

37. Clearing 8th Dimensional Blockages and Ancient and Stutter Streams of Healing

Beloved Malachi, Katherine Bell, Ph.D.,D.,D.

And Barbara “Marrianna” Zimmermann

Can you assist me in clearing my 8th Dimensional filter blockages? What can you share with me about the 8th Dimension?

“Alright, Beautiful One, in the 8th Dimensional Consciousness it is a place in which there are many of the plans, your Divine plans, are taking place in your Humanness.

“You may call it a place where you are meeting in the Divine Mind. In that Beautiful One it is a place just before you also reach what is Coaxial Energy Fields that draws you into the Higher, Highest and Highest to what very often the Human say ‘I do not Think or Feel or Know who I am’. So what is the blockage? Well there is a portion of yourself that is attempting to make that ascension and a portion of yourself says ‘no let me stay right here!’. Now Beautiful One we shall again share the Light of Ascension in this fashion. Ascension is a vibration of your consciousness not the leaving of your Humanness. Ascension is a vibration of your Humanness the raising in your cellular Body the Cells of Your Humanness becoming more vibrant more alive more healthy. So you will tell your unconscious mind that there is nothing to fear. As we continue our ascent. That will help you erase the blockage of your 8th Dimensional Consciousness.”

Ancient Streams of Healing

What can you tell me about the Ancient Streams of Healing?

“Well Beautiful One here you will know the ancient streams of Healing have always been available all the time. But what has occurred in the Human dynamics is you separated yourselves from your intuitive powers.

“You do not need to name them other than the Rays of Light or Rays of Healing. As we have been sharing the Beautiful Newer Lights of the Pearl Children that are vibrant Rays which you all have capacities to utilize. Then you’ll also realize that they are Healing Rays. The more you are in touch with your intuition the more you are in touch with your inner self. The more you are in touch with your Divine Self you are also in touch with the ancient Rays of Healing. While you are doing such alignment then yes as we have talked about that 8th Dimension of Consciousness moving with the Divine Plan vibration moving into the 9th Dimension and farther on allows you to be much more receptive to pure Healing.”

Wonderful! Is there a way you travel the ancient streams of Healing and connect with certain ones? How can I create my perfect Health and activate the Ancient Wisdom of Spiritual Awareness?

“It is by the use of Mind Expansion. Mind Expansion you know that as Meditation, do you not?”

Yes

“As you are entering into such expansion around your consciousness you are specifically asking for the Ancient Rays of Healing. You may call on the Rays through vibrations of ultra violet, you understand?”

Yes.

“So you are in pure center of Spirit and then from there Beautiful One you may say again ‘Into the Rim of this High Mind my Consciousness, I desire the specific Rays of Light Healing that will move through my Human Body and help balance my Disturbances.’ Here you speak of your Brain, so you would ask very specifically for the Brain, would you not?”

Absolutely!

“You would ask for specifically for the eyes, for your entire Body! You see, Beautiful One, you can name the Rays for what is needed for your Body.”

Oh good! Is that what you and Katherine will be doing for my Brain Tumor?

“Indeed.”

Thank you very much. Isn't that interesting that I would ask for what you will be sharing with me one on one!

"Indeed."

Stutter Streams of Healing

What can you tell me about the Stutter Streams of Healing that have not been used for approximately 2,000 years? Will they become available again?

"Well Beautiful One, they were never lost in what you call coming back. They are forgotten in the use of the Human Mind."

Will you share with us?

"Indeed, so Beautiful One, what are you doing, again you are allowing yourself to know that you are more than this Human Containment, you know this, do you not?"

Oh yes.

"Here you know this language, you call it the Matrix Language, do you not?"

Yes.

"The universe as a major network of the Matrix carries subtle energies through many of the Rays in the Matrix. Many designs in the Matrix then become the Stutter vibrations, do you understand?"

Yes.

"So what you are doing is asking to make such a Blend. You see it is about Blending and about maintaining what is called an Intention in the Consciousness and Receptiveness in the Emotional part of the Body-Mind-Consciousness. For the Emotional part of the Body-Mind-Consciousness is the one that begins the Judgments; I am there, I am not there, it is working, it is not working. So you want the Subtle Emotional Body to be very calm and to be very receptive then the Vibrations Ignite within you."

Oh, OK!

"As they are doing that then you will Feel warmth through your Body. You will Feel a variety of exchanges and that will be like Electrical Impulses, Minor not Major

Not Harmful, simply Electrical Impulses moving through your Body. Just to make sure the pathways of your Subtle Body are open to the Physical Body and the Physical Body is open to the subtle vibrations of the Universe.

“So you will not make it complicated. Make it easy.”

Thank you very much Malachi
