

32. Process For Expanding Your 3rd Eye

Beloved Malachi, Katherine Bell, Ph.D.,D.,D.

And Barbara “Marrianna” Zimmermann

How do I create developed expansive vision of my 3rd Eye so I can see the Past and Future Versions within the Facets of the Multidimensional Vector? I want to see the Great Temples and Pyramids that were once on Lemuria.

“Here again, you must bring your Heart to your 3rd Eye. The 3rd Eye to your Heart forms a Union. Then again it is an Intention, your Desire to make Such a Connection with Lemuria. Then you are Honoring as the Visions Emerge that you Will Recognize Them and you Will Give them Sanctity Meaning You Do Not Deny Them. When you Sanctify them Beautiful One, they Increase for you.

“You Worry too much about the use of your Imagination.”

Oh, I do, I always thought that was Cheating! So I am having a hard time opening up to say that is ok. I’ll have to give myself Permission.

“Indeed, It is the Doorway into the Release of your Intuitive Physic Wisdom and Sight.”

Is it more effective to do this with someone?

“Yes, if Two or More are Joined with the Same Intention it will Increase for you are Assisting Each Other.”

So when I Receive these messages I need to Anchor them in the Iron Core Crystal Grid so All Humanity Will Benefit.

“Indeed.”

Thank you Malachi
