

## **Level VI The Prophet Moses Takes “Marrianna” On Sacred Journey’s Through Higher Dimensions**

### **24. My Picture of Reality for the New Earth**

#### **“Beloved Moses and “Marrianna”**

**Note: This is the first meeting with Beloved Moses in a while due to two surgeries on the same knee.**

**My Beloved Moses, I have missed our meditations but I know you have been with me and providing your Guidance and Healing Love. Please come and sit with me so we can reconnect to our morning meetings once again.**

**“My Beloved Child, a lot has happened to you, has it not? And yes, I have been with you every step of the way. I too, missed our meditations and exploring into the unknown. Know that you can set the pace that we meet, based on how your physical Body Feels. Yes it is beginning to Heal and the pain level is different but do not rush, we have all the time we need.”**

**“I Feel your excitement and it fills my Heart for the Loving way you willingly want to be in Service to the Divine. Shall we begin today in celebration of a New Step on your Journey? Many are sending you Love and Healing and have been with you as we have All walked with you on your pathway. It is a Blessing for Us just as it is for you because we All grow with the exchange in Energy through the Dimensions.”**

**“Now close your Eyes and take one of your Beautiful deep, deep Breaths and fill your Beautiful Body with Creator Light, Peace and harmony.”**

**I Feel Moses take a Hold of my arm ever so Lovingly and my Body fills with Sparkling, Bubbling, Light as I melt into peaceful Bliss. The fresh air Feels wonderful as we glide through the Dimensions, the wide open void of “No Thing,” just waiting to be manifested into our dreams. Then I hear from within ‘IS’ asking me, “What would you like to create and manifest this Beautiful morning, my Child?”**

**As I Heard these words, the Dark Deep-Blue Sky flashes open in a Glowing Rainbow of New colors that I have never seen, all so bright yet Soothing and Calming.**

**'IS' says, "Anything is Possible, What Do You want your Picture of Reality to Look Like?"**

**Moses squeezes my arm Lovingly with a Bright Smile on His Face. I Hear Him say, "It is Possible, You know you are Not Dreaming, and Know All Humanity has been given this opportunity."**

**I take another deep Breath and ask for Moses and All my Guides and Council to assist me in Creating the Highest possibilities of Creating Heaven on Earth, for myself and All upon Earth, so everyone can experience Love, Peace, and Harmony. I call on the Wholeness of my Higher Self, my I Am Presence, the God Spark of my Beingness to give me words to speak to Create All that I desire to Manifest Now on Planet Earth. My Intent is that whatever I ask for myself, it be given to Earth and All upon Her if their Souls give permission and it is to the Highest Good for All Therefore:**

**I. I ask for a Healing for Myself and All Humanity!**

**That all the Negativity that we have ever Experienced since the Beginning of Time be re-scripted using the Universal Law of Reversal to dissolve All the Trauma and Drama, Poor Judgment, Jealousy, Everything we ever Thought or had Negative Feelings about, the words we Used to Express and the Actions that were Not of the Christ Consciousness Level, All be Re-scripted and Dissolved, Replacing them all with Positive Alternatives Including Releasing All our Negative, Hurtful, Greedy, Dominating, Fearful, and Controlling behaviors, as well as All Fighting, Yelling, Warring, Manipulating, All Abuse, all we have ever Suffered or Inflicted on others, including Babies, Children, Teens, Adults, Elderly, Animals and the Misjudgments of every Kind that we have ever Experienced.**

I ask Her to assist us All in Being Able to Embrace, Merge, and Absorb Her Divine Love Deep, Deep Within us. We ask for Her Blessing in Being able to assist and merge with the "Pearl Children" who are Ascended Masters who Volunteered to return to Earth to assist Humanity and Earth in our Evolution, so they will be born with all Twelve DNA Strands. Then our Beloved Children will be able to create the "One Hundredth Monkey" Effect! This will provide a means for us All to Give and Share Love from a Higher Level with Ourselves and All Others.**

I ask that All be returned to our Own Original Divine Blue Print of Creator Pure Love. We ask that All that is Blocking Peace on Earth be Removed and Dissolved and Healed. Using the Universal Law of Reversal and Divine Re-scripting, I ask for All Negativity on Earth be replaced with Positive Alternatives so we can Create Peace on Earth.**

## **VI. I Ask for Healing So We All Can Remember our Wholeness!**

**I ask that Lord Jesus, Master Sananda, Bless us One and All and Assist us to Step Out of the Third Dimensional Experience into the Fifth Dimension and Higher Dimensions with Ease and Grace. I ask that All upon Earth Be Able to Embrace and Integrate Love, Peace and Harmony within their Hearts so that we All can Remember that “The Father/Mother God is within Us All and we are All One and Remember and Claim our Own Wholeness with the Creator of All That Is Now.”**

