

33. Portals To Your Sacred Heart

Beloved Malachi, Katherine Bell, Ph.D.,D.,D.

And Barbara “Marrianna” Zimmermann

Are the Portals to my Sacred Heart open so I can Receive the Adamantine Particles of Light via the Back Portal way of my Sacred Heart, as well as a Downward Flow via my Crown Chakra?

“First of all, this Energy is Never Closed, it is only Perceived as Closed. So the more you are working through the personal awareness allow yourself to be aware of it, as it is already there, that is the Gift!”

So it is acceptance that it already “Is” just like everything else!

“Indeed, indeed. Walk in Beautiful One and Every Time you have an Awareness of this Truth All of Your Chakras are Blazing with Their Own Light Vibrantly Open!”

Thank you, Malachi.
