

16. Process To Clear and Heal Self-Rejection

Beloved Malachi, Katherine Bell, Ph.D.,D.,D.

And Barbara “Marrianna” Zimmermann

Do I have an Implant of some kind or a Blockage in my Throat?

“Well Beautiful One it is not an Implant or Any Energy Forms other than Yourself.”

So how do I clear that?

“Alright Beautiful One let your Mind come into your Throat, let your Throat Release its Emotional Thought Forms. Now Beautiful One, what is this about? You see Beautiful One you have Felt the Judgments of other Human Beings that DO NOT hear the same Truth you Hear! I Have not Lived the same Truth you have Lived. As much as you want to Verbalize and Share and give that Wisdom Out, you have Through your Lifetime Experienced Rejection of it! Do you understand?”

Yes I do! Well most people are not on the same page I am on.

“Indeed there is the Blockage Rejection! So, what can you do to Clear it? Well Beautiful One this is very similar to what we are Speaking. You must let Go of Judgments! That in this case it is the Rejection of Yourself and Your Sacred Philosophy! You have a Fear that others will Blaspheme the Sacred Wisdom.”

I don’t want them to do that!

“What you have to say to this Throat Center is ‘I am Free to Speak of the Holy Spirit in the manner in which I Carry and Acknowledge it and if it Falls upon Deaf Ears or Rejecting Ears, I Simply Bless them for I know in their Soul Evolution they are not quite in the same Evolutionary process, just yet. But I may Speak and Drop this off in their Inner State of Consciousness so it will Stimulate their Soul to Help Them recall the Ultimate Truth!’ “

“Then you will continue to Smooth your Throat, Bring Light through it and Feel it Open. Feel the Willingness to Communicate and that it is Safe!”

I will do that. Thank You, Malachi.

“Indeed.”
