

Level VI The Prophet Moses Takes “Marrianna” On Sacred Journey’s Through Higher Dimensions

11. “Messages From the Rain”

Beloved Moses and “Marrianna”

Beloved Moses, Please come and share with me this morning your Loving Sacred, Divine, Healing, and Wisdom.

“Greetings my Child, I Feel your Body has more Energy flowing through you today, does it not? You are on your way to recovery. Pay no attention to your ups and downs, just keep going as you have done with your Spiritual journey. Know your Physical Health and Spiritual journey are intermingled.

“You need your Physical Body to be in balance for your Spiritual Body to move forward, all must be in balance, must it not? As you follow through with your Commitment to improve your Health and Life by moving your focus to yourself instead of others you open Gateways for your Children, Family, Friends and Humanity to do the same more easily, Just as all others before you have done. Always Remember you are all One, are you not?”

Moses holds my arm and I Know we’re going to other Dimensions. I am filled with His Blissful Energy and Healing Light.

“I have a surprise for you this day,” Moses says.

I don’t have much time to ponder what He might be planning when I See water every way I turn. It is pouring rain all around us but we are not getting wet. Moses smiles and says nothing.

“Worry not and observe.” I hear the rain sending me messages. I can hardly believe my Ears as the message continues.

“I communicate with you and All Humanity, but as you say, you do not have Ears to hear, little one.” Beloved Moses is walking me through New Doorways. He says, “So you can open the Doorways for the multitudes, as you told the Great Divine Creator you would do.”

“Know that what happens to One Happens to All! Some have walked the High Road, some have walked the Low Road But All have benefited from All Experiences they have had and that others have had.

Remember the Compassion you had for your Son when he was in prison? You Knew you could not have handled that lower energy Being a Sensitive. There are many Sensitive people on Planet Earth at this time. None of these are in prison for they did not contract to Experience that Knowing they could not live through the direct contact with that much negativity and live through it. Notice the different levels that live on Planet Earth at this time that Believe in ‘Their God and Their Belief.’ They Feel that their way is the only way to reach the Great Divine Creator. All roads lead there, some are simply quicker and easier. Know that no one will be left behind. All will be washed clean of All distorted Belief imposed upon them during their life experiences, so they can take on the New Human Template that will usher in ‘Heaven of Earth’, as you call it.”

“No Pain and Suffering, no War, no Killing, no Competition, no Fear, no Judgment, no Unworthiness, no Feeling of Being Alone, for All will Remember who they are and what this Earth Experiment was all about. Great Joy will fill All your Hearts to know the Important Part Each One of you have Played in this wonderful Game that you Played on Earth.”

“Many of you will Choose to be Great Story Tellers on different Planets about what it was like to live on Planet Earth and All will have Ears to Hear. You will have a Special Aura that will be with you for all time and eternity so wherever you go, others will know of your great opportunity to experience the Good, the Bad and the Ugly as you call it.”

“Moses says, “Now take a deep Breath and relax as the Water/Rain will cleanse and wash away the Remembrance and Debris from your third Dimensional Belief systems, so that you may Blend and Merge totally into your New Human Template that you have been given.”

I could Feel the warm rain water begin with a slow cool mist that got warmer and stronger and stronger. I could Feel Moses squeeze my arm and I turned to see He was getting wet also.

He smiled and said, “We are One.”

Tears filled our Eyes and Joy filled us both! I Knew my New Journey was Beginning to End. I heard Moses say, "Worry Not my Child I will walk with you always."

I wondered if I was just dreaming All this.

Moses shared, "No, my Child your Earth Experiences were all dreams in the Illusion of Separation as the game plan was designed. All Humanity were Masters before they agreed to Come to Earth and Play the Game in Duality and Polarity and forget who they Truly were. All have been veiled so they Could participate in the Game. If not, as Masters, you would have seen it was a Game and immediately not played in the lower Vibrations. All Volunteered to come to Earth and play the game. No one was Sent here against their will. For many were called but few were chosen, but that is another Story. Go this day in Peace."

I closed my Eyes and I was home!

"Peace Be With You! I am Moses."
