

**Level VI The Prophet Moses Takes “Marrianna” On Sacred Journey’s Through Higher Dimensions**

**13. Opening Gateways to your Past Wisdom.**

**Beloved Moses, ‘IS’ and “Marrianna”**

**Beloved Moses please come and sit with me this morning and share your Healing and Sacred Wisdom.**

**“My Child, Greetings this fine day. You are Feeling better and better each day, are you not? This will continue if you continue incorporating the diet changes you have discovered. Your friends will be excited with their results also if they have pure intention and desire to improve their health. The first thing you noticed was your vitality and that’s what has been missing in your life for a very long time. Assistance is being provided per your request and you are reaping the Healing results. Your Spouse is improving also, and know as you improve, he will improve also. Just as your life and Health falls into concern when He gets sick, his fails or weakens when you are sick. Your lives have merged and blended and so one assists the other out of a deep ‘Bond of Love.’ This is a Gift of One to the Other. Worry Not, you both will find your Balance soon and more play, travel, exploring and interaction will occur in your lives as you both are anxiously awaiting.”**

**Moses holds my arm and I Feel His Healing Bliss fill my Body and I See His Gentle Smile. I am Blessed indeed, all is extremely quiet and Still.**

**I hear, “Worry Not run through my mind, you are safe and you are Love. Today will be different from any other outing we have been on for I have something I want you to See and Feel for your Awareness.”**

**We move through the Dimensions in quiet Bliss. I See a Temple and I know it is a School of Wisdom. Many Beings of Light that are very tall and some that are smaller glide into the open double doorway. It is extremely quiet, no sound or messages, no chit chat is taking place, no welcoming party to greet us. This is very serious and important but I don’t know why yet. I can Feel the pulsing and Hear the sound of the Divine Creator. I know we are close to the Vibration of the Divine energy.**

**I Feel and Hear that His Vibration is adjusted for whoever is in attendance, so His Presence Does Not Harm His Master Children.**

**We enter into a huge round room with many chairs in a circle in the middle. We take a chair with all the others and “Light Dividers” go up beside Moses and me, creating a private space for us to be. I Look up and see a Big Screen like in a movie theatre and Moses smiles and I Know I am going to be shown my many Lifetimes starting just before this one I am living. I am shown my parents and other possible parents and I am deciding with my guides which parents would provide the most opportunity and challenge I would need to face, to clear, and balance my Karmic Debt. The parents that would provide the most Soul growth so I could climb the Spiritual Ladder and at the same time serve and complete my Soul Contract of what I said I would do for Spirit. I could see different ways my life could turn out depending on what I chose in my life. I Knew I would be veiled and would not remember my past and that I was a Master who had volunteered to come to the “University of Earth” and experience all the vibrations the Highs and the Lows, all my growth and the Evolution of the Beautiful Earth Vibrations.**

**I was shown flashes of power and abuse by others and myself harming others for control and greed. I was shown Higher Stations and Divine Leadership where I helped many with Healing and Spiritual Wisdom. I was shown how we were being blocked from all our past lives because we would never be able to move forward if we knew all we had done in the past, because we would be even more stuck in the past than we are now. I could see that I had prepared for many lifetimes, as so many others had to do to be able to handle the great changes that are taking place today and that would continue. I was given a better understanding of why so much is happening and that I was filled with Unending Love.**

**I Hear the words again, “Worry Not my Child for I am Ever with you and all my Children, for I am, ‘IS’, the Creator of All That Is. Know that you have opened a Gateway this day for others to experience this in their dream state for themselves, if they Ask it will be granted in Divine timing. Keep your focus and Intent and continue your New Lifestyle and you will accelerate your return to Higher Dimensions. My child, in you I am Well Pleased!”**

**Moses smiles and takes hold of my arm and I know it is time to go.**

**Moses says, “Worry Not for we shall return you safely but know your cup is full and overflowing with Wisdom, is it not?”**

**I am back again in my chair and I know this Wisdom has been Downloaded into my Crystal Bed in the Back of my Head and the Iron Core Crystal Grid in the center of the Earth so All can access it.**

**“Peace Be With you this day!” “I am Moses your Guide.”**
