

Level VI The Prophet Moses Takes “Marrianna” On Sacred Journey’s Through Higher Dimensions

7. Moses Takes Me into the Iron Core Crystal Grid

Beloved Moses and “Marrianna”

Beloved Moses, Please Come and sit with me this morning and share your words of wisdom.

“Greetings my Child. It is nice to begin our meeting times again. Take a deep Breath and hold it and as you exhale we’ll Travel and Explore the Higher Dimensions.”

I Feel my Body fill with Bliss as Moses touches my arm to lead me into the unknown. All my busyness seems to melt away as my Body relaxes and I wonder what will I experience today. Moses is excited and happy like He has a surprise for me to See this day. Maybe it’s just we’re happy to be connecting again. I Feel an unusual stillness like nothing is happening. We’re gliding through the air.

I Hear nothing which is different.

Moses shares that we’re in a Tube-like corridor, that is why it Feels Different, and that we are traveling within the Earth through to the ocean depths and into the Iron Core Crystal Grid, the Heart of Mother Earth, the Great Creator. The Tube is a special corridor used for the protection it provides from all the different Elements.

It opens into a Cave-like Beautiful Crystal Temple. The Walls are all Gems and Crystals. I look in one direction and all I See is Crystal Clear Sparkling, Sparkling, Crystalline, Crystals. I look in another direction and all I See is Violet, Glowing, Pulsing Gems and sweet smelling mist. In another direction are all types and sizes of Gem Stones, huge spikes glowing in all different directions and forms. I look into a round room that has Waterfalls, moist sweet smelling Air and Crystalline Beings. They are gathered around a very Large, Magnificent Violet Table with Pulsing Crystalline White flowing wisdom, flowing through the table in a circle.

I am introduced as the “Lady of Light” by Moses, but I Know we have all met before though I do not remember anyone, I just know them. I am

invited to sit at the table and place my hands into the Liquid Crystalline flowing Wisdom that moves through the table.

I am told, this will provide an immediate connection with the Wisdom to be Downloaded Directly from the Iron Core Crystal Grid into my Crystal Bed in the Back of my Head.

The liquid Crystalline Wisdom is Warm and Silky Feeling and I can Feel it filling my Body.

I am told, Very, Very few Humans have had this Experience to Receive this Wisdom or even know about this room.

The Crystal Beings are about eight feet tall, thin and Pure Love and Light that Sparkles from their Entire Being.

They share that, “On the New Earth Everything will be different. In the near future there will be No more Warring, Fighting, Sickness, Negativity, Pollution, Toxic Waste, Killing, Greed, Woundedness, Hostages, or Revenge, for there will be only Peace, Love and Harmony that will fill your Knowingness.”

“Humanity will fall in Love with each other and Sincerely want the Highest Good for All. If one person needs Something and Someone has ample they will Willingly share what they have with whoever needs it. The thought of Limitation will be No More. All will remember that we are All really One and All will Remember they are the God of their Being.”

“This will Not Happen Over Night but the Foundation for that to be re-Established again on the Planet Earth is within the Beautiful Liquid Crystalline Wisdom you are Downloading by placing your Hands within the Crystalline Wisdom. That will Download the Wisdom into your Crystal Bed in the Back of your Head where you will Download it. As the Light Language converts to the ‘English Language’ you will be able to share it with Others. Always keep in Mind Humanity Does Not take to change real quickly, so it will take as long as it takes. Because you have been given your own Free Will, therefore you can hold onto the Old Belief Systems as long as you choose, but in time All will See and Feel the Spark of Love that they are and slowly open to Receive and Know that they too are Love. The Love of the Great Creator and all need for Negativity will Vanish and Peace, Love and Harmony will Be Lived on Planet Earth for a long while,

until the Earth School of Learning Opens again to Provide Soul Growth and more Evolution for One and All.”

“The side effect you will have from saying you would participate and put your hands within the ‘Heart Stream’ of the Divine Mother, you will begin to notice right away. They are all side effects you will welcome with Open Arms and Heart, for you will receive the Health you have been Seeking and the Power to Share that Healing by your Touch. Your observation of the other people, places and things will be given a Loving, Positive View Point allowing you to Share a Higher way of thinking with others. Your words will become Seeds of Wisdom you plant whenever you speak.”

“The deep, deep Love that you become will bring Tears of Joy to those you meet. So Know when people Cry when they Seek you out for advise, it is from Love that the Tears flow for it is the Pure Love of the Divine that they will Receive. This will also bring Tears of understanding Not only to you but others.”

“Worry Not when or how this will happen in your life. Just go with the flow and Open your Heart to be in Service to the Divine. You have been Preparing for many Lifetimes to be able to bring this Pure Love through your Spiritual, Emotional, Mental, Physical, Ego and Soul. You are Ready and the Time Is Now!”

“Later in Time, as Humanity begins to Awaken and more are Ready for the Next Step you will be Invited to visit again for more Gifts of Wisdom that will need to be Downloaded. Go in Peace my Child and Be the Pure Love that you are!”

Music fills the air as we are leaving the round room. I am holding onto Moses while He holds my arm. I Feel like I am floating. Moses tells me to “Worry Not, to close my Eyes, and again He will lead me home Safely.”

It seems a while before I wake up in my chair but I am filled to overflowing with Pure Love and Joy. Moses has been waiting for me to Awaken and He says, “I will see you tomorrow, Peace Be With You.”

“I am Moses.”
