

25. Process To Merge With The Original Utopian Fields and Receive the Codes of Remembrance

Beloved Malachi, Katherine Bell, Ph.D.,D.,D.

And Barbara “Marrianna” Zimmermann

Do I have the Light Quotient necessary to Enter the Original Utopian Fields of Easter Island Napa Nui-144 and Receive the Codes of Remembrance?

“Beautiful One, again the answer would be yes. Here again how do you do that? You know the Beauty of the Symbols of your Easter Island, do you not? The Beautiful, Beautiful faces that over-see the Vibrations, you can See and what are you to do? Well again Utilizing Vision.”

Oh Visualize Being There in the Middle of the Statues!

“Indeed and in Truth we will say Blend with the Statues, Merge with their Vibrations!”

Isn’t the Secret Word . . . Merge?

“Indeed, when you are doing such Merging you are Releasing the Knowledge Within Yourself so Then you are Decoding are you not? It is the Vibration of your Highest Nature and it is Responding when you, at the Human Level, Create the Doorway for the Response!”

Oh, it is sort of like asking?

“Indeed”

Is it part of the Reason why I am so Sensitive.

“Indeed”

What is the Best Way for me to Handle that then?

“Always Allow Yourself to Know when you are Decoding Switches that you are Allowing the Emergence of this Energy Through you and it Radiates. Keep Reminding Yourself Every Time ‘I am Awakening to an Awareness. I Radiate the Awareness and it Radiates out to my Human Beings, my Friends and Family of the Earth.’ Yes the Earth Mother, Beautiful One, yes the Animals, the Plants and the Minerals, all of it.”

Thank you Malachi
