

11. Feel Your Divinity Then Live The Divinity You **Feel . . .** **Be It!**

**Beloved Malachi, Katherine Bell, Ph.D.,D.,D.
And Barbara “Marrianna” Zimmermann**

**How Do I Merge with the “Eternity” that God put within my Heart and
Experience my Wholeness?**

**“We have said it to you before, now this is a Good Way to ask it again. You can
Keep Weaving the Oneness and Awareness Within you. You see Beautiful One, how
do you Feel your Divinity, Know your Christed Self, Source Self? You Feel It and again
Live It!”**

OK, so I am Definitely on the Right Track.

“Indeed you are.”

It Feels like a New Road I am on and it is wonderful!

**“Continue to Walk on the New Road! You will continue to Use the Term. . . . I
Am Being That, That I Am!”**

**Malachi I have been saying I want to “Be” the River of Adamantine Particles
(Highest Vibration of Christ Light) that goes through My Body into the Iron Core
Crystal Grid; then Back Up my Body into Heaven and Back Again.**

**“That is what you are doing that is reminding Yourself I Am Source! That
is How you Achieve the Source Love!”**

**Is there some sort of Preparation for the Infusion of my Super Natural
Wisdom?**

**“It Just Is! That is what you say to yourself when you think you don’t have It . .
. . It Is Already There, so you may say to yourself In this Very Moment I Allow It to
Surface to My Human Consciousness. It is There I allow It to Surface in my
Awareness!”**

Thank you, Malachi!

Something just came up for me. . . . When I do the Figure 8 Energy of Christ going through me then I have it cross through the 3rd Chakra and then Into my 2nd Chakra into the Heart of my Soul and then to the Universal Mind. Am I going in the Right Direction?

“You are Indeed.”

Just Keep Doing It!

“Indeed”

Thank You Malachi
