

35. Experiencing Sophisticated Modes of Functioning

How do I become able to experience the frequencies in which the Arcturians reside, that they refer to as “Sophisticated Modes of Functioning”?

“Alright, the sophisticated Modes of Functioning means to function from your Higher Self.”

Oh, that is what I want! (Giggles)

“To function from your Higher Self, you may also give yourself this Conscious Intention – ‘I Function in my Christed Consciousness, I am That.’ “

So, if I am That, I am not sure how to Just Be It.

“Indeed, it is Live It! Be it! So anytime you Feel as though you have faltered, you all seem to call yourselves Scattered Humans. (Laughter) Well, alright when you Feel yourself falter Feel Yourself Re-balance as a Christed Element. Feel yourself come in with the Intention to be the Master.”

Like ask myself what would Jesus Do?

“Indeed, that will help the Human Personality Balance to its Christed Consciousness you see.”

Thank you very much Malachi.
