Beloved Moses and “Marrianna”

Note: This is the first Time I’ve Meditated like this Since my Knee Surgery last year and my Spouses Cancer Surgery.

Beloved Moses, Please Come and Share your Wisdom with me this Morning.

“My Child, I am Always with you on your Walk with Many of your Guides That have stepped Forward this Morning to Bring you Healing, Love and Strength and to Reconnect with the Heavenly Host in this Manner. Let Go of your Feelings that you Let Yourself and All of Us Down, for you Have Not! We can Always Hear your Prayers and Feel your Love. You and your Spouse and Family and All Humanity are Making Major Shifts in awareness. This will Always Require you to Let Go of the Old Experience of your Life in the third Dimension.”

“Tomorrow on July first of 2011 will be the Third Eclipse in a Row Following June first and fifteenth 2011, Which is Still Embracing Your Awareness. Please Allow Until August first of 2011, One Full Month for the Effects of This Higher Vibration of the Feminine Energy to Be Absorbed Within your Beingness. Know that you are All Being Bathed in the Higher Wisdom. You have Already Noticed the Changes in your Health and Family Members. Simply Stay in your Detached Compassion for yourself and All Others and you will Flow through the Awakening with Ease and Grace!”

“There is Much Excitement on This Side of the Veil as you Call It, as we Watch in Delight at How Humanity is Awakening.”

“Now let us Move Deeper Into Our Adventure this Day as you Take three More Deep Breaths and Fill Yourself with the Christ Light. Feel

Yourself Fill with The Divine Light and Merge with the Healing, Loving Energy.”

“Now, Move with me to the Back of your Neck to your Sacred Center of Pure Oneness, Your Medulla Oblongata. Feel Our Energy Merge Ever Deeper as My Higher Self and your Higher Self Merge Into your Sacred Center and the Divine Oneness. Breathe Into the Sacredness of the Void ‘Still Place’ Within Your Beingness.”

Moses, it Feels so Big, Open and Empty, and Yet Full All at the Same time!

“Indeed it does, does it not?”

I Feel the Sweet Pulsing of the Creator’s Heart Blend with my Own as The All That Is, is at Peace Within All. I Notice My Cat, Misty, who Loves to sit on my lap when I Meditate is Completely Relaxed and taking my Journey with us, Upside Down and in Total Peace. She has Missed this Special Time with our Blend and Healing Time! I am so Thankful for my Life and All That is in it. I Know that Humanity is Moving Through Another Step in Evolution and I am so Glad I Am Alive and Awake Enough to Consciously Experience It at this Time on Planet Earth. I Feel a Deep Contentment Pulsing Through my Body. I feel Movement in my Head, and in my Third Eye. I Can See Within my Head and I See Codes and Packets of Wisdom of Light Beings Downloaded Into a Brightly Lit Area that has Opened to receive the Gifts I am Receiving. I Can See Through my Knowing Awareness, my Body, Mind, Emotions and Ego, Being Vacuumed and Cleaned out of All old Hurts, Judgments, Misconceptions that were Needed. All Experiences for my Soul Growth and All that I have Misjudged as Wrong, Unloving, Good and Bad, I Can See these Were Simply Experiences. I Know that All the Times I Felt Attacked, Abused, Mistreated, and Unloved was just me Experiencing What I Had Done to Others. That Allowed me to Not Only Grow in Awareness but to Learn and See How Much my Soul Experienced and grew From All the Experiences. I Forgive myself and All Others and I am Ready and Willing to Move on and Experience the Next Higher Step on my Ladder of Light!

I See All my Guides Form a Circle Around me and They Flow closer and Closer to me, the Energy Raises Higher and Higher and All Becomes So

Bright that I Can No Longer Write what I am Experiencing. As I Blend Into the Light, I Become The Light!

I stayed “Gone” About an Hour Receiving New Encodements and Healings. As I Noticed the Clock, I remembered I had “Thought” that I Wanted to Keep my Meditation to about an Hour Every Day, so I could Create a Routine and Get Caught Up on my Transcribing of All my Past Meditations so I Could Share them. I Keep Being Slowed down by the Power of my Thoughts and How Important it is to Be Mindful of what I Think, Say and Do, Because I Create What I Think Say and Do, Like Everyone Does!

Thank You my Beloved Moses and All my Guides and Council for All the Healing and Awareness I have Received this Morning. I Invite you All to Walk with me and Advise and Direct my Actions so I Can Be an “Instrument of Peace” for All I come Into contact With. I am Grateful!

“My child, Rest a Few Minutes and Know you will Accomplish Much this Day as you Walk, Paint and Transcribe your Gifts you Have Been Given. Peace Be With You.” “Mother Mary, ‘IS’, and Moses.”