**Beloved Moses Thank You for assisting me in Documenting All this!**

**“Now, take a Deep Breath and allow yourself to Reconnect to where we are in this Dimension.”**

**I Feel Moses’ Loving energy Activating my Heart Center and Bringing my Awareness back within the Rainbow Lights and the Warm, Loving Feeling of ‘IS’, the Creator of All That Is.**

**I Hear the Loving Voice of ‘IS’ again inviting Moses and I Into the Central Healing Temple and with that we are Instantly Within a Crystal Temple with Vibrant Soothing Sounds and Soft Lights that change colors slowly and rhythmically and I know they are Healing Lights. I Feel Wonderful—like all Negative thoughts, words, and actions are gone from me and I am full of Blissful Love and my Vibration is Faster and Higher. I Feel Extremely warm but still comfortable. I Don’t See anything but colored Lights but I know the room is full of Beings of Light. Nothing is said, I am Simply in Divine Bliss and Divine Peace. “Nothing Matters” has a Brand New Meaning to me. Having all the Negative Removed Creates a deep wonderment of why I thought so much was important and that things had to be a certain way. I hope I can always maintain this Feeling that “Nothing Matters” for it is sheer Freedom and Peace of Mind!**

**I See a very large Crystal Table with Pink Roses All down the Center which Fills the Room with the sweetness of Roses. I See Mother Mary Interacting with a group of Ascended Masters All sitting around this Beautiful Crystal Table. They are All Radiating different colors of Light.**

**Moses shares, “That these are Some of the Ascended Masters that have volunteered to come to Earth that will be called the Pearl Children.”**

**I am Honored to be in their Presence and Mother Mary has shared that I am One of the Human Beings Downloading Wisdom that She has provided Into the Iron Core Crystal Grid and my Crystal Bed in the Back of my Head.**

**This New Process will Provide the Pearl Children and All upon Earth with a means to have access to the Knowledge that will be needed once the Pearl Children arrive on Earth. There is much Excitement taking place, for what they have agreed to, is an unbelievable Gift of Service for the Divine Creator and All upon Earth.**

**Moses shares, “that the reason I have been Invited to this Gathering is to provide an ‘Inter-Link’ for the Pearl Children to have a Direct Connection to Mother Mary’s Wisdom through my Crystal Bed in the Back of my Head. Triggers and Codes will be used for them to be able to Download the Wisdom that Mother Mary is Sharing with them to use. This will Provide a Continuous Access for the Newer Wisdom as it Becomes Necessary to be given to them Directly as they grow into Adults. While they are very young, the connection will automatically Download Feelings of Higher Vibrations so the Babies Feel more Content and Happy on the Earth Plane. As they grow and age, this Link will be available for them to Create what would work the best for each of them via the Crystal Bed in your Head. You will be given what needs to be Downloaded during your Meditations with Mother Mary Each Day.”**

**I was told that Moses will ensure that I connect with Mother Mary if She Needs me to do something since Moses walks with me Day and Night and I have said I would be glad to assist. So today I will join this group and Together we will All receive a Downloading of Wisdom in Light Language that Later will Surface into the English Language and Wisdom.**

**Now it Feels like Vibrations clicking Codes and toning sounds that provide an Inter-Connection Between us All. I am told I will know and recognize the Pearl Children if I ever See them on Earth, for we All will Remember this Day and know how to Switch on Deeper Wisdom when and if we meet on Earth. I am told to “Worry Not, it will happen in Divine Timing.”**

**This process creates a Swaying Effect and Blending Effect between us All and I am so Thankful. This goes on for some time and then**

**everything Becomes Very, Very Still and quiet allowing us to Softly Integrate the Gifts.....**

**We all say our Good Byes with Thought, not words and Moses lets me know it's time to go. I really don't want to leave the Love, it Feels so Wonderful but I know it's time. I can See They all have More to do this Day and I have Received All my Crystal Bed in the Back of my Head can Hold at this time.**

**Moses Takes Hold of my Arm and I am filled with His Beautiful Essence. Moses leads me through the Dimensions as We Hum, Smile, Explore, and Observe the Inner Dimensions.**

**Soon I find myself back in my chair in the desert. I am filled with Love and I am Very tired. I tell Beloved Moses Thank You and that we'll meet again tomorrow.**

**"Peace Be With You." "I am Your Beloved Moses."**
