

## **Level VI The Prophet Moses Takes “Marrianna” On Sacred Journey’s Through Higher Dimensions**

### **9. Ask and You Will Receive!**

#### **Use the Universal Law of Reversal and See!**

**‘IS’, Moses, Mother Mary, Heavenly Host and “Marrianna”**

**Note: Before my meditation today I called on the Universal Law of Reversal to Reverse anything Blocking or Preventing my ability to Blend and Merge with my Oneness.**

**Moses, I Feel Everything is Different as I sit to Call on the Guardian of my Crystal Skull. It was already open, as I asked for ‘IS’, Mother Mary and all the Heavenly Host to Blend and Merge with me on my Sacred Throne within my Solar Plexus. I found we were already Blended after I called on the Universal Law of Reversal to Reverse anything Blocking or Preventing my Oneness. Moses, so that We can Download this Experience, I share the following:**

**I call on ‘IS’, the Creator of All That is, and my Medical Team and the Universal Law of Reversal to Reverse All my Blocks, like Feeling I am not good enough, that I am up against a Wall and don’t know what to do next, all my Health issues, Pain, Imbalances and Lack of Vitality. I ask that they be Reversed and I ask that I Merge with Ease and Grace into my Perfect Health, Pain Free Body, with the Divine Blend of my True I am Beingness. I ask for Total Activation, Alignment, Balance, Blend and Conscious Awareness of my Wholeness, as well as how to use this Gifted Sacred Awareness to the Highest Good for All. What I ask for myself, I also ask for all Humanity who’s souls give permission to receive this. I ask for ever expanding Capacity to receive and remember the Gifts I am receiving and the ability to articulate this Wisdom to Humanity. I especially ask for my Head to expand as I Feel a tightness like it’s full to overflowing. As I think and say these words within I Feel the pressure subside to a comfortable state. I only Feel tingling and movement in my Third Eye now. My Body is Pulsing with a Hot, Healing, Thick Honey Feeling of Love of ‘IS’, the Creator of All That is. It’s Just like the Feeling I had when the Divine Mother Mary sat upon my Sacred Throne the other day and opened the blockage within my three lower chakras that I had**

been working on clearing for so very long, and they all opened just by Her Presence.

The severe pain and discomfort I have Felt for so long is much less intense now. I Feel very different. I don't have words to express this Feeling other than it is Wonderful.

I can Feel the Presence of the Divine Mother and Father and the Heavenly Host who have worked unendingly with me to accomplish this Step on my journey. I am So Thankful!

I See Colors Swirling all around like a Beautiful Sunset on the move blending and moving in excitement.

Moses tells me, "To Open my Heart and accept the Divine Healing as we anchor this Gift into my Crystal Bed in the Back of my Head, then into the Iron Core Crystal Grid of Mother Earth."

I realize this Gift has been Downloaded into the Earth just like Moses Downloaded the Ten Commandments over two thousand years ago. I Know now that the ground work for the Evolution of Heaven on Earth, Higher Consciousness has been Downloaded. I am so Thankful to have been able to take part in this Gifting.

Moses shares with me, "That many Doors and Gateways of Awareness will continue to open for Humanity. Major Changes in thinking will occur so Humanity Can See the 'Bigger Picture.' The focus of me, me, me, greed, greed, greed, control, control, control, will begin to shift. It will shift slowly at first, then when enough step forward to speak their Creator Truth, there will be no Stopping the changes for Higher Wisdom for Mother Earth and All upon Her. This Will Take Place."

"Keep your Eyes open, your Heart open, and your Detached Compassion open as you watch how everyone adjusts to the realization that the Game of Duality is Over and that they have had the Power all the time to change things but the Fear and Programming of Billions of lifetimes takes patience to Let Go Of."

"Keep sending your Love to All! Worry Not, Worry Not, Worry Not, All is in Divine Order and Timing. Be at Peace as you experience your changes and the changes of Others.

**Know I am always with you, Guiding and Assisting and Healing when you need Something. Know you are 'Right on Target' as you say, with what you said you would do. Worry Not! You are Love and you are Loved! Peace Be With you!"**

**"I Am Moses, Rest my Child."**
