

9. Do You Know That You Have A Crystal Bed

In the Back of Your Head?

Mother Mary and “Marrianna”

Beloved Mary my Divine Mother please come sit with me this day and share your Sacred Wisdom

“My Child my Heart fills with Joy as We merge to share the Downloading of Sacred Gifts for the Pearl Children and the Multitudes upon Planet Earth to assist as Mother Earth and All upon Her evolve to Higher States of Consciousness.”

I feel the Divine Mother Hold my Hand and I feel the gentle warm flowing Light. I Feel Love. I Feel safe. I Feel we are moving deep within my Beingness. I Feel like we are in a Boat floating on swaying waves as we glide through the soft changing winds. The colors before me are changing, blending and swirling around us, now leading us toward Crystal Sparkling Pink, and Soft Blue colors. I Feel the Love of the Crystal Beings passing through every cell in my Body. I know I am cleared, blessed and expanded, so I can raise my vibrational level to be able to Receive the Sacred Wisdom. I am at Peace and glowing with Sparkling Creator Light. Mother Mary leads me down a long corridor of Crystal Beings into a Garden filled with Roses, Waterfalls, Gem stones, Crystals of all colors and sizes. I can Feel the unique vibrations coming from all I pass by as I Absorb the Gifts They are sharing with me. I understand What They are sharing with me at an inner level, but I don’t have the words yet to tell you what I am receiving. Mary tells me I will Know in time what I have received and how to share it for the Highest Good of All.

“Know this same corridor will be used for All the Divine Masters to Download their Sacred Gifts through your Crystal Bed in your Head, down directly into the Iron Core Crystal Grid for all the Multitudes and the Earth to receive directly through the air they Breathe and the food they eat and the water they drink, Even the glow of a fire will have Healing Gifts. This will Create a means for all upon and within the Planet Earth to receive the Divine Sacred Gifts. This is something you wanted to be able to do long before you ever entered Earth. This Gift is possible because of all the clearing you have done on yourself and for others with No Real Desire to

make a living or fill your Bank Account. You simply Came to Share your Divine Love and make a difference. You have been told in all your Lifetimes you have never felt you had done enough. Now you have filled your Sacred Grail to overflowing, have you not? You no longer Feel you have not done enough, but now the desire to Share the Creator Truth will overshadow your old misconceptions. Distortions and Control based on greed will fade and fade until it is no more on Planet Earth. Your Feelings of deep Peace and Bliss are Healing your Body, Mind and Emotions which you will Share again with One and All.”

“My Child it is for you to know that your words, ‘It will cost you a Hug’ have been heard throughout the Galaxies and filled our Hearts with warm Loving Tears of Joy, for that is something experienced on your Earth that is a Rare experience in your Third Dimension. When those words rang true from your Sacred Heart we all had the opportunity to Feel your Hugs! That is why Spirit told you, ‘All the Heavenly Host know who you are’, and when you heard that you thought it was because you had caused us so much trouble with all your questions and running into the Wall or Hitting your head against the Wall when you didn’t know how to help someone who came to you for help. ‘This is What is Right with you, Not wrong with you,’ as you say. Ask and you shall receive, as will All who seek, will find. The entire Heavenly Host is simply Waiting for Humanity to ask because we cannot Interfere with your Free Choice.”

“As you share your New Gifts using your Crystal Bed in the Back of your Head, Others will realize they can do the same if they so desire, for the pathway has been cut, has it not?”

“Know that as you become aware of the Gifts you have been given you will know how to articulate those Gifts to all who have Ears of Hear.”

“Your essence is as full as your Body can handle this day. Worry not that you do not know who all these Beings are, for in time you will know they are your family. Your ability to Communicate with them will be with effortless effort and it will be for the Highest Good for all.”

I Feel and Hear the Masters of Light Blessing me as they go by me and I know parts of each Master’s Wisdom is going within me. I am at Peace. I Feel like we are floating as we glide past the flowers, animals, waterfalls and the sweet, sweet smell of the roses and other flowers. I

don't want to go but I know it is time. I Feel the wind take us up gently as we start our return. I blend into the Divine Mother's Love as She leads me back to my living room in the desert.

"Peace be with you My Child."

"I am your Divine Mother Mary."
