

Level VI The Prophet Moses Takes “Marrianna” On Sacred Journey’s Through Higher Dimensions

1. Beloved Moses Gifts me with my First Love Offering Of the New Sacred Wisdom Download.

Beloved Moses and “Marrianna”

Beloved Moses, I have put myself Inside The Beautiful Golden Pyramid that you and Sweet Jesus Gifted me with that is filled with Magenta Healing Light. I Invite you to Join me in Loving Exchange of what You Feel would Be the Best for me to Receive this day. I am Thankful for your Presence in my Life!

“Beloved, We begin our Journey today Into the Inner Depths of your Soul to Stir the Wisdom Stored with you for this Particular Time on your Beautiful Earth for Much is in Swift change, is it not?”

“I will ask you to take seven Deep Breaths and Hold Each One to the Count of seven and Exhale each one To The Count of seven.....then Simply Describe what you are Experiencing. Just let yourself Reside in that Inner Peace. I can See that you can go Deeper within when your Eyes are Closed....” I close my Eyes.

I See Swirling Energy in the Void that seems to go on Forever. I Sense Wind, but do not Feel it; it is more of a Knowing. I Feel Safe with Moses and whatever He asks me to do. I Feel as though we are Traveling in Space. Now we’re in a room, like a Study with Books, as in a Library. We are Sitting at a table and Moses is Teaching me Wisdom within the Books by Remote Energy Exchange. I place my Left Hand on the Book with Moses’s Guidance and His “Energy Touch” Downloads the Wisdom in Light Language Into my Conscious Memory through my third Eye. I get that it will take a while for me to convert it into English so that when I Begin to Speak the Wisdom, it will Be the Words of the Creator Speaking Through me out to Humanity to All who are Open to Receive the Wisdom. It will be the Opposite of what we have been Told in the Past, just like the Wisdom in my Book. It will be Extremely Simple but Not Necessarily Easy Because of all the Programming All of Humanity has Experienced. This was so we could Forget Who We Really are and Play This Third Dimensional Game on Earth of Free Will-Duality-Polarity-and-

Time so that we could Experience Life in Form for the Creator. We are to Remember that we Are Love, That we Are All a Cell of The Creator God 'IS', the Creator of All That Is, and Then Bring that Love and Light Down Through our Bodies and Anchor it Into the Iron Core Crystal Grid in the Center of Mother Earth.

This Wisdom that is Being Downloaded within me will Assist Humanity with New Health Procedures, Higher Consciousness and the Ability To Live in Bliss No Matter what Others are Experiencing. This can be Done Through my own Experiences and How Quickly I can Bring myself Into the New Higher Light Energy and Ground that Into the Iron Core Crystal Grid.

I Know I have Already been Given my first Test by Malachi yesterday in Regards to a question I asked about my Husbands Health. I already Knew I was at Choice as to How to Act or Re-Act to what might Be Happening to Him. I Know as I sit here this morning I passed that test and I will Only Allow Positive Thoughts to Focus on the Higher Choices we All have Been Given. I can See Very Clearly how Narrow the Road Gets Before Graduation Into Higher Dimensions. I have Known for Some Time that I am already Functioning in the fifth Dimension and that Earth and All Upon Her are Experiencing fifth Dimensional Energy, If we can Accept it Into Our reality, but it is as if we are trying to Drag All Our third Dimensional Garbage Into the fifth Dimension and it Simply Can Not Be Done! Humanity is more Confused, Disappointed, and many are Choosing to Leave Rather Than to Just Let Go of the Past Trauma and Drama, Much of Which is tied to the Material Aspects of the World.

The saying, "Let Go and Let God," Keeps coming across my Mind.

The Intensiveness of the Download has almost stopped and I Know my First Love Offering of the New Sacred Wisdom is Completed. I am Told it will Take as Long as I Allow it to Take to Integrate.

So I ask for Ease and Grace and Give myself Permission to Release the Past and to Be Open to receive the Higher Wisdom. I also ask for the Wisdom and Knowledge to Use these Gifts to the Higher Good For All I Thank You Beloved Moses for walking my Path with me and Sharing your Wisdom and Gifts. I Look Forward to our Visit Tomorrow! I also Thank All

the Heavenly Host for your Loving assistance! “I Am Beloved Moses your Guide.”
