

Level VI The Prophet Moses Takes “Marrianna” On Sacred Journey’s Through Higher Dimensions

25. My Karma Healing in the Crystal Healing Temple

Beloved Moses, ‘IS’, Mother Mary, and “Marrianna”

Beloved Moses, please come and sit with me this morning and share your words of Wisdom with me.

“My Child, it is My Pleasure to be with you again this day. I do know you have your plate full of channelings to transcribe and I appreciate your time and dedication to our project. Today will be a little different for you as our time unfolds into different areas I wish to share with you. Moses shares, “I know you are seemingly stuck in releasing your Negative Implants from your lifetime in Egypt that you have been trying to clear. May I assist you in clearing and dissolving that Blockage that is affecting your Health at this time?”

Yes, please. I don’t know why or what is Blocking me. Yesterday I got a hint that maybe the Illuminati might have Encoded and Implanted some kind of influence or Controlling Devise in me.

“You are correct my Child for they were the ones who caused the drugs you took to be closer to God to damage your Brain. They switched some of the synapsis in your Brain and Programmed you to Create Brain Tumors, which in turn caused you to remember the Fear, Guilt, and Trauma for all the lifetimes you were to live.”

“When you were able to make the connection in your Mind about the Illuminati, that opened a doorway for me to offer My assistance with your Healing, for long ago you gave me permission to assist you even when you didn’t know what to ask for, if it was for your Highest Good.”

“Now that Blockage has shifted to try and interfere with Our Meetings and your Meetings with Mother Mary, both of which you have agreed to participate with at your Core Cellular Heart Level. That is not going to be allowed for you have tried and tried again.”

“The Dark Forces are aware of your Power and the affect you will have on the Multitudes. That is why you have had to experience so much

pain and suffering in your Physical Body. Your determination and Deep Love for the Creator has never wavered and Enough is Enough!"

"So this day will indeed be a Great Day of Celebration, not only for you but All the Heavenly Host for the Pathway you have provided for Humanity to follow."

"You have asked why you are so connected to the Spirit World when so many of your friends and family are interested but not like you are. You worry that something is wrong with you. We tell you to Worry Not, do we not?"

"My child, before the Earth Experiment began, your Soul said it would return during these times of transformation to assist. You have been groomed by the Heavenly Host to know what to do, when to do it, and to ask for help and it would be provided."

"When the Illuminati became aware of that, they took advantage of you, to become closer to God because you missed the Higher Energy so much, that left your Subconscious Mind thinking you did something very wrong and you Let God and Everyone who counted on you down."

"Your choices were influenced by the Dark Forces but as with All the Earth experiences you had to experience the cause and effect. The same is true for All Humanity. Like your Son who used drugs and ended up in Prison, like so many others. Yes, the Dark Forces tempt Humanity to do things that look like fun and something daring. They make Humanity use their Free Will Power in a way that serves the Dark Force."

"The other day when 'IS' asked you what you would like to create on the New Earth, one of the things you requested was that all the negative influence be Released, Dissolved, and Re-scripted from you and from All Humanity. And you included the Illuminati by name in your request. So it is for you to know, you have asked and it has been granted!"

So, you have the opportunity to clear yourself of your Health Challenges and you have Gifted that to All Humanity."

"I ask you to take a deep Breath and we'll Journey to the Central Crystal Healing Temple."

I Feel in overwhelm, for I have been trying to clear this or understand all my unusual Health Challenges for over thirty years. Tears begin to pour and my Body is Shaking as we Travel through the Dimensions.

My Body is filled with the Bliss of Moses' High Energy which helps keep my Emotional Releases controllable. I was told I would have to Feel at a Deep Core Level All the Pain and Suffering I experienced when I retreated into a Cave to get away from Everyone after I took the drugs and they damaged my Brain. I no longer could receive Creator Truth. I knew it was the Dark Forces but I didn't know what to do to correct it. I did not want to give False Information to the ones who came to me for assistance. I was well known as a Seer and gave assistance to the Egyptian Leaders and the well-to-do society.

In the cave, I cried, I prayed, I Begged for Spirit for help, but none was to be granted. I was caught in the Law of Cause and Effect and I would have to experience All the trauma and drama that went with it.

