

7. Downloading of Twelve Hats Full of Divine Feminine

Power and Mastery

Mother Mary and “Marrianna”

Beloved Mother Mary please come and sit with me this morning and share your Sacred Wisdom and Love with me this day.

“My child I am here with my Love unending, to Share and Blend with your Essence this day.”

“I would that you take a Deep Breath. Today we will do more Downloading into your Crystal Bed in your Head and the Iron Core Crystal Grid in Earth. More Divine Wisdom for the Master Pearl Children and All the Children and multitudes already living upon your Beautiful Great Earth. This process we are Creating uses the Great Trinity. This will assist the Conscious awareness of those on Earth to evolve into Higher Consciousness with Ease and Grace. It also provides this Wisdom to be available for thousands of years which allows the Gateway to open more widely for Heaven on Earth and Peace to once again return upon Planet Earth.”

“Take another Deep Breath and take my hand as I lead you to Higher Dimensions of Consciousness where Others wait to Share their Gifts of Sacred Wisdom for you to ground within your Body and the Earth’s Body.”

I Feel Mother Mary gently grasp my Hand and I am filled with soft gentle sweet energy, calmness, peacefulness and Joy filling every Cell in my Body. I realize how different Her Energy Feels as that of Moses but both Feel wonderful, different. I hear sweet music swaying in the breeze and the Smell of Roses moves through my Body. I am absorbing All different vibrations through my Body as though I had no form or skin, just an open energy field. I notice I have something on my Head. I am not sure what.

Then Mother Mary shares that Twelve Hats have been placed on my Head Representing the Twelve Levels we Experience on the Third Dimensional Earth.

“Today we will be Downloading the Twelve Hats full of Wisdom into your Crystal Bed and the Iron Core Crystal Grid of Mother Earth.”

“This sacred Wisdom will create a Firm Divine Sacred foundation for the New Children, the Master Pearl Children and All the Children and Adults Upon Earth that are here now. It is also for those who Are on their way and for those who will be Coming in the near future.”

I realize that I am sitting at a Huge Round table beside Mother Mary. There are Twelve Different Masters representing Each Level of Development on the Third Dimension. These Masters Radiate different Colors and Frequencies. I realize that the Energies I will Be Receiving this day are All Feminine Energies of Great Power and Mastery. All Contain Leadership abilities, all contain Divine Sacredness of Love, Peace and Harmony.

“Know the Light and Love is so Intense that No lower Energies could withstand the High Vibration. They would simply melt into Light, eliminating all forms of Greed, Control, Competition, Hate and Revenge. All that falls into Lower Self Service Intent, simply will disappear. The Brilliant Sacred Light will transform All Lower Energies and Provide direct Connection with Higher Wisdom. This Higher Wisdom will provide a Means and a Way to Clear, Heal and balance the Water, Air, Earth and All within and upon Mother Earth back to the Original Divine Blueprint. This will usher in Heaven on Earth for Humanity.”

I hear toning from each Master as they remove a hat from my Head by their Thoughts while we are still sitting around the big table. I see Light Beams from Mother Mary to each of the Masters and Back to me, Creating the Divine Trinity as we move around the table One Level at a time. I Feel the warm Heat penetrating my Head and Body as the Wisdom is first Downloaded into my Crystal Bed in the Back of my Head, throughout my Body, down my Legs into the Earth and the Iron Core Crystal Grid then out the Grid system to the entire Planet. It returns up my legs into my Body and up to the Divine Creator then Back down within my Heart where it Shines out the Front and Back of my Heart Center and my Third Eye.

I Know that I know these Masters but I do Not know how or why. I am told it does not matter at this time. As I become aware of the Gifts as

they Surface in my Consciousness I will be able to communicate directly with each one of these Masters and they Will teach me what and how to use these Gifts for the Highest Good for all.

I am told that the Downloading has been Completed but they have Healing Gifts for me personally as they are well aware of my Body imbalances.

I see I am Floating in a lying position and Healing Light is Surrounding my Body. I Feel movement within my Essence and a warm Comforting Message but I do Not see anything or anybody touching me. It is all being Gifted to me by Thought. I am Vibrating and pulsing with unbelievable Loving Healing Light which lasts for what seems to be a wonderful long time that I never want it to stop. I can See I am full of Love and Light, as much as my Being can Contain at this time.

I give my Thanks and Appreciation for Not only their Healing but for all the Sacred Wisdom they have so willingly Shared with me and for Humanity. I know we will all meet again and I am Thankful. I thank Them and Beloved Mother Mary and She is telling me it is time for us to leave. I take another deep Breath, close my Eyes and before I know it Mother Mary has returned me to my chair in my living room in the desert. I Feel Her Sweet Embrace and Hear Her Sweet words.

“Peace Be With You Until We Meet Again.”

“I am your Divine Mother Mary.”
