

**Level VI The Prophet Moses Takes “Marrianna” On Sacred Journey’s Through Higher Dimensions**

**21. I am a Transformer—Receiver**

**Wisdom Comes Through Me Not From Me!**

**Beloved Moses and “Marrianna”**

**Beloved Moses and my Guides, please come and sit with me this morning and share your Wisdom.**

**“Beloved Child, open your Heart to receive our Gifts of Wisdom that we have for you this day. Notice how relaxed you are this morning. Yes, your Body is tired but look past the tiredness. The Gifts you have been given are already merging within your knowing. Notice your Spouse and Children, for you will See they are more open to what you have to say.”**

**“It is for you to know that as you integrate this Higher Wisdom you Must use your words more sparingly and think before you say anything. Give less advice, wait until you are asked something before you Share what you are getting so you allow them time to receive what you are receiving. Think of yourself as a Transformer—Receiver that has the ability to relay information by thought, word, and deed.”**

**“Now you will be able to more clearly receive Higher Wisdom and relay what you have received. It will be for you and your Ego to always remember this Wisdom comes Through you, Not From you! For you are Connected to your Higher Self and the Oneness of ‘IS’, the Creator of All That Is, more directly now. You are in Service to the Divine to bring Forth Creator Wisdom for the Multitudes. Allow what you receive to be completely Downloaded and then wait a few minutes so others have a chance to receive that Wisdom directly from your Presence. If they have not come Up with and spoken what you have received then and Only then, Share your Wisdom. That Provides Humanity an opportunity to grow, and at first, they will think this New Wisdom comes from them, their personality and they will have the test for their Ego to grow and learn to move to their Higher Ego Centers so they can get out of their own way, as you say.”**

**“Your test will be to observe their growth and Not reveal the Wisdom until they ask what you think about the situation. You allow their growth by Holding the Space of Creator Light. It is what Lord Jesus meant when He told you your Role is ‘To Hold the People’s Hands and Walk Them Through Their Shadow Side.’ This is how you will Help the Multitudes the most. It will be by Bringing in The Creator Light, grounding it into the Iron Core Crystal Grid, and Living your life in Oneness with the Knowing that whatever Happens Simply Is What Is! Nothing needs to be fixed because nothing is broken. You will be able to See more and more how the people move through their periods of testing as more and more of Humanity awakens into Higher consciousness. As you learn to simply ‘Be the Light,’ you provide a means to Heal your Body, Mind and Ego.”**

**“As that happens you become more and more of the Light of the Creator. This is a slow, steady process so no harm comes to your physical Body from the Higher Vibration. As your Body adjusts to this Higher Energy and Heat, your Body will continue to Expand and Expand. This will allow you to Hold more Light and Wisdom. Know this ‘Light’ is contagious, so to speak, and you have the capacity to Light the dormant Flames in Humanity that are Slumbering, allowing them to awaken and grow at their own speed. It is all between ‘IS’ the Divine Creator and the People you come into contact with. As you grow by allowing other to grow, you all pass your tests and move into Higher Wisdom and Higher Vibrations of the Oneness. Know there are many, many steps on ‘Jacobs Ladder of Light,’ as you call it.”**

**“Enjoy your Journey for you have been in the Earth School a long, long time and Graduation is upon you and All Humanity who chose to Awaken at this time. Just like the Heavenly Host cannot share the answers to your problems with you, for it is your Journey. It is your opportunity to learn so you can be an example for others. Remember to keep your Eyes on your own plate, share when asked what you would do. The rest of the time stay Centered, stay within and enjoy your Journey of Peace, Love and Harmony.”**

**“As you do that, and paint, sew, walk at the beach with your friends and family, you are doing what you came to Earth to do, to Live, Love and Be Happy, Living in your Deep Inner Knowing that you and the Father are**

**One with All That Is. Allow your Heart and Mind to Blend and Merge with these words of Wisdom.”**

**“I can tell you that the Secret to your Success will be in your Silence!**

**Go with Peace and Love in your Heart and be open to release and let go when you meet with Katie Dove today for we will be assisting as always.”**

**“Love and Peace Be With You.” “I am Your Beloved Moses.”**
