

## **Level VI The Prophet Moses Takes “Marrianna” On Sacred Journey’s Through Higher Dimensions**

### **4. Moses, Mother Mary and the Dolphins Share Their Sacred Wisdom and Healing.**

#### **Beloved Moses, Mother Mary and “Marrianna”**

**I Ask that my Lumerian Crystal Arc to Moses and to my Crystal Bed in the Back of my Head as I call for Beloved Moses to Come and sit with me this day.**

**“My Child, I am always with you as you walk your Path Back to the Divine Creator. I have been Working on your Brain and Re-Wiring your DNA and activating the New Codes Necessary. This So you can Merge and Absorb the Wisdom and Higher Consciousness and So you can Re-member who you Are and what is Being Downloaded Within your Beingness as Many Changes are upon All on Earth. So we shall Move Ahead with our Time together.”**

**With that Moses takes Hold of my arm and again I am Filled with Bliss and Peace. I am Wondering what today will be like. I See Moses smile as He reads my Thoughts. I am so Very Thankful for our Time Together!**

**It Seems our Journey Into the Dimensions went so Fast Today and I See a Veil or Cloud of Sparkling Colors that we More Through; That is All I Can See as they change Formations. I Feel like I am on a Boat Floating and Rocking Back and Forth. I Hear soft sweet Music like you would play to put a Baby to Sleep. I See Dolphin Swimming Beside me and I Realize they are Bringing me Healing and Downloading Sacred Wisdom Into my Crystal Bed in my Head. I Feel Moses Directing and Anchoring Codes and Symbols Into my Crystal Bed. I can Feel the movement in my Head, Neck and Spine. My Body is Filled with Hot Healing Light. I Feel Like a Child Receiving New Toys and Moses says, “That is Correct for it is Time to Play, to Laugh and Not to Be So Serious! Now that your toxicity and Pain are Being Removed with these Processes you will have more Time and Energy to Lighten up.”**

**“This will Allow a Flowing Energy of Love to Pour Forth From Every Cell in your Body Exposing the Sacred Creator Wisdom of Divine Oneness. All will Benefit From this Energy, Even Ones who are Unaware, for a Seed will Be Planted by your Presence and All that is Needed is for you to Show Up and your Light will Spill out All over Everything near you, Healing and Loving occurring without Even one spoken word.”**

**The Dolphins are all Swimming around me now. I am in the Water with Them; I am not afraid, Everything Sparkles, the Air, the Water, the Dolphins and me, it’s Hard to Know Where One Ends and the Other Begins. Now it’s Play Time, the Dolphins are Carrying me and as I lay on top of the water they Come under me and take me for a fast Ride, Turning, Splashing and Talking, all the while Downloading Sacred Wisdom for me to Share With All Humanity. I Feel like a Kid Again! I could stay here all day but I Feel my Body has Received All it Can Hold at this time and our play time is slowing down, back to a Rocking Motion. The Dolphins are Sharing with me that They play with me in my Sleep and Dreamtime and if I Ask Before going to Bed to be able to Remember my Dreams I will be able to Remember and Visualize them. They give me one last Flip into the Air and place me Back into the Boat where Moses is Waiting for me. We all say, “Good Bye” for now and I watch them Swim away but not out of sight.**

**Moses and I Ride on the Beautiful Waters as Moses Downloads Some more Wisdom and Healing for my Body. He shares that the Next two months of Detox will go Faster than I think. It will provide a means to Release much of the Lower Vibration from my Physical Body and with it will be Released All the old Coding and Residue from the third Dimensional wiring and Open Yet Another Gateway of Higher Wisdom and Health.**

**Moses Shares that He has Invited Mother Mary to Come and Provide the Healing She has been doing Behind the Veils for me. The minute She Touches me while Moses already has a hold of my arms, She Fills my Beingness Beyond Measure.**

**“This is why I Invited Her, so the Both of Us Together could provide an Expansion of your Physical Beingness so you Can Hold Greater and**

**Greater Levels of Light. We will hold you for a while and allow you to absorb our Sacred Light. Worry Not, you will Not be given More than your Physicalness can Handle. Simply close your Eyes, Open your Heart and Chakras and allow the Peace, Love and Harmony and Divine Sacredness to move through you. Close your Eyes, rest In Peace, you are Loved, you are Healed. "Peace Be With You." I am your Beloved Mother Mary and I am your Beloved Moses."**
