

### **3. Process To Connect and Merge With The Sacred Wisdom and Perfection of The New World**

**Beloved Malachi, Katherine Bell, Ph.D.,D.,D.  
And Barbara “Marrianna” Zimmermann**

Can you assist me in Merging and Manifesting the Patterns of Perfection For the New Earth in the Physical World of Form Through the Divinity Within My Heart Flame?

“Indeed, let us Now have your Consciousness move Downward Into the Iron Core Crystal. This is where Everything is already Implanted and Impregnated Moving Through the Consciousness of the Individual Souls of All of you on the Earth. So once you are there in the Beautiful Iron Core Crystal Grid then you will make your ‘Intention Thought Form and Feeling’ and Draw that Vibration back up through the Personal You. Then Beautiful One, you are Releasing the Sacred Wisdom of this New World. You are Allowing yourself by doing so, to Trigger your own Unconscious Emotional Feelings, Drive and Desires to Respond to that.”

“Then as you Feel it as you have Thoughts and Feelings About It then your Personal Consciousness Must Take Hold of It and Moves Into Action with it. Not simply let it Set in the Feelings of this Nice and Comfortable Beautiful and Sacred.”

So then I bring that Wisdom and Energy Back up in my Little Boat I call “Freedom” Up Through All My chakra Centers and then just Merge with it!

“Indeed! Merge with it let yourself Feel it, let yourself Be Inspired. Then Through Your Inspiration You take action with the Inspiration, you will do Something with it!”

Thank you very much, Malachi.
