

5. Healing Gifts Are Downloaded In the “Pink Crystalline Gardens”

Mother Mary and “Marrianna”

Beloved Mother Mary please come sit with me this morning and share your words of Wisdom.

“Greetings to you this day. Your Heart is Open wide for what I have to share this day.”

“Now take a Deep Breath and allow that to move Down through all your chakras and Ground it into the Iron Core Crystal Grid. Allow a Healing to take place within your Body to remove the Pain and Strain from your Beingness. Take another Very Deep Breath and Blow out your pain to be dissolved into the Christ Light. Your requests have been Heard to remove the pain, Know that they are being answered. Be patient, it is part of your lesson. Always Remember Everything happens in Divine Order. Always seek to find the message behind all that is Uncomfortable to you on All Levels of Your S.E.M.P.E.S for All contain messages but you must Look deep inside to See them and bring them into Balance.”

“This day we will talk more about the Beautiful Children who are coming to Earth that are Really Masters coming to Earth to Assist Humanity. What our Process will be to start with will be the Downloading of the Sacred Wisdom needed to provide a means for Humanity to accept their Wisdom and Understand their Wisdom within their Beingness. This will greatly assist the Masters and All Humanity and Open the Gateways to Heaven on Earth for one and all who have Ears to Hear.”

“More discussion will follow in days to come and the Wisdom will be absorbed within your own knowing, Allowing our communications more fluidity.”

“Take a deep Breath and off we’ll go unto the Pink Crystalline Gardens.”

As soon as I heard the words we were there in the Beautiful Garden Room filled with Pink Pulsing Light. I am upon the soft Crystal Table and I see the Room is filled with Masters of Healing Light. I sense that they are All Very glad I am there. I can Feel my body Essence filling with Healing

warm Liquid Light pulsing with a comforting, relaxing beat. The smell of roses fills my senses and I am totally at peace. I hear toning Ta, Ta, Ta, Ta, Ta, Ohmmm and sweet music that fills the room which also seems to be swaying with the music. I Feel movement in my Crystal Bed in the Back of my Head and Vibrations humming in my Ears. I hear clicking and Feel pushing like Feeling my head adjusting, adjusting, changing, re-wiring and Healing. I am being filled with warm honey-like substance that Is Golden Creator Light that Sparkles and bubbles with excitement. I have never experienced such gentle, gentle love, ever. Words cannot express what I am experiencing. The Divine Mother's Love is the Purest Gentleness; I want to be like that. I know this Love, understanding and Gifts are given to All Humanity directly from the Divine Heart of Mother Mary to Her Beloved Children One and All. It is a never ending flow being anchored into the Crystal Bed in the Back of my Head and it goes down my Spinal column to be anchored into the Iron Core Crystal Grid for All to be able to Feel within their Beingness. All that is needed is to be aware enough to Ask for the Divine Love to fill your Beingness. Know you have Free Choice in this matter and All have been given Free Will. I would encourage One and All to Ask for this Divine Love of Mother Mary to Fill their Beingness.

It is Bliss, upon Bliss, upon Bliss. My Body is vibrating many different Colors and these are Passing Through me. I am Grateful, I am Grateful, I am Grateful. I give Thanks to be able to Experience these Gifts and then be able to Share them with the multitudes knowing as the words leave my lips that that is what Sananda was talking about over thirty years ago when my Dad Died, when He said, "It is Not Your Time to go for you will Help the Multitudes." Everything I have ever done on Earth was in preparation for the Divine Gifts I would be Entrusted with to Share with the Multitudes. These Gifts will be available for over 2000 years, as long as this Evolution Level is needed.

I am asleep or resting on the table and the Downloading is complete for this day. The Room and Everyone in it is filled with Glowing Golden Light. I am Wrapped in Love and Mary is Holding me like a small Child would be held.

"Peace Be with you My Child. Rest, I will give you Safe Passage Home."

“I am Your Divine Mother Mary.”
