

46. Laws of The Cosmos

Laws of Intergalactic Beings

Mutuality Principles of Exchange

Beloved Malachi, Katherine Bell, Ph.D.,D.,D.

And Barbara “Marrianna” Zimmermann

What can you tell me about the Laws of the Cosmos?

“What do you desire to know about the Laws of the Cosmos, for you know that one.”

Oh, I do?

“For it is always the Law of Love! It is always the Law of Love! It is a Radiance that comes Through All of you. The Cosmic Vibrations that you see in what you call your own Scientific Measures and what you do not see. The eternal beyond the eternal, the essence beyond the essence, that which you call the Holy of the Holy, do you understand?”

Yes

“Now that is the True Cosmos!”

Thank you!

Laws of Intergalactic Beings

“Alright the Laws that will affect the Intergalactic Beings are very similar to the Laws that affect you for All Universal Laws affect All Universal components. Unto that which is called the Intergalactic Beings they must follow just as the Beautiful Angels do, follow just as All of you follow. That is the Law of Interference. That is Basically it; all other Laws will come forward.”

Mutuality Principles of Exchange

“Now Beautiful One let us see if we can make that Easier for you to comprehend because it is easy in your Human consciousness. Mutual consent each of

you comes together in communication in a relationship whether it is one to one or unto many. You come under mutual consent. So that is True of the Intergalactic Realities as well. So that we will also tell you that which is called another secret, is it not. Your vibrations Radiate a Frequency, unto that Frequency of those others whether they are Human Beings or Intergalactic partners they can match with your Radiance of Energy. That is where your consent is in your Human world; you say we are a Group of Like Minded Beings.”

Thank you Malachi!
