

## **14. Humanities E.T. Strands of Genetic Coding**

**Beloved Malachi, Katherine Bell, Ph.D.,D.,D.**

**And Barbara “Marrianna” Zimmermann**

**Do I have any Latent E.T. Strains of Evolved Biological Material Embodied within my Genetic Coding in my DNA?**

**“Well we shall say Beautiful One, well all of you do!”**

**Oh how Fun! We’re the E.T.s aren’t we?**

**“You are Indeed! You are Indeed!”**

**So can you tell me how many strands and where did I get them, how do I open them?**

**“We will give you another giggle. See, you only Think you have to open them and it is Already Encoded in you.”**

**They don’t need Activating?**

**“They Do Not. They only need you to Accept It.”**

**I accept! I accept!**

**“Indeed! Then to remind you why these E.T. Vibrations were genetically Imposed upon your Humanness? Well because it is part of the Evolution of your Soul Consciousness. To Live It, To Be All Particles of All Existences, All Galaxies and Planets and here the Earth is but one Planet in a Galaxy.”**

**Are these Strands from different areas of Different Planets?**

**“You may call them the Strands of your Memory, Different Planets, Different Existences, Different Galaxies.”**

**So they are not just one?**

**“No they are not, Beautiful One, you see you are Utilizing an Arcturies Vibration that is a Gateway. With that Beautiful One it Means you have come through Many Different Galaxies and you are Utilizing All of those vibrations in this incarnation.”**

**Oh how wonderful!**

**“It is what you have and many of you on the Earth plane have said . . . ‘I will use All of those Tools to Recall the Sacredness that I Am that I Am.’ “**

**So we can Plant that Awareness here for Everybody.**

**“Indeed, what you could call Thousands upon Thousands of Eons.”**

**How exciting!**

**“So we will giggle, all of you say for the Next 7 Generations and we are going to say, Thousands of Eons of Many, Many Generations. That is what is part of the Evolution of the Earth Consciousness To Accept, To Live and To Be the Graciousness of Their Holy Light!”**

**Oh, thank you Malachi.**
