

**Level VI The Prophet Moses Takes “Marrianna” On Sacred Journey’s Through Higher Dimensions**

**16. Moses Takes Me to the Training City of Possibilities  
To Experience Multidimensional Life**

**Beloved Moses and “Marrianna”**

**Beloved Moses, Please come and sit with me this afternoon and share Your Healing Wisdom with me.**

**“Greetings my Child, a lot is upon your plate, is it not? Always know my Child, your prayers are Always answered. Just like all of Humanity who asks will receive. It is however, hard for some to remember to ask due to the Emotional Fears and Turmoil that takes over their thinking Process.”**

**Take a deep Breath and let go of all worry of the third Dimension, Family, Friends and the World in general.”**

**I Feel Moses take hold of my arm and I give thanks for the Healing Light that is filling my Body. I See Moses Smile and we Blend into Divine Bliss. I Feel like a kid excited about going swimming for the first time, childlike excitement fills my essence. All that is missing is a balloon and as I thought that, one appeared.**

**I can Feel Moses say, “Thoughts are Things, are they not?”**

**I Feel the Sweet smelling air against my Face and I wonder what today will be like. I can see a Beautiful Sunset on one side and a Sunrise on the other, all at the same time. How is that Possible Moses?**

**“You will see many things today that are different than you have experienced during your Earth Experience. Today will provide a means for you to see, and many seen in a different way.”**

**“We are traveling to a Training City of Possibilities. This will provide you with a Multidimensional way of living, thinking and understanding. Most of this will be Downloaded into your Crystal Bed in the Back of your Head, for experiencing too much at one time will make you Feel like we fried your mind. You will be given this Wisdom and Ability in Divine Order**

**for the Highest Good for All. We just wanted you to see a Glimpse of what we shall be sharing with you this day.”**

**I See a Crystal Temple that is really different from any I have ever seen. Parts are round and tall, some are short and square, some have wavey sides and roofs , some of which are pointed and others are round.**

**Now I know what Moses was talking about. We enter the Temple on an open train-like railway. Now that’s different! The Light Beings are dressed in long gowns as usual, however they all Have geometric designs on them in many vibrations of flashing colors that appear and fade in and out. These signs and colors penetrate my third Eye and all my Chakra centers. They feel very warm and wiggly to me. I am floating in Space but I feel safe and I know Moses is with me. I hear loud chimes that vibrate through my entire Body. I Feel warm mist running over my Head and Body like Warm Honey just flowing on me and through my Body. I See bubbles floating in the air and it reminds me of a car wash. I See the Sun rising and Downloading Sacred wisdom from all the Dimensions. I can See it rising and arching over my body; it is Warm and Healing and I fall asleep. I don’t know how long I slept but when I awoke I could see the Sun Setting and a Beautiful Sunset in yellow, gold, purple and blue fill the sky. I can see myself with all the Masters and their gowns were all pure white and sparkling.**

**Moses shares, “That the Sacred Wisdom has been Downloaded into my essence. It will come to the Surface as I need it on my pathway. He shares it is part of the New Human Template Humanity will receive in their dream state and that this process was providing a means to Download it into the Iron Core Crystal Grid so others will have access to it as needed. It is part of my contract to help the multitudes. All the things I have been experiencing all humanity will experience, but most will not be aware of what took place so that they have the Wisdom and Ability to think so differently. Keep in mind, everything is speeding up. That is why much of this Sacredness will be Gifted in the dream state. Your sharing will provide a way for them to know why they see things so differently. Many will not care how they received the Wisdom but for those who are left in Confusion, these words will bring Peace of Mind.”**

**“Allow these Gifts to soak in, so to speak, and enjoy your day. Paint, Read, Cook or whatever Feels right for you, I will be with you, Worry Not,”**

**“Peace Be With You.” “I am your Beloved Moses.”**
