**Can you assist me in Re-Connecting to my Direct Link to my Original Perfect Full-Spectrum Seed Thoughts of Creation, so I can Receive a Full-Measure of Creator Consciousness?**

**“Well Beautiful One, let us give you a New Ascension Guidance, shall we do that?”**

**Yes, Please!**

**“So First We’re going to Tell you to take a Deep Beautiful Breath and as you do, See Yourself on this Beautiful Sacred Land called Earth. As you are watching yourself on the Earth, watch Energies from the Iron Core Crystals moving Up Through you. As you Follow this then you’re going to Allow Yourself to also Follow Vibrations of Light. You are going to Merge with that which is called the Beautiful Violet. Merge with it and Feel its Ascending Vibrations Pull you Upward.**

**“As you do that Feel on the Right Side of you and the Left Side of you this Beautiful Green and the Beautiful Orange Vibrating, Holding you Stable.**

**“Then Draw yourself Upwards . . . Feel yourself ascending through Violet Light Into a Brilliant Golden Light. As you Feel yourself Aligned with this Golden Light Make an Acknowledgement—I Am Opening the Doorways to My Most Highest Qualities.**

**“Feel yourself continue the Ascension. Recognize that you are going to Merge Into Turquoise Light. The Turquoise Light is going to Provide for you the Intuitive Senses of Your Inner Consciousness. The Sacred Knowledge of the Highest Element of Seeing Between the Self, the Human, Your Beautiful Sacred Soul-Self and Above All the Source-Self. As you can *See it* you can *Feel* yourself Raising, You can See it.**

**“Then Beautiful One once again Raise Up and as you Raise See the Beauty of the Rainbow Vibrations the Allness Reflecting Itself. Ascended once more Into the**

**Brilliant White Lights. As you Feel yourself Bathed in this Light Become Only Aware of Brilliance! Brilliance does Not Necessarily Mean White but Simply Brilliant Light.**

**“Again we ask you to Notice the Sensations that are Moving Through Your Human Body. As you are doing this Your Human Body is Responding to this.”**

**Oh, It’s Filling me with Light, Malachi!**

**“Indeed, Indeed!”**

**I’ve Never gone “Up”. I’ve always asked Christ Light to come Down Into the Iron Core Crystal Grid through me.**

**“You Merge as you go Up you allow your Beautiful, Beautiful Sacred Inner Wisdom to be Released as you Ascend. Then you will Feel Yourself Fully Connected in These Vibrations you’ve just Experienced. And Yes you can Draw Yourself Back Down with All of It, Feeling It in your Body, Feeling It Respond to what you are doing. For Your Humanness Must Respond. Then the Emotional, Mental, Soul Qualities of yourself can Live much more like you are asking for.”**

**Thank you so much, Malachi, for I Know I will be pain Free!**

**“Indeed, Indeed.”**

**I am so Thankful, I love you so much!”**
