

19. Enter and Access The Immense Field of Un-Realized Possibilities

Beloved Malachi, Katherine Bell, Ph.D.,D.,D.

And Barbara “Marrianna” Zimmermann

How do I Enter and Access the Immense Field of Un-Realized Possibilities and Create for the Highest Good for All?

“Alright, Beautiful One, we always use the Term to Meditate do we not? It means to Blend in your Highest Consciousness to be There and Allow Yourself to Draw All of that Through Your Personal Mind. Remind yourself all you are doing is Weaving Energy into your Personal Cognitive State that you have and always have had.”

I just want to become a Daily Prayer!

“Indeed Allow it to “BE” so.

OK! Thank you Malachi.
