Garden appears and Crystal furniture fills this Round Healing Chamber that is out in the open. I see myself on a Crystal Bed with all the Master Healers attending to me and directing Healing Light into my Third Eye and Chakras. I can Feel my Body Being massaged but no one is touching me. All is done with Thought and Healing Love. My body is filled with Very Hot Liquid Light that is white-Gold Sparkles of Bubbles that are churning and Mixing, Triggering Codes to be activated and my vibrational Level is increasing. I can Feel myself expanding and I am told that will keep expanding until I can physically hold All the Light of my Higher Self with

Ease and Grace. I Feel the pulsing of the Divine Creator 'IS's Heartbeat pulse throughout my body.

My Head is very full of Energy and expanding to receive the New Wisdom. My Body will be used as a Trial Format for the New Energies of Heaven on Earth and will continue to be adjusted to create the Perfect Mold that can be used for Others with more Ease and Grace. I am told that it is part of my agreement to be a Guinea Pig, as we say on Earth, to assist Humanity. I am at Peace with that for it Hurts me to see the people Suffering, Warring, Starving, Dying and experiencing Sickness. It's time for a change! I am Thankful to Be in Service to the Divine So I can Help the Pearl Children and the multitudes remember who they truly are and then Live in Peace, Love and Harmony. I can see the Light coming through my Body and out Beyond my Body and I know we are through for this day.

Everyone is dancing and celebrating for all want to assist Mother Earth and Humanity to Awaken. It is of Great Joy for the Heavenly Host! Beloved 'IS', Mother Mary and Sweet Jesus, Beloved Moses and Archangel Raphael, Archangel Michael, Archangel Metatron and many, many more. The Masters form a circle around me and 'IS', the creator of All That Is Blesses One and All and Proclaims, "Indeed My Children Are Coming Home and So Be It and So It Is!"

Mother Mary then Created an Arc of Light to my Third Eye that Downloaded all the Gifts of Sacred Wisdom into my Crystal Bed in the back of my head, then directed that Wisdom down through my body into the Iron Core Crystal Grid and out through the Grid System to All planet Earth, Including the Ring around the Earth, out to All Universes, Galaxies and back to the Great Central Sun creating the Divine Sacred Figure Eight of Infinity, 'As Above So Below'!

Mother Mary asked me to close my eyes and allow all the healing to integrate into every cell of my Body and for me to rest and Know They are ever near me, I just simply need to ask and They will assist me.

"Peace Be with you until we meet again. I will see that you are Safe in your home and grounded.

"I am your Divine Mother Mary"
