

Level VI The Prophet Moses Takes “Marrianna” On Sacred Journey’s Through Higher Dimensions

29. Master Light Beings from Other Galaxies

Gift me with Sacred Healing Wisdom.

Beloved Moses and “Marrianna”

Beloved Moses, please come and sit with me this morning and share your Sacred Wisdom with me.

“Greetings my Child, I will indeed share more Gifts of Wisdom for you to ground and share with the Multitudes. Know that your plans to Create a New Format for your Web Site will serve you well for more and more people will open their Hearts to receive. Worry not how many, or when or if you get it right. You are a clear and open channel for the Divine Wisdom to flow through you. You are doing what you told the Great Divine ‘IS’ you would do. Know you are being assisted with your Health and in Time you will be pain free. You must hold that “Thought” which will help create it.”

“Now let’s go explore New Territories for you.”

Moses takes hold of my arm and again, as always, I am filled with His Higher Frequency and I am again in the Blissful State, eager to See what today holds in store. Today Feels different but I don’t know why.

Moses shares, “That I am growing from within and things will continue to change for me every day, and that it is important that I allow rest for my Body and stay in the ‘No Rush’ mode of living that I talk about.”

I Feel the temperature change as the soft winds enfold me with warmth and I See a Bright Light. I can’t make it out but I think we are being greeted by three Light Beings. They look different from Humans but the Love I Feel dissipates any fear I might have had before I could Feel them. It seems that we merge as though they move through me and out the other side. My essence is of Light Vibration on this Dimension and I am pain free. I like that very much.

I am told, "That as we Download and Ground this Feeling into my Crystal Bed in the Back of my Head and down through all my Chakras, down into my legs and into the Iron Core Crystal Grid, then back up again, I can then experience that Pain Free Feeling in my physical Body in the third Dimension. It will not happen overnight, but it will provide a pathway for me and many others who choose to experience this entire process. Gateways are being opened throughout the Galaxies for all upon the Earth Plane and Beloved Mother Earth, 'Gaia' at this time."

This Healing is very different from any others! It Seems to be simply out in the ethers not in a room or Temple.

Moses shares, "These Masters of Light have traveled from their Galaxies to Gift me with the Healing techniques that have been Downloaded into my Crystal Bed in the Back of my Head and into the Iron Core Crystal Grid. Know that many Masters are eager to share their Wisdom with you for Humanity. This is all possible due to my Family Inheritance of being from the House of Moses and Connected to the Moses Lineage of Wisdom. Know that this same principle was done to anchor the Ten Commandments into the Iron Core Crystal Grid that was recorded as "Written in Stone."

I Hear different music and Feel different vibrations, that seem to Pulse with a different beat with Higher Sounding Tones that have a feeling of Bubbles moving through me. Moses is sending different colors of Healing Light towards me and I Feel His Fathering, Caring Love washing over me.

Moses says, "We have All been waiting a very long time for these Healing Times to take place. All the Heavenly Host is in Celebration of Humanity's Awakening! My Child, Know that it only takes one. That means Everyone in Humanity can start the process in motion based on their Heritage but they have to be open to receive the Knowledge first."

It was over thirty years ago when I became aware of my Heritage, but it has taken all the Clearings of myself and others, plus the Unconditional Love for Self and All Others, as well as my Willingness to Share the Gifts I have been Given without the focus being on how much money will I make from sharing it.

The Heart is only Truly free when Nothing Matters because as we realize we are All One no Matter what Race, Financial status or what Anyone has done. Simply no Judgment, no Ego, only Pure, Pure Love of Self and All Others before this can take place.

Moses shares, “This will create a Pathway for you to help the Multitudes as Spirit shared with you over thirty-three years ago when your father died. The secret is you listened and followed Spirit without Hesitation and Willingly showed others how to do the same thing. Now by sharing your Experiences you have come ‘Full Circle’ and your Earthly life and Body is Transforming into Crystalline Healing Light.”

“Your Presence will Heal all you Come into contact with and even more when you learn to Live Completely grounded on the Earth Plane. At that time your Earthly Vehicle will provide a Corridor of Light from Above to be Downloaded into the Iron Core Crystal Grid unobstructed by Lower Vibrations. Then simply Pure Creator Light, The Adamantine Particles, will Flow Through You and Others with Effortless Effort.”

Moses shares, “The Gifts to follow are beyond description but we will take a slow but steady journey.”

I sense we are about to “Part Company” with these Beautiful Masters of Light. They are telling me that the Love Feelings they have given me are Codes that will always Open Doors of Sacred Wisdom from Worlds on High that can be used for the Highest Good for All.

I can tell they are as Thankful to give their Gifts as I am to Receive them.

I am told, “That a Corridor has been created by this encounter and more Wisdom will be Downloaded for Humanity and Mother Earth. I will know them by the High Pitched Sounds I will Hear softly in my Ears that my ‘Peace Crystal Bed’ will assist me in connecting directly with them if I so desire.”

Moses touches my Third Eye and tells me, He will return me safely to my living room.”

Next thing I am aware of is my cat “Misty”, sound asleep on my lap and the Beautiful Crystal Bowl Music playing. I can’t wait to read what I

wrote as I experienced this Wonderful Healing. I Thank You Moses! I hear softly, "You are Loved my child." "I am Your Beloved Moses."