It was dark, cold, and lonely in the cave. I had nothing to eat. I was afraid of the animals, snakes, rats, and my Body looked like I had Leprosy. Big rats ate my flesh right off my Body, while I was alive. I Cursed God, Everyone and Everybody. I felt Hurt, Rejected, Unloved, Unworthy, Guilty, Shameful, Angry, Revengeful, Lost and Confused. I felt so alone knowing I had really Let God and everybody down.

I died a long Horrible Death that took a very long time to finally end. This Trauma and Drama has bled through the veil during each of my lifetimes since then, and now, finally, at age Sixty Eight, I am being Cleared and Forgiven for all I have created in the past.

Moses shares, "That the Implants and Encodings that the Dark Forces had inflicted on and in me had been partly removed when I had requested my Implants be removed when I was Clearing Akashic Records for myself and others, but the Illuminati knew what I had agreed to do for the Divine Creator, so they Created a devise that was interconnected to my Brain Matrix that would keep me limited to the Third Dimension and would Block my evolution and my ability to assist others."

"This year of 2010, is the year of the Universal Law of Reversal and the Gift from 'IS', the Creator of All That Is, to be able to Re-script All the

negativity Humanity has Experienced while living on Earth and participating in the Great Earth Experiment.”

Words cannot express the deep, deep feelings of Shame, Blame, Hurt, and Regret of knowing I have within me the Divine Creator Truth and yet unable to articulate it and share it with Humanity. The Fear and terror I would again tell something wrong to someone and hurt them was overwhelming. It Blocked me from Sharing all the Wisdom and Gifts of Healing I have recently been given.

My poor Health left me with no energy, no vitality, no desire, and every day I felt weaker and weaker. I researched, I studied, I meditated, and I tried all new modalities of Healing for my Brain tumors that had grown back and finally I had Radiation which created more loss of memory and damage to my Brain.

I am a “Sensitive” and allergic to most medications. The thought of being able to finally Release, Remove, and Dissolve all that from my memory and Akashic Records is wonderful. It is almost unbelievable but my Inner Knowing “Knows” it is time, not only for me but for Everybody.

Don’t Ever Give Up Hope—Only Give up all the Trauma and Drama! Simply give it to Sweet Jesus and He will turn it into Creator Light!

I was asked by Spirit to describe and Feel what happened to me again in the Cave in Egypt so that is why I have documented it, so I could release it for the Last time!

I can See the Central Healing Temple for I have been here before. We are arriving and my Healing Team greets us. I Smell Sweet Roses and I know Mother Mary is here and I see Sweet Jesus, St. Germain, Malachi, Raphael, Maat, Isis, Metatron and all my Many, Many Guides and Council. This is a Celebration of Celebrations!

I am wearing a Pearly Crystalline Sparkling Robe. I am lying on a Crystal Bed draped in Royal Purple cloth that is so very, very soft. Tears of joy flow for not only me but for All assisting. The room is filled with glowing Lights all different colors.

I hear ‘IS’ say, “My Child, in you I am Pleased—Peace Be Unto You, and Worry Not for you have asked not only for yourself but for all Humanity. Bestowed Upon you is the Perfect Health of your Original

Divine Blue Print as you have requested. Remember what one gives to others is always returned untold times.”

Moses shares, “You will need to rest for a while and you could have a headache for a while also. Allow a few days and know you could be weepy as the Emotional Baggage is released from All Levels and Dimensions of your S.E.M.P.E.S. (Spiritual, Emotional, Mental, Physical, Ego and Soul) back to the beginning of time.”

“Don’t rush to put everything together regarding your New Web Site and all the Channelings you have been working on. Take some time to Heal from your knee surgeries, plus all the Re-Scripting and Removal you have received today.”

I am invited to stay a while on the Crystal Bed and receive the Benefits of all the Healing Available in the Room.

Moses shares, “That He will ever be by my side and He will ensure my passage back to my chair in my living room at my desert retreat.”

I don’t know how long I stayed in the Healing Temple but as I awaken in my chair I can still Hear the Music and Smell the Roses. All I can do is give my unending Gratitude. I am So Thankful. I Thank ‘IS’ and All the Heavenly Host and my Beloved Moses!

“I am with you, my Child, rest and Worry Not. I am your Beloved Moses.”
