

28. Are You a Code-Carrier?

Beloved Malachi, Katherine Bell, Ph.D.,D.,D.

And Barbara “Marrianna” Zimmermann

What can you tell me about Being a Code-Carrier and am I one?

“Indeed Beautiful One, you are a Code-Carrier, now what does it mean? Unto yourself, unto the Soul of your evolution there is indeed an intention as you incarnate and re-incarnate to be moving forward, to share the dynamics of a Greater Awareness of the Creator of the Source and the Oneness.”

It is very strong in me!

“Indeed it is! That is how you know you carry a code!”

I don’t know what to do with it, can you share?

“Laughter, let’s have a giggle, for we will say, many humans do not know that they carry the code but, none the less they are Code-Carriers. It is for you to notice how am I living? Is my living expressing Divine Radiance and Helping others?”

I have a real strong desire to share and help others. But I am not sure what is the best way to do that.

“We will always tell you! First is to be in Harmony with yourself for then you are radiating it! Next to share whenever you are in a group of people where you can open your mouth and share with them. Sending them love energy where they can feel love embracing them. And in the embrace is also the code. Indeed it does seep into their unconsciousness and connects with their soul. Shall they desire they may take it up in their daily living or they may contain it in their soul for the next lifetime!”

I got it, it is planting a seed! Just be who I am!

“Indeed, indeed, know the soul of yourself did agree to create vibrations from within you that are of the greater Knowing. So you may say unto yourself ‘I have unlocked the code for a long time in my life as a human being and therefore I recognize that for many, many of my years I have been sharing the code.’

Oh, and I just did not know it.

“Yes you did not know it.”

Thank you so much, Malachi.
