

Level VI The Prophet Moses Takes “Marrianna” On Sacred Journey’s Through Higher Dimensions

12. Moses Gifts Me with a Surprise Visit

With My Deceased Parents

Beloved Moses and “Marrianna”

Beloved Moses, Please come sit with me and share what I need to hear this day.

“Greetings my Child, again we get to Blend our Energies at a deeper level. I ask you to notice how your thinking is changing. Your desires have surfaced and your Focus and Intent are grounded into Becoming Totally aware of Higher Wisdom, have they not? Your time with Katie Dove (858-354-7574) today will serve you well to clear, connect, integrate and ground your desires of clearing all your blocks and entanglements with the third Dimensional Illusion. And so you can move even further into your New Human Template. Know I will be with you as always and your Medical team and Guides are aware and willing to be of assistance. Know your friend that you call “Ila” has made her transition into the Light and is at Peace and Pain Free, Worry Not!”

Moses takes hold of my Arm for our journey this day. I am filled with His Loving, Gentle and Warm Bliss that I’ve gotten so eager to Feel every morning. The deep Peace and Fearless Relaxing is good for my Soul. I Feel Moses Sweetness enter my Mind and I See His Loving Smile as I wonder where we might go this day. I can Feel the Cool Wind blow past us as we glide through outer space. The smell in the air is new to me and as I wonder what it could be.....

I Feel Moses say, “You will See my Child.”

I Love how we can read each other’s mind without speaking.

With that thought Moses Shares, “That it won’t be long before the Multitudes will be able to do that, for in the fifth Dimension and Higher that is how it is. When we move out of the third Dimension that is how we will be able to communicate with one another.”

I See the Crystal Temples in the distance, the Sky is Pink, Yellow and Blue that sparkles and there is Joy and Happiness I can feel throughout my Body.

I Know Moses is going to take me to the Hall of Records. I can Smell the Spicy Wonderful Tobacco Pipe my Daddy used to smoke filling my senses. I wonder if it might be my Daddy or maybe Malachi that Moses is taking me to See.

I am just entering the Hall of Records. It looks like a den or reading area. There are Crystal lamps, tables, comfortable over-stuffed chairs, Fresh Flowers that fill the room with sweetness and the smell of Hickory Spice Pipe smoke is in the air. I do not See anyone but I know Someone else is in the room. Moses invites me to sit at the round table by some windows. As I sit down I can see two fields of energy sitting at the table. I Feel Unconditional Love pouring into me and I Know the Energy is Family.

Moses asks me to take another deep breath and Worry Not, for Some Loved Ones wish to Download some of your History into your Crystal Bed in the Back of your Head that will allow you to Remember your Higher Past and your Growth History. Moses says, "They have requested this opportunity to be with you and it was granted based on your Pure Intent to move forward."

I begin to Smell roses and I know Mother Mary and Isis have entered the room. I Feel what I recognize as Malachi's energy and my Guides are all familiar to me except the two Energies sitting with Moses and I at the Table. I Feel my Body Essence become warmer and a deep calm passes over me. I fall into a deeper relaxed state and as I do the mist begins to become thinner and I can See my birth Father and Mother sitting across from Moses and me. Happy excitement fills my Body and I know my parents are going to Download memories I don't remember about my past. My Mother died from Tuberculosis when I was six years old and she had been placed in a sanitarium since I was two months old. Tears of Joy and Love pour down all our faces. Tears of Joy! My Dad's Love for both my Brother Bob and I was unending.

I received this message from my parents, "We are so very proud of you and honor you for never giving up even when you felt you could not

go on. You listened to us and your Guides and learned the importance of asking for help. Just like you did this morning when the alarm clock went off and you asked Moses to help you get up so you could meditate because you missed yesterday.

As you thought the words, were you not surprised when your sweet cat Misty came right over to you and tapped your face and arm to wake you up. Know all your thoughts are things that manifest. Know we assist you in every way we can. Know most parents and family assist the ones still in the University of Earth. You are nearing graduation or this close encounter would not have been allowed in this fashion. Know again you have cut a pathway for others so they too can connect directly with Loved Ones who have passed. Know this would only happen if it would be accepted and appreciated by one and all. You would have to Be of Higher Vibrational Levels for this to be allowed to Happen.”

I feel so thankful! My Mother connects with me. Our energies make a direct connection. I Feel my Head pulsing and I know She is Downloading all that I have ever wondered about her, such as, the way she had to leave and wasn't it hard for her? So many packets of Light Energy are being Downloaded. I Know I will become aware of them as I absorb and allow them to penetrate my Beingness. I Know she is almost through when I Feel my Daddy doing the same thing. I Feel overflowing with Love and Wisdom and I can Feel Moses assisting by removing a Block I didn't know about. As He does this, I expand and He Downloads Sacred Wisdom until I am now overflowing with it all.

I really know we are through as I start to say.....I Feel myself expand again and all I have been given fills my expansion to a place that is just right. I am Merged with Both my Mother and Father and I Thank them for their Love and Gifts of Wisdom. I receive Healing from all in attendance who held the Vibrational Fields so that I could be open to receive these Gifts and not simply slip into my Emotional Body. I am Thankful! Moses I am so Grateful for your Presence in my Life and for all who are walking my pathway Home with me! I Know if this is happening to me it will happen to all who ask. It may come in the Dream State or Inner Connection like Day Dreams. I am so Thankful that I can open the Gateway for others.

Now I know what Malachi meant when He told me, you can help the multitudes from your living room.

“Peace Be With You this day. We shall be with you when you visit Katie Dove today.”

As we returned Moses shared, “All has been Downloaded into your Crystal Bed in the Back of your Head and Into the Iron Core Crystal Grid so Humanity can have access if they so choose.”

“I am Moses your Beloved Guide.”
