

20. Process To Merge With Your Global Mind

Beloved Malachi, Katherine Bell, Ph.D.,D.,D.

And Barbara “Marrianna” Zimmermann

How do I Blend and Merge with my Global Mind?

“Alright Beautiful One, when you say Global Mind we are going to come to 1st Level Global that means your Earth. Then you are going to Expand to your Galaxy. Then you are going to Expand to the Galaxies Beyond you to the Dimensions that are Purer in the Ethereal. Let yourself 1st Sense and Feel Global Mind.”

“Then you will See you are going to come up right to . . . I Love my Earth, I Love My Earth People. We want you to get into Secondary Realities. Meaning when you come Across your Globe and you Begin to Feel the Humans Across your Globe and the Collective Fields of Attitude of your Humans Across the Globe what Judgments surface? Do you Feel that these Groups will Not Heal, these Groups Will. Do you Feel that those Groups Understand and those Don’t? When you Feel, will you Feel and notice for Wherever There is a Judgment you have Discontinued your Interlocking at the Highest Nature.”

What came up for me was Sadness!

“Indeed, and that is a Judgment.”

Oh my so I Need to Replace That just with Unconditional Love!

“Indeed.”

It’s not a Judgment that one is better than the Other, it is just that it is Sad that the Situation is the way it is and I want to Help.

“Indeed. There you have it at that Very Moment it is a Judgment, is it not?”

Yes, because it Means it is Not Ok.

“Indeed and Everything is Perfect Just The Way It Is.”

Thank you very much. I appreciate that Malachi.

“Then you Continue to Expand it. You see Then you Could Move Out into the Galaxies and there is Nothing Right or Wrong with the Galaxies. It is All in Perfect and Right Divine Expression.”

We have been Really Mixed up in our Beliefs and Exposure and Illusions.

“Indeed.”

Oh thank you, I am so Thankful for you in my Life!

“Indeed.”
