

## **22. The Prophet Moses Healing Message**

**Beloved Malachi, Katherine Bell, Ph.D.,D.,D.**

**And Barbara “Marrianna” Zimmermann**

Does Moses have a message for me?

“Indeed! Moses has been Working with you all along here Through your Spinal Column.”

I know and I am so Thankful!

“Moses asks you to say . . . ‘I am the Living Light of Health.’ Then Know It, Live It and Feel It!”

“Know that he and other Masters are Surrounding you as well Beautiful One. All are in Celebration that you are taking up the Energy.”

Oh it Feels Great – like Graduation!

“Indeed.”

Thank you so much Moses and Malachi.
